

## Jurupa Unified School District Science Fair

### 03 - Biochemistry

#### First Place

---

Ruby De Dios	SEF-BI-016	DNA Extraction and Fingerprint Analysis - Ruby De Dios and Veronica Valencia	Jurupa Middle School
Veronica Valencia	SEF-BI-016	DNA Extraction and Fingerprint Analysis - Ruby De Dios and Veronica Valencia	Jurupa Middle School

## Jurupa Unified School District Science Fair

### 05 - Chemistry

#### First Place

---

Genesis Avila	SEF-CH-033	How acidic is our drinking water?	Mira Loma Middle
Jacob Avila	SEF-CH-033	How acidic is our drinking water?	Mira Loma Middle
Juanita Camargo	SEF-CH-033	How acidic is our drinking water?	Mira Loma Middle

## Jurupa Unified School District Science Fair

### 09 - Engineering: Electrical & Mechanical

#### Third Place

---

Angel Munoz	SEF-EE-009	How does a Capacitor Work?	Mission Middle school
Jessica Rodriguez	SEF-EE-010	Lipstick Switch	Jurupa Middle School
Valeria Sandate Ortega	SEF-EE-010	Lipstick Switch	Jurupa Middle School

#### Second Place

---

Vincent Bello	SEF-EE-025	NokaBox	Jurupa Valley High School
Allen Vasquez	SEF-EE-025	NokaBox	Jurupa Valley High School
David Vazquez	SEF-EE-025	NokaBox	Jurupa Valley High School

#### First Place

---

David Acosta	SEF-EE-019	Riding in Style	Jurupa Valley High School
Trevor Bollin	SEF-EE-019	Riding in Style	Jurupa Valley High School
Evan Diaz	SEF-EE-019	Riding in Style	Jurupa Valley High School
Gabriel Espinoza	SEF-EE-019	Riding in Style	Jurupa Valley High School

## Jurupa Unified School District Science Fair

### 10 - Engineering: Energy & Transport

#### First Place

---

Niveen Sara	SEF-EN-005	Electrolysis of Water	Patriot High School
Matthew Shen	SEF-EN-005	Electrolysis of Water	Patriot High School

## Jurupa Unified School District Science Fair

### 11 - Engineering: Materials & Bioengineering

#### Second Place

---

Andrea Olivarez	SEF-EM-014	Artificial Heart Valve	Jurupa Middle School
Monse Ramirez-Castillo	SEF-EM-014	Artificial Heart Valve	Jurupa Middle School

#### First Place

---

James Baker	SEF-EM-007	Flood Resistant Homes	Jurupa Middle School
-------------	------------	-----------------------	----------------------

## Jurupa Unified School District Science Fair

### 12 - Environmental Science & Management

#### Second Place

---

Ismael Chaidez Felix	SEF-EV-015	Water Filter with Household Items	Jurupa Middle School
Diego Gutierrez	SEF-EV-015	Water Filter with Household Items	Jurupa Middle School
Jesus Zepeda Langarica	SEF-EV-015	Water Filter with Household Items	Jurupa Middle School

#### First Place

---

Ailynn Duarte	SEF-EV-017	OII Spills Prevention Project	Jurupa Middle School
Grecia Pena-Paz	SEF-EV-017	OII Spills Prevention Project	Jurupa Middle School
Michelle Rivera	SEF-EV-017	OII Spills Prevention Project	Jurupa Middle School

## Jurupa Unified School District Science Fair

### 13 - Health & Medical Services

#### Third Place

---

Daniel Zapien	SEF-HM-027	The Pulse Rush	Mission Middle school
---------------	------------	----------------	-----------------------

#### Second Place

---

Arlene Chavez	SEF-HM-008	Bling vs Bland	Mission Middle school
---------------	------------	----------------	-----------------------

Sonny Montejo	SEF-HM-008	Bling vs Bland	Mission Middle school
---------------	------------	----------------	-----------------------

Leilani Valdez	SEF-HM-008	Bling vs Bland	Mission Middle school
----------------	------------	----------------	-----------------------

#### First Place

---

Evelyn Flores	SEF-HM-003	Sock Inserts	Jurupa Middle School
---------------	------------	--------------	----------------------

Grace Gearhart	SEF-HM-003	Sock Inserts	Jurupa Middle School
----------------	------------	--------------	----------------------

## Jurupa Unified School District Science Fair

### 15 - Microbiology

#### First Place

---

Ivan Solis	SEF-MI-037	Which room has the most germs at Mira Loma Middle School?	Mira Loma Middle
------------	------------	-----------------------------------------------------------	------------------

## Jurupa Unified School District Science Fair

### 16 - Physics and Astronomy

#### Third Place

---

Isaac Lopez	SEF-PA-006	Speed of Light Through Colored Jello	Mission Middle school
-------------	------------	--------------------------------------	-----------------------

Liam Plascencia	SEF-PA-006	Speed of Light Through Colored Jello	Mission Middle school
-----------------	------------	--------------------------------------	-----------------------

#### Second Place

---

Jacob Laureano	SEF-PA-036	Investigating the Density and Buoyancy of Aluminum	Rubidoux High School
----------------	------------	----------------------------------------------------	----------------------

#### First Place

---

Krystal Avila	SEF-PA-020	Rubber Band Car	Mission Middle school
---------------	------------	-----------------	-----------------------

# Jurupa Unified School District Science Fair

## 17- Plant Sciences

### Second Place

---

Ayleen Medel	SEF-PS-038	Do Oranges Lose or Gain Vitamin C After Being Picked?	Mira Loma Middle
Dariana Zermeno	SEF-PS-038	Do Oranges Lose or Gain Vitamin C After Being Picked?	Mira Loma Middle

### First Place

---

Aminah Khan	SEF-PS-022	Compost & Fertilizer: Impact on Soil Quality & Plant Growth	Patriot High School
-------------	------------	-------------------------------------------------------------	---------------------
