(Mr. Barnes)

Invocation

(Mr. Medina)

COMMUNICATIONS SESSION

1. Administrative Reports and Written Communications

a. Accept Donations for Schools

(Mr. Edmunds)

All donations are given to Jurupa Unified School District with the request that the money or item be used at the designated school.

Resident Joyce Vickery wishes to donate books to be used at Ina Arbuckle Elementary School. The approximate value is \$75.

1. Administrative Reports and Written Communications

a. Accept Donations for Schools (Cont'd)

Loma Linda University wishes to donate a large quantity of computer equipment and accessories to be used at Mission Middle School. The approximate value is \$7,373.

Systems Specialists of Riverside wishes to donate the loan of (2) Xerox Memorywriter typewriters and (2) computers, responsibility free and rent free, to be used at Rubidoux High School for the remainder of this school year. The value of this loan is \$3,120.

Administration recommends acceptance of these donations with letters of appreciation to be sent.

b. Communications/Reports

(Dr. Wilson)

2. Report of Student Representatives

The Board welcomes Michele Robinson, Rubidoux High School Student Representative, and Kim Schroeder, Jurupa Valley High School Student Representative. They may wish to address the Board regarding student achievements, interests, or other matters.

3. Public Verbal Comments

This communication opportunity is included on the agenda of each regular Board meeting so citizens can make suggestions or identify concerns about matters affecting the school district, or request an item on a future agenda. **California law states that there shall be no action on items not shown on the published Board Agenda.**

The Board President will call on speakers who have completed cards requesting to be heard. Comments should be limited to five minutes. The Board may not have complete information available to answer questions and may refer specific concerns to the staff for appropriate attention.

4. Board Member Reports and Comments

Individual Board members may wish to share information about topics not on the agenda, report on committee activities or request items on a future agenda.

ACTION SESSION

* A. Approve Minutes of the December 16, 1991 Regular Meeting

Recommend approval as printed.

B. Hear Presentation from Architect

(Dr. Wilson)

The district's architect, Kal Porter, will present designs of the Mira Loma Middle School and a progress report as to the initiation of construction.

C. Authorize Solicitation of Bids for Classroom and School Office Furniture

(Mr. Edmunds)

The District is scheduled to open Granite Hill Elementary School in September of 1992, and is planning to open Stone Avenue Elementary School one year later. We need to begin the process of obtaining furniture and equipment for Granite Hill at this time in order for it to be delivered and set-up before staff begins work in August of 1992.

Since Stone Avenue Elementary School will open one year later, it is to our advantage to request bids which will give us better pricing based on a larger quantity and will allow for split delivery between June of 1992 and June of 1993.

July through September of each year are the busiest months for manufacturers of classroom furniture. Districts that schedule orders for delivery during that time period run the greatest risk of not receiving their furniture on schedule. To minimize the possibility of delivery problems for the furniture requirements for Granite Hill, we need to place our orders by mid February of next year, for availability by late June.

All furniture will be paid with the furniture and equipment portion of the Leroy F. Greene Lease-Purchase program funds allocated for these projects by the State Allocation Board.

Administration recommends that the Board authorize the Director of Purchasing to advertise for bids for Classroom and School Office Furniture for Granite Hill and Stone Avenue Elementary Schools. Request for approval of award will be brought back to the Board after the bids are opened.

D. Act on Student Discipline Matters

(Mr. Taylor)

- **** The Administrative Hearing Panel recommends the expulsion of the pupil in Discipline Case #92/22 for driving onto the Jurupa Valley High School campus under the influence of alcohol.

*** E. Approve Personnel Report #13**

(Mr. Campbell)

Administration recommends approval of Personnel Report #13 as printed subject to corrections and changes resulting from review in Closed Session.

F. Approve Routine Action Items by Consent

Administration recommends the Board approve Routine Action Items F 1-5 as printed.

- *** 1. Purchase Orders (Mrs. Reul)
- *** 2. Disbursement Orders (Mrs. Reul)
- *** 3. Agreements (Mr. Edmunds)

F. Approve Routine Action Items by Consent (Cont'd)

- * 4. Adopt at Second Reading Proposed Policy and Regulation 5112.3, Infectious Diseases (Mr. Taylor)

This new policy and regulation were approved at informational first reading at the December 16 Board meeting. It was developed in order to provide a procedure by which the admission or continued enrollment of a student with an infectious disease would be determined. The policy statement recognizes two important factors: 1) the responsibility to protect the health of all students, and 2) the responsibility to uphold the right of students to a free and appropriate education. Administration recommends adoption at second reading of Proposed Policy and Regulation 5112.3, Infectious Diseases.

