COMMUNICATIONS SESSION

I. Recognition

- a. Recognize New Adopt-A-School Partnership Between Sunnyslope Elementary School and McDonald's Restaurant (Mrs. Twombly)

The District is pleased to recognize the formation of another Adopt-A-School partnership with the new McDonald's Restaurant on Valley Way. The McDonald's Restaurant is adopting Sunnyslope Elementary School. Manager Kathy Knerr has worked with Principal Gary Hale and staff member Kathy Resendez to determine several potential activities. These may include field trips to the business, providing incentives for student academic, behavioral, or attendance programs, and displaying seasonal art work.

The Board will recognize this new partnership through the presentation of a "Declaration of Adoption" certificate.

l. Recognition (Cont'd)

b. Recognize Annual Bus Driver's Day

(Mr. Edmunds)

The State Legislature has proclaimed the fourth Tuesday of each April as 'School Bus Driver's Recognition Day'. In recognition of the dedicated service provided by bus drivers, we have scheduled a breakfast to be served by our Food Services Department for the bus drivers at 9:15 a.m. on April 23, 1991, at the Transportation Department. Board members are invited to join us at this event honoring the special contributions of our bus drivers.

c. Recognize Winners in 1991 County History Day

(Mrs. Twombly)

On January 23, 1991, the Jurupa Unified School District conducted its first districtwide History Day competition. Over 54 students from four schools in the district participated in the event. Thirty-five of these students went on to compete in the County History Day competition held on March 9, 1991 at Riverside Community College.

The Jurupa Unified School District was well represented at this competition, and had seven entries that received awards. Districts from throughout Riverside County entered a total of 143 projects.

The District is pleased to recognize the following students for their outstanding performance in the 1991 County History Day competition.

Four projects received third place awards in their respective divisions and entry categories. The District is pleased to recognize the following students for their third place awards:

- Jeany Zhao, an eighth grade student from Jurupa Middle School, received a third place award for her historical paper titled "The Holocaust" entered in the junior division.
- Kristina Ladwig, Sarah Morgando and Marisha Hagans, eighth graders at Jurupa Middle School, received a third place award for their group project titled "Were the Cherokee Indians Moved Unjustly From Their Land?"
- James Cook, a ninth grade student at Jurupa Valley High School, received a third place award for his project "History Repeats Itself? The Israeli-Arab Conflict Compared to the German-Jewish Conflict" entered in the senior individual projects division.
- Tracy Smith, Linh Tram, and Michelle Powell, tenth graders at Jurupa Valley High School, received a third place award for their group project, "The Holocaust: Genocide of the Jews."

Students receiving a second place award in any category and division are eligible to compete in the statewide competition. The District had two students who received second place awards. They were:

- Beth Meyers, a seventh grader at Jurupa Middle School, received a second place award for her individual performance entitled "Rights of Religion versus Mormon Persecution" in the junior division. She was also eligible to enter the state competition.

1. Recognition

c. Recognize Winners in 1991 County History Day (Cont'd)

- Herb Singh, a senior at Rubidoux High School, received a second place award for his historical paper titled "Selections from John C. Calhoun's Diary" which competed in the senior division. As a second place winner, Herb's entry was eligible to enter the state competition.

The County Office of Education is sponsoring all first place winners in the state History Day competition in Sacramento on May 4-6, 1991.

The Jurupa Unified School District is very pleased to recognize the achievement of our first place winner, Yen Tram. Yen is an eleventh grade student at Jurupa Valley High School. Her entry, "Executive Order 9066 (The Japanese/American Internment)" received a first place award in the senior individual projects category.

2. Administrative Reports and Written Communications

a. Accept Donations for Schools (Mr. Edmunds)

All donations are given to Jurupa Unified School District with the request the money or item be used at the designated school.

The Ina Arbuckle Elementary School PTA wishes to donate \$400 with the request it be used for consultant services of John Archambault.

The Indian Hills Elementary School PTA wishes to donate \$1,000 for instructional supplies and \$1,000 for the school's share of the RIF Project money.

Vons Companies wishes to donate an Apple IIE color computer system complete with printer and 14 software programs valued at approximately \$2,100 earned in a recent store advertising campaign to be used at Indian Hills Elementary School.

Administration recommends acceptance of these donations with letters of appreciation to be sent.

b. Other Communications/Reports (Dr. Wilson)

3. Report of Student Representatives

The Board welcomes Ammie Wert, Jurupa Valley High School Student Representative, and Michelle Smith, Rubidoux High School Student Representative. They may wish to address the Board regarding student achievements, interests, or other matters.

4. Public Verbal Comments

This communication opportunity is included on the agenda of each regular Board meeting so citizens can make suggestions or identify concerns about matters affecting the school district, or request an item on a future agenda. California law states that there shall be no action on items not shown on the published Board Agenda.

Public Verbal Comments (Cont'd)

The Board President will call on speakers who have completed cards requesting to be heard. Comments should be limited to five minutes. The Board may not have complete information available to answer questions and may refer specific concerns to the staff for appropriate attention.

Board Member Reports and Comments

Individual Board members may wish to share information about topics not on the agenda, report on committee activities or request items on a future agenda.

HEARING SESSION

(Mr. Campbell)

Public Hearing on Proposed Waiver Request

As required by law, the Board should hold a public hearing on the proposal that a waiver of Education Code Section 44252(b) be requested of the California State Board of Education. This code section provides that prior to serving as a day-to-day substitute teacher, an individual must have passed the California Basic Educational Skills Test (CBEST), the same test that is given to fully credentialed regular teachers.

