Parent Connection

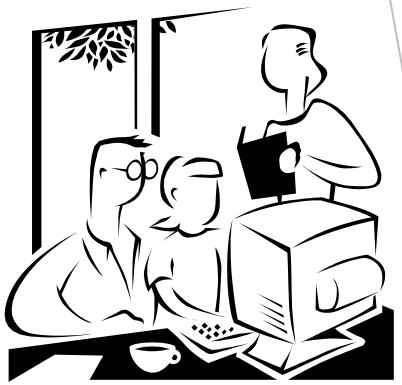
Connecting Home and School

JURUPA UNIFIED SCHOOL DISTRICT

LEARNING WITHOUT LIMITS

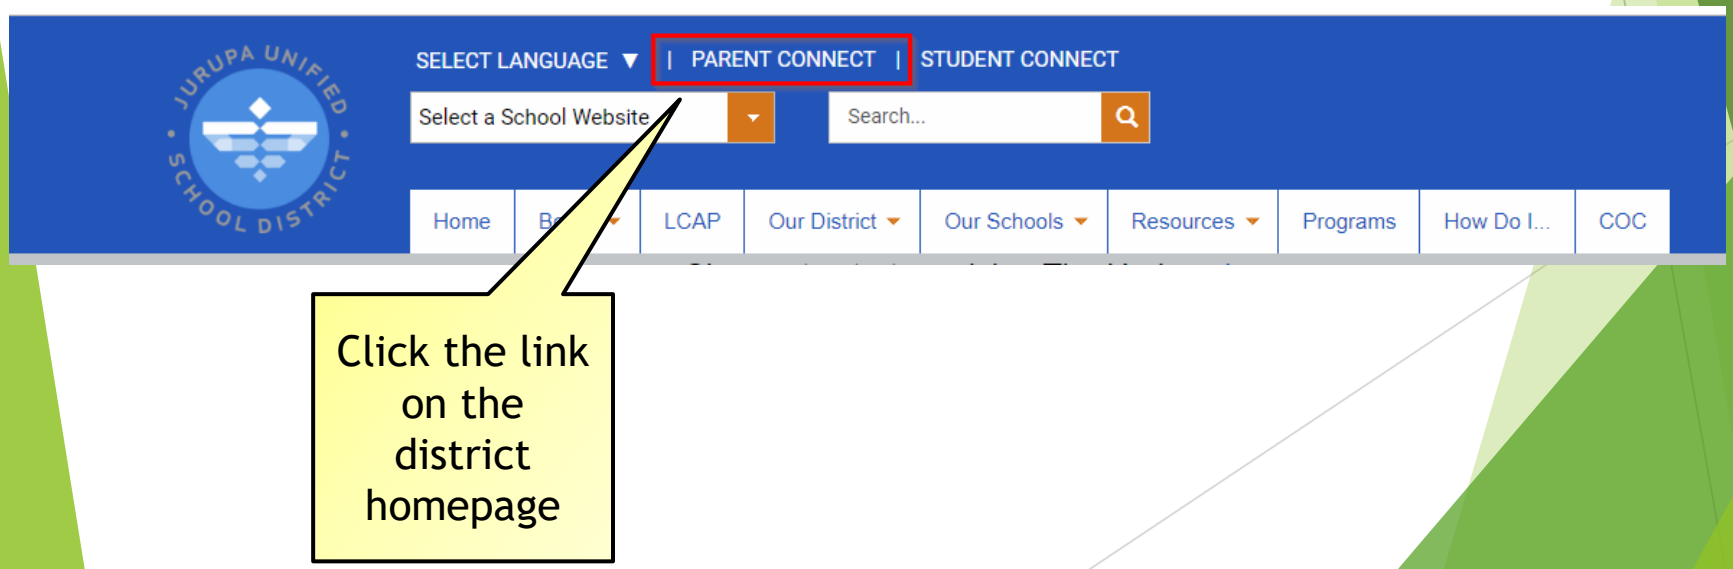
What is the Parent Connection?

- Q Parent Connection is a web-based application that provides parents/guardians access to their children's data over the internet.
- Parents/guardians can connect to the database and monitor their children's progress, attendance and more.
- You will have access to your child's information through this single account while the student is enrolled at JUSD.



