

## **COMMUNITY RELATIONS**

### **SUBJECT: District and School Web Sites**

To enhance communication with students, parents/guardians, staff, and community members, the Governing Board encourages the Superintendent or designee to develop and maintain district and school web sites. The use of district and school web sites shall support the district's vision and goals and shall be coordinated with other district communications strategies.

(cf. 6020 - Parent Involvement)

### **Design Standards**

The Superintendent or designee shall establish design standards for district and school web sites in order to maintain a consistent identity, professional appearance, and ease of use.

The district's design standards shall address the accessibility of district and school web sites to individuals with disabilities, including compatibility with commonly used assistive technologies.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

### **Web Site Content**

The Superintendent or designee shall develop content guidelines for district and school web sites and assign staff to review and approve content prior to posting.

Board policy pertaining to advertising in district and school publications, as specified in BP 1325 - Advertising and Promotion, shall also apply to advertising on district and school web sites.

(cf. 1325 - Advertising and Promotion)

### **Privacy Rights**

The Superintendent or designee shall ensure that the privacy rights of students, parents/guardians, staff, Board members, and other individuals are protected on district and school web sites.

(cf. 1340 - Access to District Records)

(cf. 5022 - Student and Family Privacy Rights)

(cf. 5125 - Student Records)

Telephone numbers and home and email addresses of students and/or their parents/guardians shall not be published on district or school web sites.

(cf. 5125.1 - Release of Directory Information)

The district regards photographs as a category of directory information that would not generally be considered harmful or an invasion of privacy if disclosed. Therefore, a student's photograph, together with his/her name, may be published on district or school web sites unless the student's parent/guardian has notified the district in writing to not release the student's photograph without prior written consent, in accordance with BP/AR 5125.1 - Release of Directory Information.

If students' names are not included, photographs of individual students or groups of students, such as at a school event, may be published on school or district web sites.

Employees' home addresses, personal telephone numbers, and personal email addresses shall not be posted on district or school web sites.

The home address or telephone number of any elected or appointed official including, but not limited to, a Board member or public safety official, shall not be posted on district or school web sites without the prior written permission of that individual. (Government Code 3307.5, 6254.21, 6254.24)

No public safety official shall be required to consent to the posting on the Internet of his/her photograph or identity as a public safety officer for any purpose if that officer reasonably believes that the disclosure may result in a threat, harassment, intimidation, or harm to the officer or his/her family.
