

*Our Children • Our Schools • Our Future*

February 5, 2016

Parents:

This week, there were four incidents on Wednesday in the City of Riverside of a man chasing females and touching them in a sexual manner, before fleeing the scene.

We would like to remind all students to be extremely cautious while walking to and from school or in their neighborhood, and remind them not to speak to strangers. Students should always walk in pairs and with an adult, whenever possible. Parents, please discuss the above suggestions with your child/children.

Students will also be advised of the situation and reminded to walk in pairs and not to speak to strangers. We are asking students and parents to immediately call 911 if you observe any suspicious activity or person(s).

Thank you for your assistance with the safety of our students.

Sincerely,

Elliott Duchon  
Superintendent

ED/dc