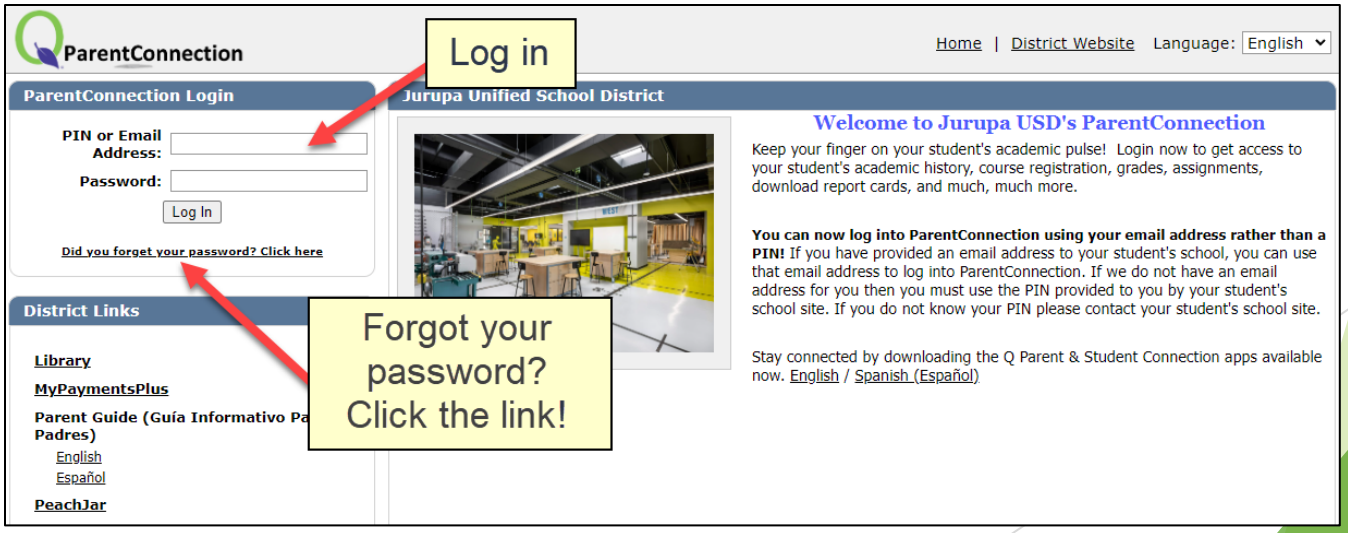
How Do You Access Parent Connection?

- A link to the Parent Connection website is available on the JUSD homepage: jurupausd.org
- Click the ParentConnection link at the top of the page.



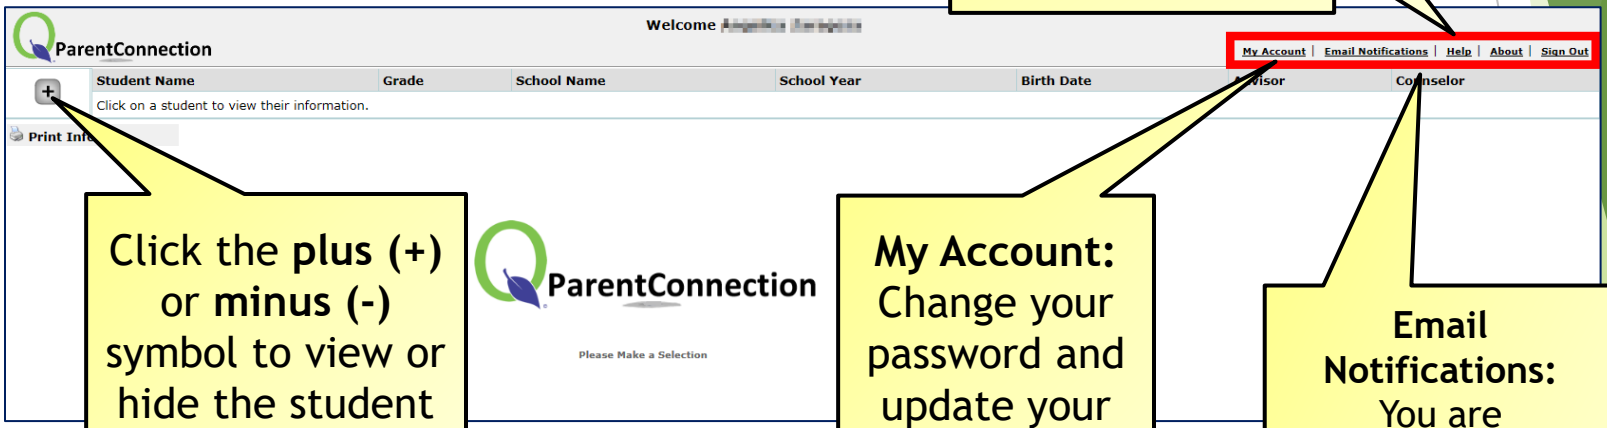
What Do Parents See?

- The Parent Connection login page
- Forgot your password? Click the “Forgot Your Password” link on the login page. You will be prompted to enter your email address.
- If you need additional assistance the school site’s office personnel will have access to look up your PIN, update your email address, and/or reset your password.



Parent Connection

- Screen Layout
- Viewing students



Help: Support information available for navigating Parent Connection

Click the **plus (+)** or **minus (-)** symbol to view or hide the student selection screen

My Account: Change your password and update your email address

Email Notifications: You are automatically subscribed to email notifications for your student. You can update your preferences here.

Student Selection Screen

- Students will appear in the student selection screen if they are actively enrolled in the district and the logged in **parent/guardian** has a valid Parent Connection account with access to that student.
- Please contact school office personnel if you do not see your student listed.
