Graduation Guidelines: Cap Adornments

Congratulations Class of 2024! This year, JVHS will support the decoration of caps for the commencement ceremony. We want this experience for our graduates to be a positive and celebratory event of self-expression. We encourage seniors to be creative as they decorate their cap while strictly adhering to all guidelines.

Guidelines:

- Graduates are not allowed to decorate their gown. Only the graduation cap may be decorated.
- Only the flat top of the JVHS/Jostens issued cap may be decorated. No 3D embellishments **that may obstruct viewing** are allowed and decorations may not extend beyond the border of the cap.
- Decorations shall not interfere with the attachment of the tassel to the button on top of the cap and decorations may not hang off the sides of the cap.
- Caps must comply with the Student Code of Conduct at JVHS. No advertisements, symbols, words, or slogans conveying messages that may be deemed inappropriate.
- Any decoration that denotes an affiliation with gangs, drugs, violence, illegal activity, or disruptive behavior is prohibited. Caps must not threaten the safety of others or include hate speech of any kind. Obscene, profane or vulgar language is prohibited. Caps may not include numbers other than the graduation year (unless approved).
- The cap may not make noise. No bells, horns, or noisemakers of any kind. Additionally, the cap may not have lights, blinking lights, lasers, or moving parts; nothing battery operated. No use of duct tape as the main decoration.
- No nicknames (unless approved). No boyfriend/girlfriend names.

As an option, JVHS will provide graduates with a variety of materials they can use to decorate their caps. These materials will be available the week of Senior Activities (May 20-May 24).

Graduation Guidelines: Cap Adornments

Suggestions

- Thank a parent, grandparent, family member, teacher, and/or friend
- Recognize the college/university attending
- Recognize the branch of military joining
- Recognize your home country's flag
- Recognize your high school activities (ex. sports, clubs, organizations)
- Recognize the graduation year
- Highlight an inspirational quote

We strongly suggest that you trace your cap on cardboard and decorate the cardboard. In case you make a mistake you can start with a new piece of cardboard. JVHS will not replace caps that are damaged during decorating. Once the cardboard is decorated use double-sided velcro tape to attach the board to the cap.

Final Notes

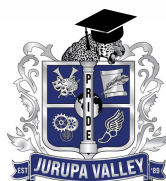

As a support, **students may have their caps/drafts reviewed** in the Office of Athletics and Activities (before school, lunch, and after school) and during Senior Activities (BBQ, Cement Signing, Rehearsal).

Final review and approval will be conducted prior to entering the gym before graduation.

Administration will reserve the right to disallow any items that are not considered appropriate for the commencement ceremony.

Failure to follow the guidelines will result in confiscation of the cap prior to the ceremony. A plain replacement cap will be provided in return.

Decoration of your graduation cap is not required.

Pautas de graduacion: Adornos para Gorras

¡Felicitaciones a la Clase de 2024! Este año, JVHS apoyará la decoración de gorras para la ceremonia de graduación. Queremos que esta experiencia para nuestros graduados sea un evento positivo y de celebración de la autoexpresión. Alentamos a los graduados a ser creativos mientras decoran su gorra mientras se adhieren estrictamente a todas las pautas.

Pautas:

Los graduados no pueden decorar su bata de graduacion. Solo se puede decorar el gorro de graduación.

Solo se puede decorar la parte superior plana de la gorra emitida por JVHS/Jostens. No se permiten adornos en 3D que **puedan obstruir la visualización** y las decoraciones no pueden extenderse más allá del borde de la gorra.

Las decoraciones no deben interferir con la fijación de la borla al botón en la parte superior de la gorra y las decoraciones no pueden colgar de los lados de la gorra.

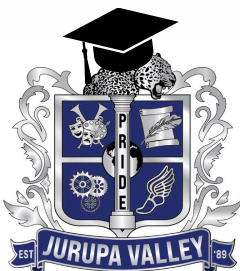

Las gorras deben cumplir con el Código de Conducta Estudiantil de JVHS. No se permiten anuncios, símbolos, palabras o eslóganes que transmitan mensajes que puedan considerarse inapropiados.

Se prohíbe cualquier decoración que denote una afiliación con pandillas, drogas, violencia, actividad ilegal o comportamiento disruptivo. Las gorras no deben amenazar la seguridad de los demás ni incluir discursos de odio de ningún tipo. Se prohíbe el lenguaje obsceno, profano o vulgar. Las gorras no pueden incluir números que no sean el año de graduación (a menos que se apruebe).

La gorra no debe de hacer ruido. No campanas, cuernos o matracas de ningún tipo. Además, la gorra no puede tener luces, luces parpadeantes, láseres o partes móviles; nada con pilas. El uso de cinta adhesiva como decoración principal no es permitido.

No apodos (a menos que esté aprobado). No nombres de novio/novia.

Como opción, JVHS proporcionará a los graduados una variedad de materiales que pueden usar para decorar sus gorras. Estos materiales estarán disponibles la semana de actividades para los graduados (20 de mayo al 24 de mayo).

Pautas de graduación: Adornos para gorras

Sugerencias

- Agradezca a un padre, abuelo, miembro de la familia, maestro y/o amigo
- Reconocer el colegio/universidad que asistira
- Reconocer la rama militar a la que se unira.
- Reconoce la bandera de su país de origen
- Reconocer sus actividades en la escuela secundaria (por ejemplo, deportes, clubes, organizaciones)
- Reconocer el año de graduación
- Resaltar una cita inspiradora

Le sugerimos encarecidamente que rastree su gorra en cartón y decore el cartón. En caso de que te equivoques puedes empezar con un nuevo trozo de cartón. JVHS no reemplazará las gorras que se dañen durante la decoración. Una vez que el cartón esté decorado, use cinta de velcro de doble cara para unir el tablero a la gorra.

Notas finales

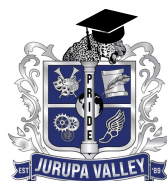

Como apoyo, los estudiantes pueden tener sus gorras revisados en la Oficina de Atletismo y Actividades (antes de la escuela, almuerzo y después de la escuela) y durante las actividades para los graduados (BBQ, firma de cemento, ensayo).

La revisión final y la aprobación se llevarán a cabo antes de ingresar al gimnasio antes de la ceremonia de graduación.

La administración se reservará el derecho de rechazar cualquier artículo que no se considere apropiado para la ceremonia de graduación.

Falta de seguimiento de las pautas resultará en la confiscación de la gorra antes de la ceremonia. A cambio, se proporcionará una gorra de repuesto simple.

No se requiere la decoración de su gorra de graduación.