- * 5. Certification of Signatures for Business Functions (Mr. Edmunds)

At the Board Meeting of December 16, 1991, the Board approved a Certification of Signatures of district employees and Board members authorized to transact various business functions for the school district. It has since been noted that Kent Campbell, Assistant Superintendent Personnel Services, signs Notices of Employment and should therefore be included on this Certification. It is recommended the Certification of Signatures form in the supporting documents, which includes the Assistant Superintendent Personnel Services, be approved.

G. Review Routine Information Reports

- * 1. Community Input on Elementary School Attendance Boundary Adjustments (Dr. Wilson)

The community input received at the December 16, 1991 Board of Education meeting is included in the minutes. The Board of Education asked for the additional statistical information included in the supporting documents. Information only.

- * 2. Review Minutes of Year-Round Education Ad Hoc Steering Committee Meeting #3 (Mrs. Roberts)

Minutes of the third meeting of the Year-Round Education Ad Hoc Steering Committee held on Thursday, December 12, 1991 at the Education Center's Board Room, are included in the supporting documents for the Board's review. Information only.

3. Staff Development Days (Mrs. Roberts)

Following are staff development days that have been scheduled.

Staff Development Days

<u>Students not in Attendance</u>	<u>School</u>	<u>Location</u>
January 13	Van Buren Elementary	(same)
March 31	Van Buren Elementary	(same)

G. Review Routine Information Reports (Cont'd)

4. Receive Reports Pursuant to Education Code #48915

(Mr. Taylor)

Education Code #48915 requires that when a school principal determines that expulsion is inappropriate for specific student discipline violations, the principal will report in writing to the Governing Board. Such reports are included in the supporting documents for Board members only. Information only.

PUBLIC VERBAL
COMMENTS

President Barnes noted that the Public Verbal Comments section was an opportunity for citizens to address the Board.

NEIGHBORHOODS
IN ACTION
TRAINING FOR
COMMUNITY
MEMBERS

Betty Folsom, Substance Abuse Specialist in the Riverside County Office of Education, stated that Lorraine Mooney, DATE Coordinator, is implementing a multigrant that contains a strong community action component. Mrs. Folsom distributed a flyer called "Neighborhoods in Action" which offers a training workshop for up to twelve people in the Jurupa community. Training will take place at Indian Hills Country Club on February 19, 1992 from 9 a.m. to 4 p.m.

Mrs. Folsom stated that Neighborhoods in Action was formed to prepare parents for educating citizens about effective methods of alcohol and drug prevention. As this program develops in Jurupa, it may be considered for implementation through resource officers at the high schools and service organizations in the community.

NEIGHBORHOODS
IN ACTION
(Cont'd)

Mrs. Folsom stated that names of people interested in the training workshop should be given to Jim Taylor, Betty Folsom, or Lorraine Mooney. Board members may contact the Superintendent's office.

PARENTAL CHOICE
IN EDUCATION
INITIATIVE

Fran Rice, NEA-J President, congratulated Mr. Barnes for being elected President of the Board. She noted that a couple of weeks ago Mr. Chavez had requested input from the Board and administration on the Parental Choice in Education Initiative. This initiative was sponsored by two groups headed by businessmen who apparently have little knowledge of student teaching. She felt it would be an educational disaster to implement Choice in the school districts. Concerns in a recent analysis of the initiative were: discrimination against students in such areas as religion, ethnicity, academic achievements; elimination of due process for student dismissals; elimination of minimum instructional requirements, and background checks on teachers.

Mrs. Rice stated that NEA-J and the state affiliated CTA oppose the initiative which needs about 620,000 valid signatures to get on the ballot. She urged citizens not to sign petitions but to rededicate themselves to the future of all children.

Mr. Chavez reported that the Choice Education Initiative was one of the major issues discussed at CSBA's Delegate Assembly meeting. The Superintendent's letter of opposition was shared with the assembly. Several districts have some type of voucher system and there is support among some educational leaders. Mr. Chavez urged a united effort to keep the initiative off the ballot.

OTHER SPEAKERS
ON ITEM B

President Barnes indicated that remaining speakers will address the Board on Item B, Consider Elementary School Attendance Boundary Adjustments.