Currently, the district is facing a shortage of substitute teachers which could lead to an inability to provide substitute coverage for teachers who are absent because of illness, personal necessity, jury duty, etc. The waiver requested only applies to those who have not yet had the opportunity to take the CBEST. The term of the waiver expires on an individual basis after scoring of each regular administration of CBEST has occurred. In April of 1989 the Board approved a request for a similar waiver which will soon expire. President Ruane should open and close the public hearing on the proposal to submit a waiver request.

A. Approve Minutes of the March 18, 1991 Regular Meeting

Recommend approval as printed.

B. Hear Report on Competitive Restructuring Grants

(Mrs. Roberts)

Senate Bill 1274, recently signed by the Governor, establishes a "Demonstration of Restructuring in Public Education" program. The intent of the legislation, authored by Senator Gary Hart and sponsored by the California Business Roundtable is to provide support for local schools in restructuring in order to increase student learning and success. This legislation envisions a five year effort with the initial year being devoted to planning a school site restructuring demonstration program which will take place during the ensuing four-year time span. According to its sponsors,

"At the heart of this legislation is a belief that we need to engage all students in powerful learning experiences, that all students deserve a rich thinking curriculum which empowers them to become life-long learners. All students, regardless of race, ethnic, linguistic or socio-economic background, need to learn to think critically, solve problems individually, or as part of a team, analyze and interpret new information, develop convincing arguments, and apply their knowledge to new situations."

Hear Report on Competitive Restructuring Grants (Cont'd)

Schools interested in applying for these grants are urged to consider a model which begins with **"selecting the criteria for student success"**, followed by **"planning the curriculum to fit into the structure"**, and lastly, **"setting up the organizational structure"** to accommodate the first two concerns.

The model developed to respond to this legislation involves two levels of participation, neither is mandatory. The first level of participation involves applying for a planning grant in which the school describes its "plan to plan," and the district describes the support that it will provide to the school in carrying out its plan to plan. The second level involves applying for a demonstration grant to conduct a "demonstration of school restructuring." The appropriation for the first phase would give \$30 per pupil to each school receiving a planning grant. Currently there is no appropriation for the second level; however, if this level is approved, a school would be eligible to receive \$200 per pupil for four years in order to implement its approved restructuring plan. This phase requires joint agreement by the Governing Board and the collective bargaining representative of the certificated employees.

During February and March, representatives of school districts attended informational workshops designed to assist them in developing task lists and timelines for completing a grant proposal. Planning grant proposals are due in Sacramento on April 19th. Successful proposals will be funded in June, 1991. During the planning year, school sites and districts will explore ideas relative to restructuring, and write a demonstration grant proposal drawing upon the ideas developed during the planning year.

Board members will recall that this is not the first time that the state has provided incentives for school reform. During the last thirty years, several pieces of reform legislation have provided financial incentives to schools and districts to change conditions in the schools to improve student achievement. The 60's and 70's were characterized by reforms calling for greater attention to equity and access; bilingual education, school desegregation, special education and early childhood education programs all essentially were concerned with equity or access issues. During the 1980's, the focus shifted to "excellence issues." Reformers became concerned about identifying the characteristics of "effective schools." Some of these prescriptions were found in the most influential school reform legislation of the 1980's, Senate Bill 813. According to the authors of this new reform legislation, school restructuring is generally characterized by the following:

1. Focusing on improving student learning as the end goal, not on process.
2. Developing a rich conception of learning and teaching.
3. Engaging all students in a "thinking curriculum" - one which is rich in problem solving, critical thinking and analysis, and enables them to become life-long learners.
4. Shifting to a performance-based system of accountability.
5. Re-thinking the structure of schools - - organizing according to the needs of students and how they actually learn.
6. Re-designing district infrastructures and services to school efforts.
7. Sharing decision-making authority.
8. Revising governance and management procedures.
9. Increasing meaningful participation of parents and the community.

3. Hear Report on Competitive Restructuring Grants (Cont'd)

This list contains a number of assumptions about the possibilities of a restructuring grant to fundamentally alter the way in which schools should operate in order to improve student achievement. Nonetheless, several schools have indicated an interest in pursuing planning grant funds. At agenda preparation time, we were unsure of the exact number. However, it is our intent to present the plans of schools wishing to apply for SB 1274 Planning Grant funds to the Board at the April 15th meeting. Information only.

2. Approve Application for Year-School Implementation Planning Grant

(Mrs. Roberts)

At the December 4, 1989 Board meeting the Board took the following action:

MR. CHAVEZ MOVED THE BOARD TAKE ACTION REGARDING ITS PRESENT INTENT TO COMPLETE A STUDY TO IMPLEMENT A YEAR-ROUND MULTITRACK EDUCATIONAL PROGRAM AT THE ELEMENTARY SCHOOL LEVEL IN WHICH AT LEAST 30 PERCENT OF THE ELEMENTARY STUDENTS PARTICIPATE NO LATER THAN JULY 1, 1992. MR. BARNES SECONDED THE MOTION WHICH CARRIED UNANIMOUSLY.

Administration has prepared an application to receive \$25 per pupil in 1991/92 for implementation of multitrack year-round education beginning in July, 1992. Should this study determine that it is feasible, this would preserve the district's option to receive this money which could help defray the cost of implementing year-round education should that occur.

In order for a district to qualify for these funds, it must demonstrate that schools are at least 5% above capacity. This calculation is completed by excluding all rental and leased facilities. Using this formula districtwide, our schools are 14.1% above capacity.

