BUILDING LITERACY SKILLS

Family Literacy is a 10-week literacy program. The goal is to establish and support a family reading routine. The program is designed to be an educational process that encourages critical reflection and dialogue by means of literacy as well as to strengthen parent-child interactions. Parents are introduced to a new bilingual book each week which they take home to read with their children. Parents also create a family album throughout the duration of the program. The classes are offered at Troth Street and West Riverside Elementary. Please contact P.I.C.O for dates.

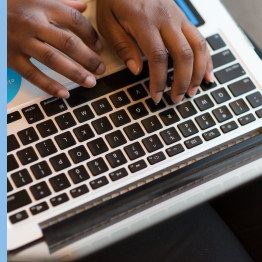

READ

Abriendo Puerta's-Opening Doors focus is to educate parents on being their child's first teacher. Parent will also learn how to help their child develop a healthy lifestyle, how to prepare their children for success in school and discover helpful resources and services.