BOARD MEMBER
REPORTS &
COMMENTS

- . Board member John Chavez stated that the main topics at CSBA's Delegate Assembly were the growing drug problems in schools and the voucher system.
- . Mr. Chavez urged attendance at RCSBA's Annual "Evening with Legislators" on Friday, January 17, 1992 at the Palm Springs Marquis & Villa.
- . Board member Mary Burns wished new president David Barnes a very successful term.
- . New Clerk of the Board, Jose Medina, expressed appreciation to both Sandra Ruane and Mary Burns for an outstanding job this past two years.
- . Board member Sandra Ruane congratulated the newly elected officers of the Board and noted they will do a fine job.

BOARD MEMBER
REPORTS &
COMMENTS
(Cont'd)

Mrs. Ruane also thanked everyone who assisted with "Christmas with Santa" at Club Metro which provided an enjoyable afternoon for 250 needy children in Jurupa schools. She was especially proud of the Rubidoux ROTC and the Madrigals for outstanding performances; and the Rubidoux FFA for cooking and serving food and cleaning afterwards.

ACTION SESSION

APPROVE
MINUTES
-Motion #137

MR. CHAVEZ MOVED THE BOARD APPROVE MINUTES OF THE DECEMBER 2, 1991 REGULAR MEETING AS PRINTED. MR. MEDINA SECONDED THE MOTION WHICH CARRIED UNANIMOUSLY.

PUBLIC HEARING
ON PROPOSED
ELEMENTARY
BOUNDARY
ADJUSTMENTS

The Superintendent opened the public hearing on proposed elementary boundary changes effective with the opening of Granite Hill Elementary School in September 1992. He noted there was no change in the present middle school and high school attendance boundaries contemplated at this time.

A committee composed of principals and other administrators had several meetings to review issues and develop an initial proposal for elementary boundary adjustments as shown on the map in the supporting documents. Consideration was given to such issues as: Available student capacity; Equitable size of schools; Natural and manmade boundaries; Existing study areas; Minimizing the need for busing; Socio-economic makeup of schools; Ethnic makeup of schools; Long-term district growth patterns.

The Superintendent noted that the changes involve three elementary schools (Glen Avon, Mission Bell and Sunnyslope). The annotated agenda lists the streets moving from each school to the Granite Hill attendance area beginning with the 1992/93 school year. Two changes were made to the lists: Page 5, Glenroy Court was added to Glen Avon; Page 6, Kenmore Street was deleted from Mission Bell. The purpose of this public hearing was to give the community an opportunity to present ideas or concerns as administration prepares a final recommendation to the Board. Parents of the three schools will be notified in advance of the time and place of the next Board meeting on boundary adjustments.

HEAR CITIZEN
COMMENTS
ON PROPOSED
BOUNDARY
CHANGES

Kimberly Wheeler, 2585 Loveland, stated that her children were transferred from Ina Arbuckle to Sunnyslope where they have done well. Some relatives were moving into the area and will also attend Sunnyslope School. She questioned the logic of busing children passed the school to Granite Hill and disapproved of the manner in which children were chosen to attend the new school.

Dee Kennedy, 6625 Karen Lane, stated that she lives in the same area and questioned why the east side and not the west side of Karen Lane was chosen to attend Granite Hill School. Her daughter was suppose to start kindergarten at Sunnyslope School in the fall along with her babysitter's children. Mrs. Kennedy asked why the children of one specific area were chosen to be bused to the new school as opposed to attending the nearest school.

HEAR CITIZEN
COMMENTS
ON PROPOSED
BOUNDARY
CHANGES
(Cont'd)

Barbara Tyer, 6680 Kerry Lane, stated that it was her understanding the notices of public hearing would be mailed and instead they were passed out to the children only four days before the meeting. Mrs. Tyer noted that the section of community under discussion was located on the north side of the 60 freeway. In a door to door effort to notify residents of this meeting, it became apparent that the neighborhood was balanced by race and income. Ms. Tyer asked if it was sensible or just a convenience to move this small section to the new Granite Hill School. She pointed out that this area was the furthest from the new school, maximizing the need of busing and separating children from a well balanced neighborhood. She asked if students in the GATE program would remain at Sunnyslope because special programs were not usually implemented the first year at a new school.

Craig Thomas, parent, stated that he and his family moved to the Sunnyslope area three years ago. They had investigated the school system and found Sunnyslope to be a pleasing school for their children. Mr. Thomas found it difficult to understand why the district would move children from one side of a community to another side and fragment a neighborhood of young children. In the past, children usually stayed in the same grade school. The new boundary for Sunnyslope will take one corner of a community and bus the children about six miles through sections where students attend Sunnyslope School. Mr. Thomas opposed sending children into other neighborhoods where parents would not have adequate control and find it difficult to participate in school activities.