The State apparently has the horse before the cart. We are required to submit an application identifying the year-round schools in order to obtain the implementation planning grant monies. However, that is precisely one of the questions to be answered during the planning time, i.e., which schools would most probably be year-round. An application has been prepared for the following schools: Indian Hills, Mission Bell, Troth Street and West Riverside, the four largest schools. State consultants have assured administration that there is flexibility to change the schools currently designated for these implementation grants if conditions change in the school district.

Administration recommends that the Board approve submittal of the application to apply for "Implementation Grant" funds to plan for multitrack year-round education programs in 1991/92.

D. Adopt Resolution #91/34 in Support of Legislation Codifying the Mira Decision

(Mr. Edmunds)

The 1988 court decision in the case of Mira Development Corporation versus City of San Diego set a precedent for cities and counties to deny zone changes, general plan amendments, and specific plans until the impact of a proposed project with respect to school facilities is mitigated. This decision is significant from the standpoint of financing school facilities, because it allows mitigation over and above the statutory fee of \$1.58 per square foot of new residential construction.

1. Adopt Resolution #91/34 in Support of Legislation Codifying the Mira Decision (Cont'd)

Locally, Riverside County Counsel has not upheld this interpretation of the Mira Decision and, therefore, the County Planning Department does not have the authority to require developers to fully mitigate school impacts when their projects involve zoning changes or general plan amendments. In addition, AB 80 has been introduced in the 1990/91 Legislative Session as an attempt to repeal the Mira Decision.

As our community continues to grow, a significant number of zoning changes and general plan amendments are taking place which will result in increased population and greater school enrollment than has been anticipated in our current facility planning efforts. Therefore, any legislation which is supportive of the concepts in the Mira Decision would be very beneficial to the District. Therefore, administration recommends the Board adopt Resolution #91/34 in Support of Legislation Codifying The Mira Decision.

2. Review and Act on Timely School Facility Matters (Dr. Wilson)

Hear and/or Approve School Facility Matters

Due to frequent changes taking place in facility improvement programs, items which require Board discussion or action may arise between agenda preparation and meeting times. Administration may provide such items as verbal information reports or recommendations for action.

3. Act on Student Discipline Matters (Mr. Anderson)

- 1. The Administrative Hearing Panel recommends the expulsion of the pupil in Discipline Case #91/46 for possessing a knife.
- 2. The Administrative Hearing Panel recommends the expulsion of the pupil in Discipline Case #91/47 for possessing a knife.
- 3. The Administrative Hearing Panel recommends the expulsion of the pupil in Discipline Case #91/48 for causing physical injury and using profanity.
- 4. The Administrative Hearing Panel recommends the admission of the pupil in Discipline Case #91/54 to the Jurupa Unified School District be denied.

4. Approve Personnel Report #18 (Mr. Campbell)

Administration recommends approval of Personnel Report #18 as printed subject to corrections and changes resulting from review in Closed Session.

5. Approve Routine Action Items by Consent

Administration recommends the Board approve Routine Action Items H 1-12 as printed.

- 1. Purchase Orders (Mrs. Reul)
- 2. Disbursement Orders (Mrs. Reul)

I. Approve Routine Action Items by Consent (Cont'd)

- * 3. Appropriation Transfers (Mrs. Reul)
- * 4. Agreements (Mr. Edmunds)
- * 5. Submission of Request for Waiver of Education Code Section 44242(b) (Mr. Campbell)
Explanation is provided in the Public Hearing notes, page 4.
- * 6. Adopt at Second Reading Proposed Policy and Regulation #1260, Parent Involvement (Mrs. Roberts)

New Policy and Regulation 1260, Parent Involvement, was approve at informational first reading at the March 18 Board meeting. As previously noted, at least fifty (50) research studies have documented parent involvement in a child's education as one of the key ingredients in school success. Last year the State Board of Education developed a policy on parent involvement in the schools and they are recommending that local district Boards of Education adopt a similar policy statement. In addition, Chapter 1 regulations require districts receiving these funds to implement parent involvement policies. Administration recommends the Board adopt at second reading proposed Policy and Regulation #1260, Parent Involvement.

- * 7. Adopt Resolution #91/34, Resolution for Expenditure of Excess Funds (Mrs. Reul)

Throughout the school year, the Business Office monitors and adjusts the District's various budgets with respect to both revenue and expenditures. As information about revenue increases or decreases becomes available, this information is accumulated and used to adjust the budget.

Such changes in revenue result from grant applications, increased funding, increased ADA, apportionment reductions, etc. The method by which the revenue side of the budget is adjusted is to adopt a Resolution for Expenditure of Excess Funds, by which action the Board approves adding revenue to the budget for various projects. Since the last Excess Resolution on March 18, 1991, the District has received revenue adjustments in the amount of \$255,820 as identified below.

General Fund - Fund 100

o ROTC funding	\$ 2,167
----------------	----------

Special Projects - Fund 101

o Federal Preschool - AB 2666	\$ 55,800
o Comprehensive Alcohol and Drug Prevention Education	12,000
o Mentor Teacher	(3,420)
	<u>\$ 64,380</u>

Special Education - Fund 102

o Maximized Funding Entitlement (1989-90)	\$ 22,824
o Program Specialist	16,870
	<u>\$ 39,694</u>

I. Approve Routine Action Items by Consent

7. Adopt Resolution #91/34, Resolution for Expenditure of Excess Funds (Cont'd)

Lottery - Fund 106

o Lottery \$ (214,530)

Supplemental Grant - Fund 112

o Supplemental Grant \$ 365,554

State Preschool - Fund 700

o State Preschool \$ (1,445)

TOTAL \$ 255,820

The amounts listed above for Special Projects and State Preschool are for special purpose grants and are restricted in their use; expenditure budgets have been developed. Because of reduced revenue, it is necessary to transfer some expenditures from the Lottery Fund to the General Fund (\$218,366). This additional expense will be offset somewhat by the transfer of allowable expenditures to the Supplemental Grant Fund (\$134,379).

