ACTION SESSION

*** A. Approve Minutes of April 17, 1995 Regular Meeting**

Recommend approval as printed.

B. Authorize Issuance of Purchase Order #84804 to Apple Computer for Computers for Van Buren Elementary School (Mr. Edmunds)

The Purchasing Department received a requisition from Van Buren Elementary School for one (1) Early Language Connections Classroom Bundle which consists of four (4) computers, one (1) color printer and one (1) color scanner, to be paid for from Chapter 1 and School Improvement funds.

Board Policy states that all purchases in excess of \$12,000 must be approved by the Jurupa Unified School District Board of Education; therefore, a request is being made for this approval.

Administration recommends the Board approve the issuance of Purchase Order #84804 to Apple Computer in the amount of \$14,221.92 (including tax) for the purchase of one (1) Early Language Connections Classroom Bundle which includes four (4) computers, one (1) color printer and one (1) color scanner for Van Buren Elementary School.

C. Authorization To Advertise For Bids For Food Service Equipment (Mr. Edmunds)

The opening of Mira Loma Middle School in September 1995 necessitates the purchase of new cafeteria equipment. The school's cafeteria was designed to use "Speed Lines" for serving lunches. In order to produce and serve meals to the students next year, a range and speed line equipment still needs to be purchased.

C. Authorization To Advertise For Bids For Food Service Equipment (Cont'd) (Mr. Edmunds)

The addition of Mira Loma Middle School will put an additional burden on the kitchen at Jurupa Valley High School. Jurupa Valley High School currently produces meals for 13 elementary schools as well as high school students. This translates to over 5,000 meals per day. The kitchen has only 2,800 square feet, which means food must be prepared in two shifts. In order to meet the production demands in a minimum of floor space, a gas fired combination steam/convection oven is needed. This oven has the production capacity of 17 steamers and 5 convection ovens, but will fit in the space formerly used for one, three-compartment steamer. In addition, food is placed on racks which have twenty shelves. The entire rack is rolled into the oven, which eliminates the need to handle pans multiple times.

The goal of the Food Service Department is to provide double-deck convection ovens at all elementary schools. At the time the kitchens were built at Camino Real, Pacific Avenue, Sky Country, Sunnyslope, and Van Buren Elementary Schools, only one oven was purchased. Participation has increased significantly; and it is becoming increasingly more difficult to heat enough meals in the time and space available. One oven also restricts menu choices. Food Service has sufficient funds, at this time, to purchase the second oven for each of these sites. The new oven will be stacked with the existing oven, which means no additional floor space will be needed. With the installation of these ovens, all elementary schools will be equipped with double-deck convection ovens (with the exception of Indian Hills Elementary School which was built with inadequate floor space to have any cooking equipment at all).

Ann Hale, Director of Food Services, is requesting authorization to solicit bids for the equipment described above. Specifications have already been submitted to the Purchasing Department.

Estimated costs are as follows:

Speed line equipment for Mira Loma	\$34,000
Range for Mira Loma	\$2,000
Convection ovens for 5 elementary sites	\$21,000
Combination oven/steamer for Jurupa Valley High	\$28,000

Funds for this purchase have been budgeted in a restricted account designated for replacement of Food Service equipment.

Administration recommends the Board authorize the District to advertise for bids for a range and speed line equipment for Mira Loma Middle School; a combination oven/steamer for Jurupa Valley High School; and five convection ovens to be placed, one each, at Camino Real, Sunnyslope, Pacific Avenue and Van Buren Elementary Schools.

D. Review Status of K-8 Mathematics Textbook Adoption (Mr. Taylor)

At the February 6, 1995 Board meeting, the state textbook adoption cycle was discussed and members were informed as to the reasons we had delayed selection of a mathematics textbook for K-8 students. The following information will inform Board members of our current status in this selection process. In November of 1994, district administrators met with K-8 principals to review the Mathematics Framework for California Public Schools, current district curriculum and to suggest ways of meeting the framework's vision of mathematical power for all students and current curriculum instruction and assessment needs.

D. Review Status of K-8 Mathematics Textbook Adoption (Cont'd)

(Mr. Taylor)

Principals discussed the need for teachers to continue framework awareness and participate in staff development prior to pursuing the adoption of a new district mathematics program. Federal Eisenhower funds were used to provide K-6 teachers with inservice and materials to help them with the integration of mathematics replacement units which focus on the application of problem solving skills. Teachers received information on how to use a scoring guide to measure student success in mathematics.

Subsequently Ms. Rebecca Kallinger, a Jurupa teacher on leave was contracted to provide teacher inservice. The district purchased units of study for all K-6 teachers. Grade level representatives from each school were given an overview of the mathematics framework and the National Council of Teachers of Mathematics Curriculum and Evaluation Standards. Each teacher also received the Problem Solver program for their grade level.