Kim Nelson, parent, stated that she resides on Barkdale Lane which is the third street from the end of the section under discussion. She referred to the new Rio Vista development and noted the project manager indicated new schools would be as close or closer than Sunnyslope. The project manager had also indicated the school nearest to this section of the community would be ready for occupancy in 1994/95 or 1995/96. Mrs. Nelson pointed out the 56 students in this section could be vulnerable for yet another transfer. In the meantime, if they are bused to Granite Hill, most alliances will be with children who live five to six miles away. Research indicates that repeated moves have a negative affect on children. Some children from Ina Arbuckle School could attend four schools without moving from their homes.

Jan Rose, 6690 Nathene Lane, stated that her daughter's second grade classroom at Sunnyslope has been changed twice this year. Now she may be transferred to Granite Hill School while her friends across the street attend Sunnyslope. Mrs. Rose was proud of Sunnyslope School and volunteered many hours. Some students with special needs have switched schools several times already.

HEAR CITIZEN
COMMENTS
ON PROPOSED
BOUNDARY
CHANGES
(Cont'd)

Deborah Herbert, 2275 Rorimer, asked the district to be more sensitive to the development and needs of 56 children in this section of the community. Elementary schools have already eliminated some programs because of the budget crisis. Children at the new school will have a period of transition; especially those in special programs. Mrs. Herbert felt it was inappropriate to bus children out of their area and asked that the children be allowed to stay with their friends at Sunnyslope School.

Katherine Hunt, 6640 Nathene, stated she has three daughters at Sunnyslope School. Busing will not be minimized by driving through sections that are closer to the new school. The children have grown with the Sunnyslope School. They would find it difficult to leave their community and friends to attend a new school five miles away. She asked why only half instead of all of Armstrong would go to Granite Hill. The Superintendent agreed that busing would not be minimized, however the committee's concept was to move students who were already being bused rather than create a reversed impact by busing students who walk to school.

David King, 10105 Cabernet Court, said he resides at the opposite end of Sunnyslope or the western boundary of the proposed change. The small housing tract has fifteen students who ride the bus to Mission Bell School. Services such as day care are very limited. If children go to Granite Hill, they will have day care on one end and school on the other end. Mr. King noted that he lived on Cabernet. The street shown as Cabernet in the agenda may not exist. The Superintendent said this would be checked.

Doretha King, 5919 Paramount Dr., has resided in Paramount Estates for eight years. Her daughter who is in second grade was bused to West Riverside, then Sunnyslope and now to Granite Hill. Changing schools again would take away her daughter's security. Mrs. King was concerned about constant moves for the children in Paramount Estates and asked that they stay within the community and not be bused to Granite Hill.

Maria Ramirez, 5915 Paramount Dr., represented Hispanic parents from Paramount Estates. She commented that the public hearing notice was not in Spanish so she explained the boundary changes to several non-English speaking parents. Their concern was that Granite Hill is one and a half miles further than Sunnyslope and some do not have transportation. Mrs. Ramirez obtained sixteen signatures of parents opposed to the move.

CLOSE PUBLIC
HEARING

President Barnes closed the public hearing and noted that Board discussion of elementary boundary changes will commence.

BOARD COMMENTS
ON PROPOSED
ELEMENTARY
BOUNDARY
CHANGES

Mrs. Ruane stated that the recommendations on elementary boundary changes effective with the opening of Granite Hill School are for review and no decision will be made at this meeting. She expressed appreciation to parents for addressing their concerns.

President Barnes noted that the proposed changes involve about 56 children in the Sunnyslope area and 148 children in Paramount Estates. He asked if Sunnyslope could accommodate additional enrollment next year with existing boundaries. The Superintendent replied that portable classrooms could be added. The Assistant Superintendent Business Services pointed out that Sunnyslope was one of the fastest growing schools in the district. The committee would like to reduce that growth by transferring some of Sunnyslope's boundary to Granite Hill School. In response to Mr. Chavez' question, the Superintendent answered that the opening of Stone Avenue in 1993 will not affect these students. Its centralized location will involve a number of schools such as Camino Real, Van Buren, Indian Hills, and possibly Pacific Avenue.

The Superintendent said about 800 students are projected for the Rio Vista development which will have 1600 units. The 1994/95 opening date for the first school was somewhat optimistic under present economic conditions.

