March 13, 2020

In an effort to protect our community and do our part in preventing the spread of COVID-19, District officials, CSEA-Jurupa, and NEA-Jurupa have collaboratively been working together to develop a plan to ensure the safety and security of all students, staff, families, and the community at large during this unique and challenging time. Therefore, we have made the decision to close all JUSD schools effective Monday, March 16, 2020, through April 3, 2020.

We urge you to continue to follow all established CDC recommendations that limit further spread of the virus. Our planning has been made in coordination with local, county, and state agencies. The District is prepared to follow any subsequent guidance from the state. More information will be forthcoming. Regular communications will be made on the district website at [jurupausd.org](http://jurupausd.org).
