

Innovation Fair

09 - Engineering: Electrical & Mechanical

Third Place

Adrian Hernandez	SEF-EE-088	Outlet lock	Jurupa Valley High School
Nathan Martinez	SEF-EE-088	Outlet lock	Jurupa Valley High School
Andrew Padilla	SEF-EE-088	Outlet lock	Jurupa Valley High School

Second Place

Javier Sanchez	SEF-EE-037	Slap-on Bracelet	Jurupa Valley High School
Matthew Sanchez	SEF-EE-037	Slap-on Bracelet	Jurupa Valley High School
Gabrielle Sosa	SEF-EE-037	Slap-on Bracelet	Jurupa Valley High School

First Place

Travis Drummond	SEF-EE-033	Toaster alarm clock	Jurupa Valley High School
Ivan Giron	SEF-EE-033	Toaster alarm clock	Jurupa Valley High School
Isaac Gonzalez	SEF-EE-033	Toaster alarm clock	Jurupa Valley High School

Innovation Fair

10 - Engineering: Energy & Transport

Second Place

Jose Macias	SEF-EN-079	housing on the water	Jurupa Middle School
-------------	------------	----------------------	----------------------

First Place

Miguelangel Cardona	SEF-EN-059	Solar Car	Mira Loma Middle
Andrew Davis	SEF-EN-059	Solar Car	Mira Loma Middle
Ricardo Lopez	SEF-EN-059	Solar Car	Mira Loma Middle

Innovation Fair

11 - Engineering: Materials & Bioengineering

Third Place

Sofia Villalobos	SEF-EM-050	Saving Whales with Silent wind turbines	Mira Loma Middle
------------------	------------	---	------------------

Second Place

Jazmine Polio	SEF-EM-058	bag handle's project	Jurupa Valley High School
Kassandra Valle	SEF-EM-058	bag handle's project	Jurupa Valley High School
Destiny Vieyra	SEF-EM-058	bag handle's project	Jurupa Valley High School

First Place

Angel Munoz	SEF-EM-077	Investigating the Efficiency of a Water Turbine in Harnessing Hydropower for Renewable Energy Generation.	Mission Middle school
-------------	------------	--	-----------------------

Innovation Fair

12 - Environmental Science & Management

Second Place

Rebecca Allbee	SEF-EV-069	The Collector	Jurupa Middle School
Reagan Robertson	SEF-EV-069	The Collector	Jurupa Middle School

First Place

Alyssa Esparza	SEF-EV-070	What are the levels of contaminants in our water?	Mission Middle school
----------------	------------	---	-----------------------

Innovation Fair

13 - Health & Medical Services

First Place

Azucena Munoz	SEF-HM-086	PlushBack	Jurupa Valley High School
Reanna Ortega	SEF-HM-086	PlushBack	Jurupa Valley High School

Innovation Fair

15 - Microbiology

First Place

angel camarena	SEF-MI-084	mold	Mission Middle school
----------------	------------	------	-----------------------

Innovation Fair

16 - Physics and Astronomy

First Place

Roman Morales	SEF-PA-031	Marble Drop	Mission Middle school
Jayden Sanchez	SEF-PA-031	Marble Drop	Mission Middle school

Innovation Fair

17- Plant Sciences

First Place

Christian Cerpa	SEF-PS-072	What fruit rots faster, Watermelon or Grapes, And what Environment will Cause it to rot the fastest	Mission Middle school
Carter Scott	SEF-PS-072	What fruit rots faster, Watermelon or Grapes, And what Environment will Cause it to rot the fastest	Mission Middle school
Bryson Vellalos	SEF-PS-072	What fruit rots faster, Watermelon or Grapes, And what Environment will Cause it to rot the fastest	Mission Middle school

Innovation Fair

18 - Robotics and Intelligent Machines

First Place

Diego Cardona	SEF-RI-085	Robotic Prosthetic Hand	Jurupa Valley High School
Luke Nogues	SEF-RI-085	Robotic Prosthetic Hand	Jurupa Valley High School