Administration recommends that the Board adopt Resolution #91/34, Resolution for Expenditure of Excess Funds.

8. Rejection of Claim (Mr. Edmunds)

On March 8, 1991, the district received a claim from the parents of Nathan Ellington for alleged injuries their son sustained in a fight at Jurupa Middle School. Administration recommends rejection of the claim with appropriate notice to the district insurance carrier. (A copy of the claim is available for Board review.)

9. Rejection of Claim (Mr. Edmunds)

On March 19, 1991, the district received a claim in the case of Minnie Hemphill for alleged injuries sustained by slipping on a sidewalk in front of Ina Arbuckle Elementary School. Administration recommends rejection of the claim with appropriate notice to the district insurance carrier. (A copy of the claim is available for Board review.)

10. Non-Routine Field Trip for Rubidoux High School ROTC (Mr. Huckaby)

The JROTC unit of Rubidoux High School is requesting permission to participate in the 4th Annual Southern California Drill and Color Guard Competition. The meet will be held at the United States Marine Corps Recruit Depot (MCRD) in Santee, California on April 19-21, 1991.

Approve Routine Action Items by Consent

10. Non-Routine Field Trip for Rubidoux High School ROTC (Cont'd)

Students (27) will be supervised by seven adults. Parents, students and instructors will stay in the dormitories at MCRD at no cost. Meals will be purchased at the military dining facility. Transportation will be provided by private vehicles. No student will be denied the opportunity to participate in this activity due to lack of personal funds.

In addition to competing in this invitational drill meet, students will have the opportunity to experience military living and dining firsthand.

Administration recommends that the Board approve this non-routine field trip for the ROTC unit at Rubidoux High School to participate in the 4th Annual Southern California Drill and Color Guard Competition in Santee, California on April 19-21, 1991.

11. Non-Routine Field Trip Request for Student at Jurupa Valley High School
(Mrs. Twombly)

The Jurupa Unified School District has a student from Jurupa Valley High School who was a first-place winner in the Riverside County History Day competition. Yen Tram, a senior, is now eligible to compete in State History Day in Sacramento on May 4-6, 1991. Her expenses are being paid for by the Riverside County Office of Education.

The District is requesting approval for Yen Tram's participation in this event and the provision of a chaperone for the trip to Sacramento. The District will be sending teacher Deb Bennett as a chaperone. Expenses are approximately \$750.

Administration recommends the approval of this non-routine field trip for the District's participation in State History Day.

12. Out of State Conference to International Reading Association Convention
(Mr. Taylor)

Mary Harris, classroom teacher at Ina Arbuckle Elementary School, requests permission to attend the International Reading Association Convention in Las Vegas, Nevada, on May 5-7, 1991. She is a member of the organization, and has attended this convention in past years.

Mary will pay her own expenses (travel and lodging). The School Improvement Program will pay her registration and two days of substitute costs. There will be no impact on the general fund budget.

Administration recommends the Board approve the out of state conference for Mary Harris, teacher at Ina Arbuckle Elementary School, to attend the International Reading Association Convention to be held in Las Vegas, Nevada on May 5-7, 1991.

Review Routine Information Reports

1. Report on Annual Language Census

(Mrs. Roberts)

All school districts in California are required to conduct an annual language census. This census must include an accounting of all students with a home language other than English and a count of all pupils redesignated since the last census. Students are reported as either limited English proficient, LEP or fluent English proficient, FEP. In order to be classified as either LEP or FEP, students are identified by their parents as having a home language other than English and must be given a test to determine their oral proficiency in English. In the case of Spanish speaking students, a test of oral Spanish proficiency is also administered. In addition, the language classification for students in grades 3-8 is determined by an analysis of their performance on standardized achievement tests in reading, language and mathematics.

The 1991 language census indicates that there are 1,742 students who are limited English proficient. Last year, the district reported 1,376 LEP students. Since the last census, 84 LEP students have been redesignated as FEP. This process involves the same testing requirements as initial designation and also must involve reports from classroom teachers. The majority of the LEP population continues to be Spanish speakers. While approximately 33 other languages are reported in the census, only one-third of these languages are represented in the remaining LEP population. The majority of these pupils speak Asian languages such as Madarin, Cantonese, Vietnamese, Lao, Cambodian and Korean.

The supporting documents contain a chart showing the number of LEP students at each school. K-6 LEP students who are Spanish dominant are enrolled in bilingual classes when there are sufficient numbers at a given grade to make this a feasible option. Other students, K-12, are given instructional support services outlined in an Individual Learning Plan (ILP). All students must receive, at minimum, regular English as a Second Language instruction to support them in becoming fluent English proficient. Schools with more than 100 LEP students include: Mission Bell (101), Ina Arbuckle (155), Mission Middle School (172), West Riverside (226), Troth Street (115), Sunnyslope (119), Rustic Lane (135) and Rubidoux High School (208). COMMUNICATIONS SESSION

WELCOME FROM
PRINCIPAL OF
RUSTIC LANE
SCHOOL

The Assistant Superintendent Education Services introduced Walt Lancaster, principal of the newly modernized Rustic Lane Elementary School. She noted that Mr. Lancaster was recently honored as Jurupa's Principal of the Year. This evening he planned to comment on the general instructional program and progress of a "school within a school" program.