Currently there are discussions statewide regarding the Mathematics Framework for California Public Schools and effective ways to reach the goals that it has established. In the fall, administrators will review the status of mathematics reform in the State of California and Jurupa and determine the direction we need to take regarding a future adoption. Information only.

E. Hear and or Approve School Facility Matters

(Mrs. Roberts)

Due to frequent changes taking place in facility improvement programs, items which require Board discussion or action may arise between agenda preparation and meeting times. Administration may provide such items as verbal information reports or recommendations for action.

- * 1. Approve Personnel Report #19 (Mr. Campbell)

Administration recommends approval of Personnel Report #19 as printed subject to corrections and changes resulting from review in Closed Session.

- * 2. Adopt Declaration of Need for Fully Qualified Educators (Mr. Campbell)

Title V Regulation 80026, which went into effect on July 1, 1994, requires that a new document entitled "Declaration of Need for Fully Qualified Educators" be submitted to the Commission on Teacher Credentialing as a prerequisite to the issuance of any emergency permit for that district. This declaration is one of the new requirements governing the issuance of emergency teaching permits and the orientation, guidance and training of emergency permit holders. The District has historically needed to hire some teachers on emergency permits, particularly to fill partial teaching assignments, specialized areas of instruction such as math and science, or areas of statewide shortage such as bilingual education and special education. An estimate of our needs in 1995-96 is included on the document included in the supporting documents. It is recommended that the Board adopt the Declaration of Need for Fully Qualified Educators for 1995-96.

- 3. Adopt 1995-96 School Calendar and Work Years (Mr. Campbell)

A proposed school calendar and employee work year schedules may now be ready for Board adoption. If so, copies will be hand-carried to tonight's meeting.

H. Approve Routine Action Items by Consent

Administration recommends the Board approve Routine Action Items H 1-5 as printed.

Ms. Rhonda Batterton, Teacher at Pedley Elementary School, is requesting permission to travel to San Diego, CA on Friday, May 19, 1995 with approximately seventy-nine (79) students. The purpose of this trip is to provide a culmination activity for sixth grade science and students will study sea life, behavior and training. Transportation will be provided by district vehicles and supervision will be provided by staff and adult volunteers. The cost for this trip will be paid through the school's School Improvement budget. Administration has indicated that students will not be denied the opportunity to attend the activity due to lack of funds. A copy of the Non-Routine Field Trip Request is included in the supporting documents.

It is recommended that the Board approve the Non-Routine Field Trip Request from Ms. Rhonda Batterton to travel to San Diego, CA on Friday, May 19, 1995 with approximately seventy-nine (79) students to participate in culmination activities for sixth grade science.

H. Approve Routine Action Items by Consent (Cont'd)

Mr. Gary Hanson, teacher at Jurupa Valley High School, is requesting permission to travel to Julian, CA on Saturday, May 6 through Sunday, May 7, 1995 with approximately ten (10) students. This trip will provide students with leadership training on anti-drug and alcohol education. Transportation will be arranged through the Riverside County Friday Night Live organization; supervision will be by staff members and costs for meals and lodging will be paid through Jurupa Valley High School's Friday Night Live student funds. Administration has indicated that students will not be denied the opportunity to attend the activity due to lack of funds. It is recommended that the Board approve the Non-Routine Field Trip Request by Mr. Gary Hanson to travel to Julian, CA on Saturday, May 6 through Sunday, May 7, 1995 with approximately ten (10) students to participate in leadership training on anti-drug and alcohol education.

I. Review Routine Information Report

1. RCOE Response to the 1994-95 Second Financial Interim Report (Mrs. Roberts)

Jerry J. Kurr, Assistant Superintendent, Division of Administration and Business Services for the Riverside County Office of Education, has requested that the district prepare a third 1994-95 Interim Financial Report. This request was made because the district's report continues to show deficit spending. In addition, the Riverside County Office of Education has asked that we provide a multi-year budget projection showing how the district will meet its financial obligations for 1995-96 and 1996-97. This report will be presented in the May 15 Board Agenda. Information only.

(Dr. Hendrick)

The District is responsible for serving all handicapped children who are at least three years of age, but not over 22 years of age, under the Education of All Handicapped Children Act of 1975 (PL 94-142). When no appropriate public school placement is available either within the local school district or the County Office of Education, then it is necessary to place these pupils in a non-public school. The law requires that we advise the Board of such placements.

Four Severely Emotionally Disturbed (SED) pupils have been placed at **Advocate and Children's Center Schools**. An additional two Severely Emotionally Disturbed (SED) pupils have been placed at **Somerset School**. One resides in an LCI operated within the District and is, therefore, 100% reimbursed by the State. Information only.