The Superintendent stated that the staff and teachers spend a tremendous amount of energy developing a team spirit among its schools, and recognize parent and student resistance to change. However, the district is growing at nearly a school a year, or 300 to 500 students, which requires a change in boundaries to accommodate a new school. If existing boundaries were to remain at Sunnyslope School, it would become substantially larger.

In response to Board members, the Superintendent stated that some alternative proposals for Granite Hill boundaries should be ready for the Tuesday, January 21 Board meeting (Monday is the Dr. Martin Luther King, Jr. holiday). If the proposals affect additional people, notices will be sent in the same manner as for this public hearing. Mr. Chavez noted that some parents requested a notice in Spanish. He suggested having a person's name and phone number to call for a translation at the bottom of the notice. The Superintendent expressed regret at the misunderstanding on the mailing of notices to homes. It would be very costly for the district to mail 1800 notices.

President Barnes commented that approximately 200 new homes were planned within Granite Hill's proposed boundary: 100 homes in the Glen Avon area, and 100 homes on Pedley Road and Mission Blvd. However, economic conditions may have an affect on their progress.

The Superintendent concluded that he appreciated the comments of parents and Board members and would take their concerns into consideration. The January 21 Board agenda will list each option including approximate number of students in the area and minority percentages.

IMPLEMENTATION
OF YEAR-ROUND
EDUCATION
-Motion #138

The Superintendent stated that the State Allocation Board has adopted new regulations which permit school districts to meet their Year-Round Education (YRE) commitments by a recalculation of construction square footage eligibility pursuant to YRE formulas. The Jurupa District can absorb this reduced eligibility without jeopardizing Project 20, the 2nd Addition to Jurupa Valley High School, and Project 22, the addition to Mira Loma Middle School. Therefore, administration requests the Board authorize the recalculation pursuant to the regulations adopted by the State Allocation Board on December 4, 1991, and specifically Alternative 4.

MR. MEDINA MOVED THE BOARD APPROVE ALTERNATIVE 4 AS THE DISTRICT'S MEANS OF REMAINING AN ELIGIBLE PARTICIPANT IN THE STATE BUILDING PROGRAM. MR. CHAVEZ SECONDED THE MOTION. In response to Mrs. Burns' and Mr. Medina's question, the Superintendent replied that the YRE Steering Committee will move forward and complete its four missions. THE BOARD VOTED ON THE MOTION WHICH CARRIED UNANIMOUSLY.

INFECTIOUS DISEASES

The Governing Board recognizes its dual responsibility to protect the health of students from risks posed by infectious diseases such as: tuberculosis, HIV infection and/or AIDS, hepatitis, CMV disease or poliomyelitis, and to uphold the right of students to a free and appropriate education.

For purposes of this policy, infectious diseases shall include all those listed by the State Department of Health Services and the County Health Department.

The Board encourages parents/guardians to inform the Superintendent or designee if their child has an infectious disease so that any such child will have access to appropriate district programs and services. The Superintendent or designee may convene a review panel to make recommendations regarding appropriate programs and services for such a student and shall consider the panel's recommendation when making the final decision.

The Superintendent or designee shall ensure that all of the student's rights to confidentiality are strictly observed in accordance with law. In all instances, confidential information shall not be released without parental consent.

The Superintendent or designee shall request that parents/guardians sign a release form to provide confidential medical information and records to the review panel.

The admission of a student with an infectious disease shall be determined by the Superintendent or designee according to standard procedures as stated in Regulation 5112.3. The Superintendent, the Superintendent's designee, or district medical consultant shall consult with the student's parent/guardian and, as appropriate, with the student's physician and/or the County Health Department.

Students with infectious diseases are entitled to the rights and services accorded to other students. They may attend their regular school and classroom with appropriate medical clearance, barring any special circumstances.

