Notice to Parents and Guardians of 6th Grade Students

By law, students in California are required to receive certain immunizations in order to attend public and private elementary and secondary schools. Schools are required to enforce immunization requirements, maintain immunization records of all students enrolled, and submit reports.

Per state law in order to attend the 7th grade, a student must have proof of receiving the following immunizations:

- **2 doses** of varicella, chickenpox vaccine
- **Tdap booster** given after the age of 7

*Students entering 7th grade who do not meet the immunization requirements **will not** be able to attend school.*

Please bring proof of immunization to your student's school before the end of the 2022/23 school year.

Please feel free to call your school/school nurse with any questions.

Thank you for helping us in keeping your student, our school, and our community safe and healthy.

Sincerely,

LEARNING WITHOUT LIMITS