** 5. Receive Reports Pursuant to Education Code #48915

(Dr. Hendrick)

Education Code #48915 requires that when a school principal determines that expulsion is inappropriate for specific student discipline violations, the principal will report in writing to the Governing Board. Such reports are included in the supporting documents for Board members only.

6. Notice of Meeting on Jurupa Hero Recognition Program

(Mrs. Roberts)

The Board committee for the Jurupa Hero Recognition Program will meet following the regular meeting.

COMMUNICATIONS SESSION

RECOGNITION
ACADEMIC OLYMPIC
WINNERS

The Director of Curriculum and Categorical Projects recognized Stone Avenue Elementary as the champions of the fifth annual Academic Olympics, held at Pacific Avenue Elementary on March 23. He introduced Ms. Margie Forward, Mentor Teacher and coordinator of the event, to welcome the winning team of students.

Ms. Forward introduced and thanked Mr. Bob Cmelak for the extra time and hours that he gave on behalf of the students and named the following Stone Avenue Elementary winning team members who were present: Steve Acevedo; Kevin Barber; Janice Manson; Eileen McGuire; Luis Najarro; Roxanne Rede; Lindsey Craig; Nicole Martinez and Jessica Navarre. Ms. Forward presented a plaque, with each team members' name imprinted on it, to be placed permanently in the office at the Stone Avenue Elementary. She congratulated Stone Avenue Elementary as the Academic Olympics winners and noted that the perpetual trophy will be kept at their site for the second year in a row. President Ruane commended the students for their efforts.

RECOGNIZE 1994
UNITED WAY JURUPA
CAMPAIGN CHAIR

The Superintendent announced that for several years, the district has joined other districts, colleges and universities in support of community services in the area. She stated that she was pleased to introduce Ms. Mary Ann Stalder, United Way Director of Resource Distribution and Planning, to recognize Jurupa's campaign coordinator, Ms. Jana Twombly. The Superintendent noted that Ms. Twombly was unable to be present; however, the Assistant Superintendent Education Services will accept the certificate on behalf of Ms. Twombly and the site coordinators who so graciously assisted her at each site. The Superintendent noted a typographical error on the Agenda: Camino Real was spelled incorrectly.

Ms. Mary Ann Stalder thanked the Board for the opportunity to publicly express her appreciation for Jurupa's outstanding United Way campaign. She stated that the Education Campaign raised \$22,240; which was \$954 over last year. Ms. Stalder recognized the Superintendent as the Chief Executive, who mobilized an ideal campaign through Coordinator, Ms. Jana Twombly. She presented Ms. Twombly's certificate to the Assistant Superintendent Education Services and noted that site coordinators received certificates, as well. Ms. Stalder expressed her thanks to Ms. Twombly and the Jurupa Unified School District employees for their support.

Additionally, she recognized the Superintendent with a certificate for her important role as the Campaign Chairperson of the Education Division, which included fourteen school districts in western Riverside County, as well as the University of California, Riverside; Riverside Community College; La Sierra University and California Baptist College, who together raised \$275,000, which, she said, represented an 11% increase over last year's giving. Ms. Stalder thanked the Superintendent for her leadership, and stated that behind every leader is their support staff: she recognized the Superintendent's secretary with a certificate for her help and support during the United Way campaign.

RECOGNIZE PEDLEY
ELEMENTARY
PROGRAMS

The Superintendent introduced Ms. Van Frank to share information concerning the Program Quality Review process, which helped develop the site's Language Arts program, and other special programs at Pedley Elementary. The Superintendent stated that she is delighted that Ms. Van Frank is a part of the district and noted that Ms. Van Frank is in her second year as Principal of Pedley Elementary.

Ms. Van Frank welcomed the Board and the public to Pedley Elementary. She conveyed her appreciation to the maintenance and custodial staff for the extra attention her site received, and remarked that the multi-purpose room floor and new paint on the walls looked great. Ms. Van Frank invited the Board to meet at her site whenever possible, as she considered it a real privilege.

Ms. Van Frank commented that through the new PQR process, along with the assistance of a leadership team, the school will take an entire year, instead of a four-day period, to decide where areas of growth are needed. She explained that through the four SIP days scheduled during the 1994-95 school year, the Pedley staff has examined their Language Arts program to focus on consistency among all teachers. She mentioned that Board members, Mrs. Burns and Ms. Hanke, participated in one of their SIP days, which highlighted the use of parent tutors, and remarked that the two Board members viewed a student of Romanian descent fluently speaking the English language. Ms. Van Frank referred to Mr. Steve Dunn, who has provided the four Language Arts inservices to staff, and covered the topics of Philosophy and Portfolio Assessment and Evaluation; the Writing Community; the Balanced Reading Program, and Process Based Evaluation. She expressed her thanks and appreciation for the Board's support of SIP days, and for their interest in visiting Pedley Elementary.