Mr. Lancaster welcomed everyone to the renovated Rustic Lane School which has given a new image to the community and a high personal value to students, staff members, and parents. He noted a variety of activities were in progress such as the third session of D.A.T.E. classes serving 192 students; Student-of-the-Month Assemblies; Attendance Incentive Program which recently rewarded 90 students with perfect attendance for first semester to a pizza party; and District Academic Olympics in which Rustic Lane was one of the winners in the preliminary rounds.

WELCOME FROM
PRINCIPAL OF
RUSTIC LANE
SCHOOL
(Cont'd)

Other activities in progress at Rustic Lane School were: Here's Looking at You 2000 in grades 1-6; portfolios in language arts and mathematics; training in the computer room; newsletters and calendars to parents; intramural sports program during recess coordinated by volunteer teachers; and preparation for the history/social science framework.

Mr. Lancaster stated that a major resource is to Rustic Lane School the school nurse who serves as the community liaison. He also noted that vandalism and graffiti have decreased significantly because of improved lighting on campus from Southern California Edison Company.

Mr. Lancaster stated that the "School Within a School" (SWAS) program was established for students with a need to increase attendance and improve self-worth. There is consistency in the classroom with the same teacher creating a family atmosphere and encouraging growth in academics and social skills. Parents of children in the program make a commitment to support the program.

Mr. Lancaster introduced teachers Kelly Sperry and Carol Smith and parent Carol Cowan to give a presentation on the "School Within a School" program. He indicated the program was implemented one and a half years ago and places students in the same classroom for a three-year period. The students are grouped at grades 1-3 and 4-6 and receive ongoing instruction from the same teacher. Mrs. Sperry and Mrs. Smith explained some of the teaching strategies and exposure to multi-grade curriculum. Mrs. Cowan commented on the benefits her children have received from the program and the importance of parent involvement. She also praised Mrs. Sperry and Mrs. Smith for their commitment to the School Within a School program.

Mr. Lancaster distributed 1990 CTBS test results for students in SWAS. Students did quite well when compared to the school as a whole and he was pleased with their progress and the teachers that participated in the program. President Ruane expressed appreciation for the opportunity to visit the newly modernized Rustic Lane School and hear enthusiastic, informative reports about the education program.

DEFER ITEM 1-b
ADOPT-A-SCHOOL
PARTNERSHIP

Recognition of the new adopt-a-school partnership between Sunnyslope Elementary School and McDonald's Restaurant was deferred to the April 1, 1991 Board meeting.

RECOGNIZE
PUBLIC SCHOOLS
WEEK

Mrs. Twombly, Public Information Officer, invited everyone to visit district schools during Public Schools Week, April 1-5, 1991. The purpose of this week long event is to provide an opportunity for parents and community members to observe a variety of special activities in Jurupa Schools. President Ruane encouraged participation in Public Schools Week and noted that a list of activities is available at the District Office.

PROCLAIM
EARTHQUAKE
PREPAREDNESS
MONTH
-Motion #189

The Director of Secondary Education Services stated the Governor has proclaimed April as California Earthquake Preparedness Month. Some materials will be disseminated at each school for parents' review. On Tuesday, April 2, at 10:10 a.m. there will be a statewide "Duck, Cover, and Hold Drill."

MR. CHAVEZ MOVED THE BOARD SUPPORT GOVERNOR WILSON'S "BEAT THE QUAKE" CAMPAIGN BY PROCLAIMING APRIL AS EARTHQUAKE PREPAREDNESS MONTH FOR THE JURUPA UNIFIED SCHOOL DISTRICT. MRS. BURNS SECONDED THE MOTION WHICH CARRIED UNANIMOUSLY.

ACCEPT
DONATIONS
-Motion #190

The Assistant Superintendent Business Services welcomed faculty and students of Jurupa Middle School and commended the significant purchase of an audio system. ASB Advisor Sherry Zelenka introduced president, Mercedes Acosta, and other members of the student government class. Ms. Acosta stated that money for the audio system was raised over several years through successful fundraisers and ASB students were proud to make this presentation. The Assistant Superintendent reviewed five other significant donations to the school district.

PRESIDENT RUANE MOVED THE BOARD ACCEPT THE FOLLOWING DONATIONS WITH LETTERS OF APPRECIATION TO BE SENT: AUDIO SYSTEM VALUED AT \$9,700.58 FROM ASSOCIATED STUDENT BODY OF JURUPA MIDDLE SCHOOL; 40 FOOT CARGO CONTAINER WITH ACCESSORIES VALUED AT \$5,271.75 FROM CAMINO REAL ELEMENTARY SCHOOL PTA; CHILDREN'S BOOKS VALUED AT \$640.00 FROM DAVID SIEGRIST, RESOURCE TEACHER AT RUSTIC LANE ELEMENTARY SCHOOL; \$30.00 FROM HOLLY GUNNETT OF THE FINANCIAL CLINIC TO PROVIDE BUS TRANSPORTATION FOR SKY COUNTRY ELEMENTARY SCHOOL STUDENTS IN MS. MORROW AND MS. SHAW'S CLASSROOMS TO JURUPA COMMUNITY RODEO ON JUNE 7, 1991; \$2,000.00 FROM SUNNYSLOPE ELEMENTARY SCHOOL PTA FOR FIELD TRIPS, STUDENT INCENTIVES, AND HEALTH/WELFARE SUPPLIES FOR STUDENTS; \$1,500.00 FROM INNERCITY CRIME PREVENTION GROUP, INC., OWNED BY MR. AND MRS. ANTHONY, TO PURCHASE A MAC INTOSH COMPUTER AND A PLEDGE UP TO \$450 FOR A TEACHER TO TRAIN STUDENTS AT VAN BUREN ELEMENTARY SCHOOL. MR. MEDINA SECONDED THE MOTION WHICH CARRIED UNANIMOUSLY.

