STEAM

ACADEMY

A *new* Academy

MLMS is waiting for you!

MLMS is launching a new STEAM Academy in 2017-2018. Each MLMS student has the opportunity in becoming part of this new and exciting academy.

If you are curious about Science and LOVE: Robotics, Ocean Science, Field trips (Crystal Cove, CUE conference, KidWind Challenge, Cal Baptist, UCR) Building Structures, Coding, Competing in Science Fair Projects, working with UCI students, and being involved in so much more, the MLMS STEAM Academy is just for you!

How do I become involved in the MLMS STEAM Academy?

- **Student must pick one elective class From the following courses:**

- Project Lead the Way (PLTW)
- AVID
- Band/Choir
- Video Production
- ASB
- Yearbook

and

- **Student must also complete one of the following activities:**

- Art show submission
- Science Fair Project
- Engineering project
- Community Service Project/Water Poster
- And so much more!

and

- **Student must earn no grade lower than a "B" grade in the following courses:**

- Science class (Regular or Honors)
- Mathematics (Regular or Honors)
- Elective course (from the above choices)

Students who successfully complete all the above components will be recognized during 8th grade promotion!