Ms. Van Frank felt that school pride has been enhanced by the school mascot, the "Roadrunner." She had hoped to present T-shirts to the Board members as a remembrance of their visit to Pedley Elementary; however, she had not received them, as yet. Ms. Van Frank thanked the Board for the opportunity to share information concerning the Pedley Elementary school programs.

ACCEPT DONATIONS
-Motion #226

The Assistant Superintendent Business Services requested that the Board accept donations as listed in the supporting documents.

PRESIDENT RUANE MOVED THE BOARD ACCEPT THE FOLLOWING DONATIONS WITH LETTERS OF APPRECIATION TO BE SENT: \$300.00 FROM MR. AND MRS. J. WOODS' CLASS AT STONE AVENUE ELEMENTARY; FURNITURE, GAMES, BOOKS AND WALL DECORATIONS (APPROXIMATE VALUE \$500) FROM AN ANONYMOUS DONOR TO BE USED FOR A CLASSROOM AT WEST RIVERSIDE; A COMPUTER SYSTEM (APPROXIMATE VALUE \$200) FROM MS. CHAVEZ SECONDED THE MOTION WHICH CARRIED UNANIMOUSLY.

CAST BALLOT FOR
CSBA RUNOFF
ELECTION

The Superintendent referred to the supporting documents, which noted a three-way tie for the fourth position in the CSBA run-off election in Region 18-A, between Gisela Gosch (Hemet Unified School District); Estelle Lewis (Banning Unified School District) and Donald C. Wickham (San Jacinto Unified School District). She noted that each superintendent in the nominee's respective districts had sent a letter of support on their behalf, which was also included in the supporting documents. The Superintendent stated that Board members may wish to make a nomination for the fourth delegate in Region 18-A.

Mr. Chavez moved that the Board nominate Estelle Lewis (Banning Unified School District). President Ruane indicated that a motion was not necessary. The Board reached consensus that they would submit the name of Estelle Lewis on the official ballot in the run-off election for the CSBA Delegate Assembly, Region 18-A.

INFORMATION
CONCERNING THE 1994-
95 TIRE GRANT
APPLICATION

The Superintendent reported that the district received a letter from the California Integrated Waste Management Board regarding the Tire Recycling grant application that was submitted. The letter indicated that by the following day, it would be determined whether the district was awarded funds. The Superintendent commented that according to the information attached to the letter, Jurupa Unified School District was placed on the "A" list, and the Waste Management Board will consider awarding the district \$50,000, of the \$75,000 that was requested. She noted that the Jurupa Unified School District was the only school district listed, among the 87 applications that were received, that had applied for the recycling funds. The Superintendent stated that Ms. Diana Asseier was deserving of recognition for completing and submitting the application, and Mrs. Burns for locating the opportunity to participate in the grant funding.

PUBLIC VERBAL
COMMENTS: (CONT'D)

COMMENT:
FUNDRAISER

Mr. Armando Muniz, teacher at Rubidoux High School, wished to announce on behalf of the Jurupa Hispanic Association that a barbecue fundraiser is scheduled for April 29, and that tickets are now available. Mr. Muniz explained that this is the Association's annual scholarship banquet fundraiser that is held to recognize students in a very positive way and encourage them to better their education. Funds are raised to provide scholarships for Hispanic students of both Rubidoux and Jurupa Valley High Schools and to sponsor the Recognition Awards Program. Mr. Muniz noted that tickets are available through Delma Kason. In response to President Ruane's question concerning the time of the event, he indicated that the fundraiser will be held from 1:00 to 6:00 p.m. Mr. Muniz encouraged those attending to bring a labeled jar with their favorite salsa for the "Salsa Contest," and commented that other fun events will include dancers and a D.J. The location of the fundraiser is at the Galleano Winery in Mira Loma.

COMMENT: BOARD
MEMBERS' PAY

Sandra Mason, Job Steward of CSEA, which represents approximately 700 classified employees in the district, commented that most of the employees live in the Jurupa community and are part-time employees, working less than eight hours per day and working less than twelve months per year. Ms. Mason noted that her most important role is that of being a single parent of a student attending high school in the district.