REPORT FROM
RUBIDOUX
STUDENT
REPRESENTATIVE .

Michelle Smith, Rubidoux High School student representative, made the following announcements:

Over 600 students received academic achievement awards at the assembly on March 15. Recognition was given to students who had the most improvement and the highest grade point averages. Representatives from IBM, Jostens, and Pepsi Cola, who sponsor school activities, presented trophies to three students in the following areas: 1) Highest GPA increase, 3.18 points; 2) Highest GPA, 4.5; 3) Scholar athlete's highest GPA, 4.4. Some students also received academic letters.

The following local businesses serve as sponsors of Rubidoux High School: Sizzler Restaurant, Taco Bell, McDonalds, Jurupa Hills Country Club, Shell Gas Station, IBM, and Round Table Pizza. IBM recently donated \$1,055 for the Renaissance Fair.

JURUPA VALLEY
STUDENT
REPRESENTATIVE

Ammie Wert, Jurupa Valley High School student representative, made the following announcements:

Battle of Sexes was topped off with a rally.

County History Day had many participants. Eleventh grade student received first place and will compete in the state competition; three tenth grade students received third place for their group project; and a ninth grade student received third place.

Future events are: Spring recess April 8-12; Sadies Under the Sea March 22; Prom at Red Lion Inn, in Ontario, May 10.

The FNL (Friday Night Live), was established by students with assistance from administrators and counselors for the purpose of keeping students off drugs. An all night event on campus is being planned.

PUBLIC VERBAL
COMMENTS

President Ruane noted that the Public Verbal Comments section was an opportunity for citizens to address the Board. She asked that comments be limited to five minutes.

COMMENTS ON
ELEMENTARY
MUSIC PROGRAM

Steve Shumaker, Rubidoux band student, said that being a part of the band unit gives students a natural high and keeps them too busy to do drugs. He also pointed out that not all students can be football or basketball players. Band is his life and he did not want it taken away.

Marty Shumaker, mother of five children who participate in the instrumental band program, recognized the importance of music in the schools. Music at the elementary level prepares students for the transition to middle school and high school. Eliminating the elementary program will diminish the number of students who participate at the secondary level. During the first half of this school year, Rubidoux's Delta Alliance Corp performed in at least 19 parades and field shows. The band won 12 first places and 14 sweepstake awards, and ranks 7th in Southern California out of 24 bands that participate. Without the elementary program, this kind of recognition would be unattainable. She noted that students involved in music seem to have higher test scores.

Mrs. Shumaker presented a petition with close to 500 signatures of parents and students interested in maintaining the elementary band program. She said an unpopular suggestion would be to close Jurupa Valley High School on a temporary basis for a couple of years and bring those students back to Rubidoux High School until the budget crunch is over. This would save several million dollars and all programs could continue. Mrs. Shumaker concluded by reading a statement in the petition requesting that no action be taken to cut any programs that affect the well-rounded education of our children.

COMMENTS ON
PROPOSED BUDGET

Sara Lampe, parent, referred to an article in the Press-Enterprise which indicated the school district was considering year-round school. She asked if the \$86,000 for a feasibility study was in the proposed budget. Mr. Medina explained that the Board is considering the submittal of an application to the State for an implementation grant to cover the cost of the study.

COMMENTS ON
PROPOSED BUDGET
Cont'd)

Ms. Lampe asked if decisions made in closed session were being reported to the public. Mr. Chavez explained that whenever action is taken in closed session, it is reported in the minutes for that board meeting.

Chuck Dunn, community member and resource specialist at Jurupa Valley High School, expressed concern that the assistant principal at Rubidoux High School will be removed after 27 years of dedicated service.

RECESS

At 8:20 p.m. President Ruane called a brief recess. The Board reconvened in public session at 8:50 p.m.

BOARD MEMBER
REPORTS &
COMMENTS

- Board member Jose Medina expressed appreciation to principal Walt Lancaster, teachers and staff members of Rustic Lane School for an interesting tour and informative presentations.
- Board member David Barnes said he has been invited to classrooms to participate in discussions with children. This week he had the opportunity to discuss writing techniques with second grade students at Indian Hills School. Mr. Barnes also noted that the school was delighted to receive an Apple Computer system from Vons Companies which was earned by saving store receipts.
- Board member John Chavez reported that he attended the CSBA Finance Committee meeting in Sacramento where a number of proposed legislative bills were reviewed. The committee took a position against Whittle Communications Channel One because the State Superintendent has indicated a portion of funds could be withheld for showing commercials during instructional time.

Mr. Chavez also noted that the next meeting of the Riverside County School Boards Association (RCSBA) will be April 18 at Highland Springs.

- Board member Mary Burns acknowledged receipt of a colorful drawing from student in Room 13 at Rustic Lane School.

Mrs. Burns noted that about three years ago she addressed the Board as a good citizen requesting support for a recycling program. She was pleased with a pink flyer announcing that West Riverside Elementary School is participating in a "Recycling Day" at the Tri-Co Disposal Buy-Back Center on March 30. Appreciation was expressed to Jana Twombly, Public Information Officer, for coordinating the recycling effort.

- President Sandra Ruane thanked Walt Lancaster and members of Rustic Lane for inviting the Board to the school and presenting informative reports.

President Ruane attended Rubidoux FFA's fundraiser Friday evening and said it was a good start for next year.

President Ruane requested a report in a future agenda on the process for students earning sports and academic letters.

