ASSEMBLY BILL

No. 2389

**Introduced by Assembly Member Benoit
(Principal coauthor: Assembly Member Emmerson)
(Coauthor: Assembly Member Keene)**

February 21, 2008

An act to add Section 11267 to the Welfare and Institutions Code, relating to public social services.

LEGISLATIVE COUNSEL'S DIGEST

AB 2389, as introduced, Benoit. CalWORKs eligibility: drug testing.

Existing law requires each county to provide cash assistance and other social services to needy families through the California Work Opportunity and Responsibility to Kids (CalWORKs) program, using federal Temporary Assistance to Needy Families (TANF) program, state, and county funds. Under existing law, the county is required to annually redetermine eligibility for CalWORKs benefits.

This bill would require a recipient of CalWORKs aid to undergo drug testing on a random selection basis, as a condition of continued eligibility. The bill would specify those substances for which drug testing would be conducted. The bill would require a recipient who fails a random drug test to successfully complete a one-year drug treatment program, as specified. The bill would discontinue the individual's aid under the CalWORKS program upon failure of the individual to successfully complete the required drug treatment program. The bill would require the department to seek any federal approvals necessary for the implementation of this section.

Because counties administer the CalWORKs program, by increasing county duties, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.

State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. This act shall be known, and may be cited, as
2 "RJ's Law."

3 SEC. 2. Section 11267 is added to the Welfare and Institutions
4 Code, to read:

5 11267. (a) For purposes of this section, the following terms
6 have the following meanings:

7 (1) "Drug" means any of the following:

8 (A) Any controlled substance classified as Schedule I, as
9 specified in Section 11054 of the Health and Safety Code.

10 (B) The following controlled substances, classified as Schedule
11 II, as specified in Section 11055 of the Health and Safety Code:

12 (i) Cocaine.

13 (ii) Opium.

14 (iii) Phencyclidine.

15 (iv) Methamphetamine.

16 (C) Any prescription medication for which the individual does
17 not have a valid prescription.

18 (2) "Drug testing" means a chemical test administered for the
19 purpose of determining the presence or absence of a drug or its
20 metabolites in a person's bodily tissue, fluids, or products.

21 (3) "Random selection basis" means a mechanism for selecting
22 recipients for drug testing that results in an equal probability that
23 any recipient from a group of recipients subject to the selection
24 mechanism will be selected, and does not give the department
25 discretion to waive the selection of any recipient selected under
26 the mechanism.

1 (b) A recipient of aid, as a condition of continued eligibility
2 under this chapter, shall be required to undergo drug testing on a
3 random selection basis.

4 (c) A recipient who fails a drug test conducted pursuant to this
5 section shall successfully complete a one-year drug treatment
6 program approved by the department, and shall remain drug free
7 during that program. If the recipient fails to complete the drug
8 treatment program as required by this subdivision, the recipient's
9 aid under this chapter shall be discontinued.

10 (d) The department shall seek any federal approvals necessary
11 for the implementation of this section.

12 SEC. 3. If the Commission on State Mandates determines that
13 this act contains costs mandated by the state, reimbursement to
14 local agencies and school districts for those costs shall be made
15 pursuant to Part 7 (commencing with Section 17500) of Division
16 4 of Title 2 of the Government Code.

Patriot High School

Good Evening Ladies and Gentlemen of the Board and Mr. Superintendent,

This evening I would like to start off by congratulating our Boys Basketball team for winning CIF against Jurupa Valley High School on Thursday last week. They will continue in CIF with the Boys basketball CIF southern section state tournament which will be at Patriot High School against Mission Hills ~~at 7:00~~ ^{at 7:00}

We have a lot of events coming up that we are very excited about. First we have been planning for the blood drive, with sign ups. The blood drive will take place on March 11, 2008. Our goal is to surpass the amount of blood taken in which would be over 185 units. Second, Pennies for Patients, is a fundraiser in which the whole school participates in. It raises money for the Leukemia and Lymphoma Society. We hope to raise as much money as we possibly can. This event started today and will run through to the 23rd of this month. Third, the Battle of the Bands will take place on the 7th, preparation for this event will take place this whole week. Lastly, we have been preparing for our WASC visit, which has started today and will end on the 5th this week.

Moving on to sports, the spring sports continue to practice, some of the sports have already started games, and as for others they will kick off this week. There will be a Sports Rally on the 19th of this month to recognize all of the sports, which include, baseball, softball, track, golf, boy's tennis, and swimming.