Ms. Mason addressed the proposal to suspend Board member compensation, as discussed at the last Board meeting. She expressed her displeasure at the responses of President Ruane, Mrs. Burns and Ms. Hanke, who did not support the proposal, and referred to Ms. Hanke's 1/2 ownership of a local business. Ms. Mason thanked Mr. Chavez for attempting to make some changes, by initiating the discussion. She referred to Ms. Van Frank's comments regarding the clean floors at her site, and reminded her that with the addition of new school sites, the custodial staff has been decreased. Ms. Mason stated that she felt insulted by the comments, and that maintenance staff strive to do their best for this district and this community.

BOARD MEMBER
COMMENTS

President Ruane thanked Ms. Van Frank for her hospitality and for the display of their great school mascot. She remarked that it was the best one she had ever seen.

Mr. Chavez wished Ms. Van Frank a very Happy Birthday and thanked her for her hospitality. He remarked that he had been involved as a regular volunteer in many fundraising efforts at Pedley Elementary for a number of years when his children attended the school. Mr. Chavez congratulated the Academic Olympics winners. He commented that he had attended a presentation at the Music Center in Los Angeles. He congratulated the United Way honorees, and noted that he had been a former United Way Board member, which was a very satisfying experience. He felt that organizations in the community were in great need of the funds raised by United Way. Mr. Chavez congratulated the Superintendent for her participation in the United Way campaign. He invited everyone to attend the Jurupa Hispanic Association's barbecue and bring their favorite salsa recipe for the "Salsa Contest." He stated that there will be good entertainment, fun and food; for further information he referred to the flyers in the back of the auditorium.

BOARD MEMBER
COMMENTS (CONT'D)

Mr. Knight thanked teacher, Ms. Forward, for her involvement with the students in the Academic Olympics, and Ms. Van Frank for hosting the Board meeting at her site. He remarked about the size of the school mascot, the "Roadrunner," which was on display at the back of the auditorium. Mr. Knight conveyed his support of the Program Quality Review at Pedley Elementary, and its thematic impact on the students, as the district moves forward and continues their focus on meeting the objectives of Goals 2000 by June of 1996. He congratulated the Superintendent for her efforts as chairperson for the Education Division of the United Way campaign. He thanked her for doing a tremendous job in coordinating this endeavor which manifested unity and focused on the total community.

Ms. Hanke thanked Ms. Van Frank for her hospitality; she thanked the classified staff for their hard work at the site, and wished Ms. Van Frank a very Happy Birthday. Although the Academic Olympics winners had dismissed themselves for the evening, Ms. Hanke congratulated the team. She asked to clarify a point made earlier during the public verbal comments and stated that she does not own a business.

Mrs. Burns congratulated the Academic Olympics winners; she remarked that she had met the students when visiting Stone Avenue Elementary during her tour of the district. Mrs. Burns noted that each time she has visited Pedley Elementary she has been made to feel very welcome. She has noticed the students' work on display and students' names posted for their outstanding efforts. She conveyed to Ms. Van Frank that she is doing a great job. Mrs. Burns commented that Pedley's mascot, the Roadrunner, was great and should somehow be displayed for more people to see; she suggested that the schools get together and participate in a parade of their mascots.

Mrs. Burns referred to Mr. Saunders, the gentleman that had spoken on behalf of the fundraiser for Ina Arbuckle Elementary, and the oak toilet seat that someone will win at the Las Vegas night scheduled. She noted that the money raised will go toward funding safety matting for the playground equipment at the school. Mrs. Burns was very pleased that the request for funds through the Tire Recycling grant application had been placed on the "A" list. She commented that the equipment provides the only park in that area for the community to use. Mrs. Burns asked for community support of the "Las Vegas Night" fundraiser on May 12, at Club Metro, to save the playground equipment at Ina Arbuckle Elementary.

Mrs. Burns mentioned that in talking with a bus driver, a concern was raised about the opening of Mira Loma Middle School and the safety of students that would have to walk across Jurupa Road at Steve Street to get to the school. Mrs. Burns suggested contacting the County Supervisor's office regarding a stop sign at this location or the consideration of a possible "safety exception." The Superintendent requested clarification as to which measure she wished to have investigated. Mrs. Burns responded that a stop sign would be the best of the two choices. The Superintendent indicated that administration will follow through on investigating her suggestion. Mrs. Burns again expressed that the Roadrunner mascot on display was exceptional.

ACTION SESSION

APPROVE MINUTES
-Motion #227

PRESIDENT RUANE MOVED THE BOARD APPROVE MINUTES OF THE REGULAR MEETING APRIL 3, 1995 AS PRINTED. MR. KNIGHT SECONDED THE MOTION WHICH CARRIED UNANIMOUSLY.

The Director of Curriculum and Categorical Projects stated that by now, most everyone has seen the report in the newspaper regarding CLAS tests results for the district, County and State. He indicated that the results were released April 4, and he hoped this evening to be more specific concerning the CLAS test results as they pertained to the district, and to discuss the comparison of County and Statewide results. He reminded the Board that the test was actually given last April, during the 1993-94 school year.