PUBLIC HEARING
ON WAIVER
REQUEST

The Assistant Superintendent Business Services stated that for the past nine years the district has received a waiver from the daily lunch requirement during summer school session from the State Department of Education. Summer school does not extend past noon. President Ruane opened and closed the public hearing without comments.

ACTION SESSION

APPROVE
MINUTES
-Motion #191

PRESIDENT RUANE MOVED THE BOARD APPROVE MINUTES OF THE MARCH 4, 1991 REGULAR MEETING AS PRINTED. MR. MEDINA SECONDED THE MOTION WHICH CARRIED UNANIMOUSLY.

REPORT ON
WHITTLE
COMMUNICATIONS
CHANNEL ONE

Dr. Ron Needham, Assistant Principal at Jurupa Valley High School, stated that he heard a presentation by Whittle Communications on Channel One twelve-minute newscasts offered to schools. There has been some controversy about the two minutes of commercial time included in the news broadcasts. The State Superintendent has indicated that portion of school district's funds could be in jeopardy if they participated in the program. He noted that Jurupa Valley has developed a schedule that would preserve the required number of instructional minutes.

Dr. Needham noted that the twelve-minute newscast was a high quality program and included free equipment. The Colton District board has adopted the program. Notre Dame High School has had the newscast for a year. Dr. Needham introduced Karen Leone of Whittle Communications to present a newscast from Channel One and answer questions on participation in the program.

Ms. Leone stated that the program consists of ten minutes of news and two minutes of commercials on a daily basis for secondary schools. It was developed two years ago to create citizenship and global awareness through educational television. Participating schools are provided with necessary video and satellite equipment for all classrooms, which can be used by teachers for other purposes such as announcements and hookup to computers. The commercials include teen related products and public service announcements. Ms. Leone noted that Channel One is being shown in 7600 schools nationwide.

Mr. Chavez expressed concerns that the State could withhold some funds from participating school districts, Whittle Communications would be showing commercials to a captive audience during a school day, and the material may not be appropriate viewing for all students. In reply to Mr. Chavez' concerns, Ms. Leone stated that funds would not be withdrawn if two-minute commercials were shown outside of curriculum time. The National School Boards Association has determined the use of Channel One should be a local decision. California has only two high schools on the program, but nationwide there are ninety-four. She showed a videotape aired in August which she felt was a good representation of the Channel One educational program.

REPORT ON
WHITTLE
COMMUNICATIONS
CHANNEL ONE
(Cont'd)

Mr. Barnes had some concern about putting a mandate on teachers that may not be a part of their curriculum program.

Mr. Medina said he favored students learning about current events from video materials, however teachers have other resources available to them that are free and may be of better quality. He felt that it could be an intrusion on some teachers to show the newscast every day if the materials were not relevant, and also unfair to expose students on a daily basis to commercials.

Ms. Leone stated that the program has been successful in other states but has faced some controversy in California which Whittle Communications is attempting to overcome. President Ruane thanked Ms. Leone for the opportunity to review a Channel One newscast. The Assistant Superintendent Education Services indicated the report was for information only and thanked the Board for hearing the presentation.

DEFER APPLICATION
FOR YEAR-ROUND
SCHOOL GRANT

The Assistant Superintendent Education Services stated that administration has prepared an application to apply for a year-round school implementation planning grant of \$83,950 from the State to complete a feasibility study on implementing multi-track year-round education programs by July, 1992. The district has identified four elementary schools (Indian Hills, Mission Bell, Troth Street and West Riverside) that may be most overcrowded in order to qualify for funding. However, the State has assured administration that changes in schools can be made. The Superintendent added that planning grant money would ultimately have to be returned to the state if year-round school is not implemented. However, the district is under an obligation to conduct a feasibility study and consider implementation by July 1, 1992.

Mr. Barnes stated that he has heard both positive and negative comments from parents on implementing year-round school. Mr. Medina expressed concern that approving submittal of the application implies that is the direction of the district. Mr. Chavez agreed and said this would be the first step, but he did not see a need at this time. President Ruane explained that the application was a request for funds to complete a feasibility study, not necessarily implement year-round school. This would also afford parents in the community that option.

The Superintendent pointed out that a requirement for continued eligibility in the State Building Program is to complete a study on year-round education and determine the feasibility of implementing it in this school district. Not to be in compliance could affect the District's position on the priority list.

REFER APPLICATION
N YEAR-ROUND
SCHOOL GRANT
Cont'd)

Mr. Medina pointed out there was not an apparent need for year-round school with Granite Hill Elementary opening in the fall of 1992 and Stone Avenue Elementary probably soon after. The Superintendent responded that in order to preserve the district's eligibility in the State Building Program, an obligation made in 1989 to study implementation of year-round school should be met.

The Assistant Superintendent Education Services explained the grant is not competitive and the district should receive the funds. The deadline for submittal of the application has been extended; however, a delay could put other school districts ahead of Jurupa. The Superintendent asked that the Board delay action until the next meeting when more information will be available. The Board was in agreement.

RIDESHARE
PROGRAM
IMPLEMENTATION

The Board reviewed routine information reports. The Superintendent referred to the Update on Rideshare Program Implementation and commented that there is a value between air quality and the efforts of the South Coast Air Quality Management District. The program offers many incentives to employees to carpool. Awards are announced on a monthly basis to encourage participation. Employees at the three sites have been very supportive of the program.

Other routine information reports were: Suspension of Offer to Activate an AFJROTC Unit at Jurupa Valley High School; Field Trip to Catalina - Pacific avenue elementary School; Non-Public School Placements; Staff Development Days.