This concludes the events

Thank you

Adrianna Davidek

Jurupa Valley High School continues on the road to success in all aspects of school life. Last week Mr. Kenneth Young, County Superintendent of Schools highlighted Jurupa Valley's accomplishments in his yearly State of Education address. He pointed out that JVHS had the highest test score gains of any comprehensive high school in Riverside County.

Air Force Junior ROTC program received recognition at the Indio Date Festival Competitions. Color Guard, under the command of Cadet Lieutenant Colonel Ryan Aceves, took first place honors. Drill Team, under the command of Cadet Colonel Cindy Aguilar, took second place, and the Marching Unit, under the command of Cadet Sonya Alvarez took second place. Kudos to Chief White and JVHS' Air Force Junior ROTC!

Jurupa Valley's FFA Chapter was also at the Riverside County Fair and National Date Festival. Super congratulations to them for walking away with the coveted Sweepstakes Trophy as the Outstanding Chapter at the fair. There were many so great performances by our Jaguar FFA members that they can not be listed as we don't have enough time to go over each one.

Choir is also on fire! The JVHS treble choir, concert choir, and chamber singers were selected by "blind" audition to perform at Disneyland on Thursday, Feb. 21st as part of the Disney Community Arts Showcase program. 82 JVHS students, 9 parents, 2 buses, 1 uniform truck, and Ms. Morrison made the trip! JVHS gave 3 different performances on the Carnation Plaza performance venue. The students were fabulous, their behavior was excellent, they were really organized and courteous, and their music was marvelous! The hosts and hostesses at Disneyland were very impressed with the behavior of JVHS students that proudly represent silver, navy and white as well as the Jurupa Unified School District everywhere they go. Come out and see Choir perform at the Musical Cabaret this Thursday, March 6th in the JVHS Theatre.

Jurupa Valley once again graciously hosted the District Science Fair. JVHS Jaguars did extremely well thanks to the guidance of Paul Wakefield and Teresa Miner. Shane Roberts placed first in the Physical Science category and will be moving forward to the Inland Science Fair as well as Eli Ortiz and Yvette Salazar for Behavioral Science. JVHS took first, second and third place in the Microbiology Category; second and third in Earth and Planetary Scienc; and, first, second and third in Behavioral Science. Berlyn Castaneda and Natalie Rodriguez received a \$50 savings bond from the Eastern Municipal Water Company for their project titled "Is the Rainwater That Flows Down Our Street Polluted?"

Our peer leadership group Bond Squad will be visiting Van Buren Elementary School on Wednesday, March 5th, and celebrating Dr. Seuss' Birthday with the students. JVHS students will read Dr. Seuss books in every classroom.

Tomorrow is our first Freshman Orientation Night at Mira Loma Middle School. JVHS will offer a program in English at 6:00 p.m. and one in Spanish at 6:30 p.m.

Our last SAIT review by RCOE took place today. The results were favorable as all aspects of the SAIT plan are fully implemented. RCOE commended ELA and Math teachers for their knowledge of the content areas as well as their sincere interest in students. The Academic Coaches, Nate Hass and Marie Mains, were also commended for their work as well as the administration.

And now to sports, Jaguars have been busy cheering our Winter Sports to victory. JVHS students have demonstrated sportsmanship and positive school spirit. Kudos to all Jags for understanding that "one man practicing sportsmanship is better than a hundred teaching it." Although, Girls Soccer and Girls Water Polo were eliminated in the second round of CIF playoff action, for the first time in JVHS history, Jurupa Valley Boys Soccer and Boys Basketball Teams competed in the CIF Final Championship Games for their Division. Boys Basketball, Sunkist League champs for two consecutive years, played their championship game at Colony High School and lost to our sister high school Patriot. Great job Warriors! Boys Basketball was selected to participate in the State finals and will face Edison High School in Fresno tomorrow night at 7:00 p.m. Boys Soccer faced the nationally number one ranked Santa Monica High School soccer team at Warren High School in Downey on Saturday and came away with a 2-0 loss. Members of the Jaguar Boys Soccer Team have been selected to be a part of the CIF Southern Section All Star Team and JVHS Coach and former alumni, Sammy Zepeda, has been asked to coach the CIF Southern Section All Stars. A well deserved honor! The All Star Game will take place on March 15th at Chaffey. Both teams are champions on and off the court and field and exemplify the meaning of sportsmanship as well as the CIF motto "Victory with Honor." As Jesse Owens once said, "Winning starts with a complete command of the fundamentals. Then it takes desire, determination, discipline, and self-sacrifice. And finally, it takes a great deal of love, fairness and **respect for your fellow man**. Put all these together, and even if you don't win, how can you lose?"

Go Jags!