The Director of Curriculum and Categorical Projects briefly reviewed the criteria to score the test for 4th, 8th and 10th grade students on a scale of 1-6 in mathematics, reading and writing; a score of 1 being limited understanding, up to a score of 6, showing solid understanding. He reviewed three charts on an overhead projector, as listed in the supporting documents, Pages B 1-3, which demonstrated the percentage of students at or above a "4" performance standard in Jurupa, the County, the State and 100 Similar Districts. The Director of Curriculum and Categorical Projects then presented three charts, Pages B 4-6 in the supporting documents, which demonstrated a percentage comparison on bar graphs as an alternative way of viewing Jurupa's standing in the three grades and subject areas in relationship to the County and State.

The Director of Curriculum and Categorical Projects displayed another chart, Page B-8 in the supporting documents, which listed Jurupa's schools by name, and whether they were similar to (S), higher than (H) or lower than (L) those of their comparison group (CG). He then read the conclusions that can be drawn from the information on the charts, as listed in the Agenda, Item B, Pages 6 and 7, which, he stated, created a better picture and interpretation of the actual needs of the district.

The Director of Curriculum and Categorical Projects responded to Mrs. Burns question concerning the comparison to similar school districts, that the intent was to compare our district's scores against districts with similar characteristics, such as economy levels, making the comparison similar in composition. The Superintendent replied to Mr. Chavez' inquiry, that the State determines the comparison groups, to include, for example, student mobility; limited English proficiency, or the number of AFDC recipients. She explained that these comparison factors have been used since the 1970's.

Mr. Chavez expressed that since the CLAS test will not be used again, there will be no factors on which to base student improvement. The Director of Curriculum Categorical Projects agreed with Mr. Chavez and stated that the State's development of future testing is uncertain, which has made it very difficult to allow accurate comparisons. He indicated that the Superintendent will be responding to the CLAS Report and the possible course that the district may wish to explore.

Mr. Knight shared that the State Superintendent of Public Instruction, Delaine Eastin, has formed a committee, that will be working on a process to reform the educational testing process in California. He expressed that the whole focus of the issue is that we must determine how students are performing. Mr. Knight noted that the math scores for tenth grade students were quite low, and asked what measures are planned to enhance these low scores. The Director of Curriculum and Categorical Project responded that he has begun to talk with principals to determine a course of action.

HEAR CLAS REPORT
(CONT'D)

Mr. Chavez expressed a concern over the LEP student percentages. He noted that some were looking good compared to the State and County percentages; however, he wondered where they really stood in comparison to all students. Mr. Chavez felt that a closer look should be taken to assess these students; he suggested changing methodologies and ideas, to include the enhancement of writing skills, without the use of multiple choice questions. The Director of Curriculum and Categorical Projects agreed.

Mr. Knight reported that a factor that is being considered up and down the State and discussed in Sacramento, is "going back to the basics." He indicated that there should be a balance between the three R's and the thematic process. The Director of Curriculum and Categorical Projects stated that this is the challenge that the State faces.

RESPONSE TO CLAS
REPORT

The Superintendent referred to the chart in the supporting documents, Page B-8, and stated that in looking at our schools, for the most part, at the elementary level, scores were similar to those in their comparison group. However, she indicated that there is a need for scores to be higher. The Superintendent noted that the same was true at the middle school level; at the high school level there was definitely a concern.

The Superintendent expressed that while the State may be in the process of developing ways to assess students, the district has nothing with which to test students and compare their scores. She indicated that she would like to bring back to the Board a plan to assess students' performance; however, it would not be necessary to test at every grade level, as this would be too costly. The Superintendent stated that accountability to the public is necessary, and that she would like to again request that the district's testing system be reviewed and a recommendation made to the Board.

STATUS REPORT ON
CHICANO STUDIES

The Director of Curriculum and Categorical Projects stated that to investigate the whole concept of Chicano Studies it might be best to report on what has transpired up to this point. He noted that several students representing the Mexican Political Association had requested that the district consider initiating such a course; that over three decades, interest in the course has fluctuated, and now, once again, there is a renewed interest. He noted that currently, the whole issue of diversity and ethnic relations is on the forefront of newspaper headlines.

The Director of Curriculum and Categorical Projects indicated that through a survey conducted with surrounding districts, he gathered the information that is included in Section D of the supporting documents for the Board to review. He expressed that this information, along with individuals that would be willing to put together a course description and consider textbooks, is available to the Board should they decide to move in the direction of formulating a Chicano Studies class as a course offering.