INFECTIOUS DISEASES

As indicated in Board Policy 5112.3, a pupil with an infectious disease may be admitted to district classes contingent upon an evaluation of the situation conducted in accordance with these procedures. All of these procedures must be followed before such a pupil is allowed to attend classes at any school in the Jurupa Unified School District:

1. The parent of a pupil suspected of having an infectious disease shall submit a formal written request to the Superintendent's Designee for the pupil to attend classes in the Jurupa Unified School District.
2. The parent shall provide the Superintendent's Designee with written authorization for the District and the County Health Officer to obtain medical information from the pupil's physician and any other source of medical, psychological, or educational information that may be required in order to reach a decision regarding the pupil's enrollment.
3. The parent shall provide the Superintendent's Designee with written authorization that permits administration to reveal to the student's teacher(s) the nature of his/her illness and/or results of any blood test or any other essential laboratory test in the event the pupil is permitted enrollment in the District.
4. The parent shall provide the Superintendent's Designee with a written statement obtained from the pupil's physician indicating that admittance of the pupil to the schools of the District poses no risk to the pupil with the suspected infectious disease, to his/her classmates, or to members of the school staff who may come in contact with the pupil. Included in the physician's statement shall be any information regarding the presence of oozing lesions, running sores, or any other possible sources of infection.
5. The parent shall provide the Superintendent's Designee with a written statement obtained from the County Health Officer indicating that the pupil's admission to the schools of the District poses no risk to the pupil with the suspected infectious disease, to his/her classmates, or to members of the school staff who may come in contact with the pupil.
6. The Superintendent's Designee may obtain written statements and/or reports from appropriate school staff, as well as any other individuals having knowledge of this pupil, regarding the pupil's behavior, neurological and psychological development, and the expected type of interaction with others in the school setting. Particular emphasis shall be placed on such reports that provide information regarding the pupil's ability to maintain control of bodily secretions, or the possible existence of unusual behaviors such as biting, vomiting, or the like.

INFECTIOUS DISEASES

7. The Superintendent's Designee shall review all of the information gathered in these procedures and submit a recommendation to the Superintendent to support or deny admission of the pupil to classes in the District.
8. The Superintendent may choose to refer the matter to a committee that may be composed of the following:
 - a) the pupil's physician,
 - b) a District-appointed medical consultant,
 - c) a member of the County Department of Health,
 - d) a school staff member familiar with the pupil's previous behavior,
 - e) the Superintendent or a designee.

This committee shall develop a recommendation that will address whether or not the pupil should be allowed to attend classes at a school in the District.

9. The Superintendent, utilizing all of the materials and information gathered in the procedures outlined above, shall make a decision regarding admission of the pupil to classes in the District.
10. If the Superintendent decides not to admit the pupil to District classes, then an alternative educational offering shall be presented.

Mark Acosta, Reporter, Press Enterprise

Mrs. Roberts provided a report from Dr. Wilson, Superintendent, which will be presented to the Board of Education, with a recommendation for approval, on Monday, December 16, 1991.

Mrs. Roberts reminded the Committee of its charge:

1. Recommend a student calendar
2. Recommend a plan for selecting year-round sites
3. Develop a track assignment plan

She emphasized that these tasks needed to be completed, even though the recommendation will be for the Jurupa Unified School District not to begin year-round education on July 1, 1992.

Rollin Edmunds gave a brief explanation on the concept of Formula 4, as determined by the State Allocation Board. He explained how the district will recalculate construction square footage to be eligible for future construction funds.

1.0 Continue Discussion On Criteria for Student Calendar Selection

A discussion was held regarding the criteria for student calendars, followed by brief explanations of each criterion. Committee members were asked to prioritize selections based on criteria they felt would be most critical when recommending a student calendar.

2.0 Consider Elimination of Least Desirable Student Calendar Options

Members prioritized the calendar selection criteria as follows:

Least Movement For Students and Teachers	25
No Prolonged Instruction Blocks	24
Maximum Number of Instructional Days	18
Minimize Track Changes	14
Down Time For Maintenance	10
Short Breaks	7
Surrounding District Calendars	2
Common Vacation	3
Balance Days "On and Off"	1
Retain Traditional Vacations	1

Previously selected student calendar criteria which the Committee eliminated as inappropriate included:

All Programs For All Students
Administrative Relief
Include Traditional Track
Inexpensive
Provision for Intersession

Committee members worked in groups to discuss various calendar options and eliminated the least desirable options.

3.0 Recommend Student Calendar Based on the Agreed Upon Criteria

After discussion in small groups, and elimination of the least desirable options, the 60/20 student calendar was selected by consensus as the student calendar to be recommended to the Board of Education.

4.0 Elect Chairperson and Vice-Chairperson

An election for chairperson and vice-chairperson was conducted. Mr. Lee Scott was elected chairperson and Mr. Monty Eliasson was elected vice-chairperson.

The meeting adjourned at 6:15 p.m.

**NEXT SCHEDULED MEETING: JANUARY 14, 1992 AT 5:00 P.M. IN THE BOARD ROOM
AT THE EDUCATION CENTER.**