CLOSED SESSION

At 6:00 p.m. on Monday, March 18, 1991, the Board met in Closed Session in Room 10 at Rustic Lane Elementary School. All Board members were present. Also in attendance were the Superintendent and other administrators.

JURUPA UNIFIED SCHOOL DISTRICT

RESOLUTION #91/34

A RESOLUTION OF THE BOARD OF EDUCATION
OF THE JURUPA UNIFIED SCHOOL DISTRICT
IN SUPPORT OF LEGISLATION CODIFYING
THE MIRA DECISION

WHEREAS, the State of California cannot fund all required school facilities less the local matching fund requirement established by the 1986 School Facilities Legislation ("AB 2926"); and

WHEREAS, the decision in Mira Development Corp. vs. City of San Diego (1988) 205 Cal. App. 3d 1201 ("Mira Decision") held that a city or county may deny general plan amendments and changes in zoning on the basis of a lack of school facilities; and

WHEREAS, not all cities or counties are considering the availability of school facilities when acting on such requests; and

WHEREAS, Assembly Bill No. 80 has been introduced in the 1991 Legislative Session inclusive of language repealing the Mira Decision.

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the Jurupa Unified School District as follows:

That this Board on behalf of its present and future residents and students urges the enactment in the 1991 Legislative Session of legislation codifying the Mira Decision and opposes the enactment of any legislation repealing or substantially changing the holding of the Mira Decision.

That the Superintendent of this District is directed to send a copy of this resolution to each legislator whose district includes territory of the school district, the California School Boards Association ("CSBA"), and the Governor of the State of California.

PASSED AND ADOPTED this 1st day of April, 1991, at a Regular Meeting of The Board of Education of Jurupa Unified School District

Supplement for CBEST for Substitutes
EC Sections 44252, 44252.5

LEA: Jurupa Unified School District

Attach this supplement to the Waiver Request Form to serve as the rationale for Part 3. This supplement is used to certify that the district will meet the following guidelines. For information on this subject, contact the Office of Intersegmental Relations at (916) 322-7661. Respond to the three certifications below.

State Board Adopted Guidelines

The State Board will grant waivers of CBEST requirements only if the following conditions are met:

- The district is requesting the waiver for specified persons who have not yet had an opportunity to take the CBEST but who will be taking the CBEST at the next available opportunity, and are to be employed as substitute teachers.
- The term of the waiver expires after scores have been reported from the next regular administration of CBEST.
- The district or county office of education may be granted a blanket CBEST waiver request for up to one year, but not to extend past June 30 of a given year under which teachers may be added or deleted. Such a waiver shall be granted if the district: (a) meets all SBE guidelines, and (b) maintains on file a written and dated statement from each affected teacher, specifying that he/she did not have the opportunity to take the last regularly scheduled CBEST but is scheduled to take the immediately following test. The operation of the waiver will be invalidated for the remainder of the school year if any of the conditions cited above is found not to be true.

District Certifications

By checking the three boxes below, you indicate the district's awareness of and intention to meet all three conditions. The operation of the waiver will be invalidated for the remainder of the school year if any of the conditions certified below is found not to be true.

- ☒ 1. The waiver is only for specified persons to be employed as substitutes and who have not yet had an opportunity to take the CBEST, but who will be taking it at the next opportunity.
- ☒ 2. The term of the waiver expires for a given individual after scores have been reported from the next regular administration of CBEST.
- ☒ 3. The district or county office maintains on file a written and dated statement from each affected teacher, specifying that he/she did not have the opportunity to take the last regularly scheduled CBEST, but is scheduled to take the immediately following available test.

March 15, 1991

Mr. Kent Campbell, Assistant Superintendent
Personnel Services
3924 Riverview Drive
Riverside, CA 92509

Dear Mr. Campbell,

The National Education Association - Jurupa joins the Jurupa Unified School District Board of Education in their request for a waiver from Education Code 44252 Section B.

The Jurupa Unified School District continues to make efforts to employ substitute teachers who meet all the qualifications required by the State of California. We recognize there is a shortage of applicants to who qualify under these conditions. We believe that the best interests of education would be served by such a waiver.

Sincerely,

Francine Rice

PARENT INVOLVEMENT

The Board recognizes that a child's education is a responsibility shared by the family and the school. This responsibility extends to the entire period the child spends in school.

The Board also recognizes that student achievement and conduct improve when parents/guardians are involved in the education of their children.

Principals and teachers shall communicate frequently with the home in ways that encourage parental response. Teachers shall provide advice and directions that enable parents/guardians to help their children review and reinforce the skills that are being developed in class. The Board encourages parents/guardians to serve as volunteers in the schools and to attend student performances, parent meetings and Board meetings.

Adopted

Pg. 1

PARENT INVOLVEMENT

Given the key role of parents in promoting effective schooling, the Board recognizes the need for continuing programs of parent involvement. Therefore, each school shall develop an effective plan of parent involvement designed to:

1. Help parents develop parenting skills and foster conditions at home that support children's efforts in learning.
2. Provide clear two-way communication between the school and the family, as to school programs and children's progress. Communication may take the form of such activities as:
 - a. Telephone calls
 - b. Written statements on classroom activities
 - c. Newsletters
 - d. Parent Conferences
 - e. Invitations to visit classrooms
 - f. Opportunities for parents to have input during the planning of school events
 - g. Neighborhood meetings
3. Involve parents, with appropriate training, in instructional support roles at the school.
4. Provide information regarding community support services for children and their families.
5. Provide parents with the knowledge of techniques to assist their children in learning at home.
6. Support parents as decision makers and develop their leadership in governance, advisory and advocacy roles.