President Ruane asked if a survey of interest from students is available. The Director of Curriculum and Categorical Project responded that he has spoken with both of the principals and that the results of the survey will be available by mid-May.

STATUS REPORT ON
CHICANO STUDIES
(CONT'D)

Mrs. Burns questioned that if a study is currently being performed, how is it possible to put a class together to offer to students by September. She thought that a course offering could only be developed earlier in the year, October through December, and that there was a timeline that had to be adhered to, to develop a new class. Mrs. Burns referred to the development of the Journalism class. The Director of Curriculum and Categorical Projects responded that there would still be time to include Chicano Studies as a course offering. He stated that following Spring Break, students received their preferred course lists, which they will complete and return to their counselors, expressing their interest in signing up for classes for the following year. This information will then be sent to the County to determine interest and class offerings.

Ms. Hanke questioned the \$975.00 per section. The Director of Curriculum and Categorical Projects responded that this meant \$975.00 per class. The Superintendent explained that the average cost of a book is \$32, times the average number of pupils in a section; therefore, \$975.00 is the estimated cost for textbooks. Ms. Hanke asked if this amount would come out of the General Fund. The Director of Curriculum and Categorical Projects replied that this would come out of the general textbook allocation. Ms. Hanke questioned if this wouldn't then be taking additional money from the schools to add an additional class. The Director of Curriculum and Categorical Projects remarked that students are in need of textbooks whether they sign up for a Chicano Studies course or another course, and this amount is already included in the budget.

Mr. Chavez expressed a concern that if the district offers this class, now or in the future, it is important to look at the quality of the class, whether it is acceptable at the university level, and make certain that it is not a dumping ground for students, or he would definitely be against this. The Superintendent responded that a Chicano Studies class offering would have the same academic rigor as any other course in the social sciences, English or any other department and it would not be a dumping ground for students.

President Ruane stated that she would be looking for the results of the student survey to determine interest among students. Mr. Knight requested a cost analysis and salary breakdown for a full year to teach the class. The Superintendent stated that it was not planned that an additional teacher would have to be hired, but that existing staff would be used; therefore, that cost is already in the budget.

AFFIRM SUBMITTAL OF
HOMELESS ED. GRANT
APPLICATION
-Motion #228

The Assistant Superintendent Education Services explained that the grant being sought is to supplement existing programs for homeless students at Ina Arbuckle Elementary School and Jurupa Middle School. He stated that presently the district does not have students living on the streets; however, there are those students living in travel trailers on the backs of properties, or those students whose families share a home with three or four other families that qualify for the program. The district is seeking an additional \$28,000 to supplement the program through the Riverside County Office of Education. The Assistant Superintendent Education Services asked that the Board affirm the submittal of the application, which appears in the supporting documents, that was completed prior to Spring Break.

PRESIDENT RUANE MOVED THE BOARD AFFIRM ADMINISTRATION'S DECISION TO ALLOW EDUCATION SERVICES TO SUBMIT AN APPLICATION FOR A HOMELESS EDUCATION GRANT. MS. HANKE SECONDED THE MOTION WHICH CARRIED UNANIMOUSLY.

APPROVE SINGLE
READING OF REG. 6002,
1995/96 DAILY SCHOOL
SCHEDULE
-Motion #229

The Assistant Superintendent Education Services referred to Regulation 6002, and requested that the Board approve the 1995/96 Daily Schedule for each school site, as listed in the supporting documents. He noted that the schedule is the same as the 1994/95 Daily Schedule; the only change being the addition of the schedule for Mira Loma Middle School.

Mr. Chavez questioned why at some sites Preschool/Head Start showed a 3 hour time period, and at others sites, a 3 1/2 hour time period. The Assistant Superintendent Education Services responded that each area has a requirement in the number of minutes they are in session: Preschool/Head Start is 180 minutes; Kindergarten is 200 minutes; and other elementary grades have a required 302 minutes. He indicated that the district sets the Daily Schedule each year by the number of minutes required by the State. Mr. Chavez asked why the schedule was lists 12:00 to 3:30, which is 3 1/2 hours, and 9:00 to 12:00, which is 3 hours for Head Start/Preschool. He explained that some of the hours listed are for the State Preschool program and the other hours listed are for the Head Start program; both have different requirements.

PRESIDENT RUANE MOVED THE BOARD ADOPT AT SINGLE READING OF REGULATION 6002, 1995/96 DAILY SCHOOL SCHEDULE. MS. HANKE SECONDED THE MOTION WHICH CARRIED UNANIMOUSLY.

APPROVE 1995
MANDATED, CORE
ACADEMIC & SPEC. ED.
SUMMER SCHOOL
PROGRAM
-Motion #230

The Assistant Superintendent Education Services stated that he had a few comments prior to requesting approval for the Summer School program. He referred to Page 11 of the Agenda and corrected the Special Education Summer School dates to read June 19 through July 14. The Assistant Superintendent Education Services commented that it has been customary to receive several questions as to why the district has summer school for high school students only, and does not extend summer school to include elementary and middle school students. He referred to the fact that the district receives funding from the State for only 7% of its enrollment to attend summer school, and that the law requires that high school students receive priority. With the costs for teaching staff, campus supervisors, custodial and maintenance needs, the district does not have sufficient funds to extend the program to the lower grades. The Assistant Superintendent said that some districts do provide summer school to all of their students because they use funds from the General Fund. However, the district does not have an additional \$600,000 to \$700,000; therefore, the district only offers summer school at the high school level and, as required by law, to Special Education students in grades K-12, which is funded through a different program.

MR. KNIGHT MOVED THE BOARD APPROVE THE 1995 SUMMER SCHOOL OFFERINGS AS PRESENTED. MS. HANKE SECONDED THE MOTION. In response to Mr. Chavez' question concerning the AVID program being an elective, the Assistant Superintendent Education Services responded that it is considered a CORE academic class. Mr. Chavez asked how class offerings are chosen for summer school. The Assistant Superintendent Education Services replied that classes are selected that will help students qualify for graduation; however, he emphasized that if a certain number of students do not sign up for a class, the class will not be offered. He stated that CORE academic classes must be offered. Ms. Hanke noted that a typographical error was made on Page 10 of the Board Agenda, Junior/Senior Math was listed twice. A VOTE WAS THEN TAKEN WHICH CARRIED UNANIMOUSLY.

AUTHORIZE SALE OF
USED TEXTBOOKS
-Motion #231

The Assistant Superintendent Business Services stated that in order for the purchase of \$350 in obsolete books from Rubidoux High School to take place, as listed on the Agenda, the Board must declare the list of books obsolete; approve an exception to District Policy 6204, and authorize the sale for \$350.

MS. HANKE MOVED THE BOARD DECLARE THE BOOKS AS LISTED ON THE AGENDA OBSOLETE; APPROVE AN EXCEPTION TO DISTRICT POLICY 6204, AND AUTHORIZE DISPOSITION OF THE BOOKS VIA SALE FOR \$350 TO FOLLETT EDUCATION SERVICE. MRS. BURNS SECONDED THE MOTION. Mrs. Burns asked if the books to be sold are new books or used books. The Assistant Superintendent Business Services replied that they are used books. A VOTE WAS THEN TAKEN WHICH CARRIED UNANIMOUSLY.

AUTHORIZE P.O. FOR
ELECTRICAL WORK:
VAN BUREN
PORTABLES
-Motion #232

The Assistant Superintendent Business Services stated that due to the relocation of portables to the Van Buren campus, to remain in compliance with the State Fire Marshall, it was necessary to relocate the electrical configurations. He asked that the Board approve the quotation from S & S Electric for \$14,995.00.

MS. HANKE MOVED THE BOARD AUTHORIZE ISSUANCE OF PURCHASE ORDER #84603 TO S & S ELECTRIC IN THE AMOUNT OF \$14,995.00 TO PROVIDE MATERIAL AND LABOR TO INSTALL CONDUIT AND WIRING FOR FIVE (5) PORTABLE CLASSROOMS AT VAN BUREN ELEMENTARY SCHOOL. MR. KNIGHT SECONDED THE MOTION. Ms. Hanke asked if this is paid for through restructuring money or through the General Fund. The Assistant Superintendent Business Services responded that it is paid for out of the General Fund. In response to Mrs. Burns question as to whether the access way to the portables had to be done in asphalt, he answered that the district does not have to use asphalt. A VOTE WAS THEN TAKEN WHICH CARRIED UNANIMOUSLY.

PRESIDENT RUANE MOVED THE BOARD EXPEL THE PUPIL IN DISCIPLINE CASE #95/030 FOR VIOLATION OF EDUCATION CODES 35291 AND 48900 (c), (j) & (k) FOR THE REMAINDER OF THE CURRENT SEMESTER; EXPEL THE PUPIL IN DISCIPLINE CASE #95/050 FOR VIOLATION OF EDUCATION CODES 35291 AND 48900 (b) & (k) FOR THE REMAINDER OF THE CURRENT SEMESTER AND THE SEMESTER FOLLOWING; EXPEL THE PUPIL IN DISCIPLINE CASE #95/052 FOR VIOLATION OF EDUCATION CODES 35291 AND 48900 (a), (f) & (k) FOR THE REMAINDER OF THE CURRENT SEMESTER AND THE SEMESTER FOLLOWING.
