PERSONNEL

SUBJECT: Personal Illness/Injury Leave

Certificated employees employed five school days per week are entitled to 10 days' leave of absence with full pay for personal illness or injury (sick leave) per school year of service. Employees who work less than five school days per week (part-time employees) shall be granted sick leave in proportion to the time they work. However, any part-time employee who are entitled to less than three days of paid sick leave per year due to the amount of time worked shall be granted sick leave pursuant to Labor Code 246, if they are eligible. (Education Code 44978; Labor Code 245-249)

Use of Sick Leave

Certificated employees may use sick leave for absences due to:

1. Accident or illness, whether or not the absence arises out of or in the course of employment; quarantine which results from contact in the course of employment with other persons having a contagious disease; or temporary inability to perform assigned duties because of illness, accident, or quarantine (Education Code 44964)

2. Pregnancy, miscarriage, childbirth, and related recovery (Education Code 44965, 44978)

3. Personal necessity (Education Code 44981)

4. Medical and dental appointments, in increments of not less than one half-day

5. Industrial accidents or illnesses when leave granted specifically for that purpose has been exhausted (Education Code 44984)

6. Need of the employee to bond with a child within one year of the child's birth, adoption, or foster care placement (parental leave) (Education Code 44977.5; Government Code 12945.2; 29 USC 2612; 29 CFR 825.112)

7. Need of the employee or employee's family member, including a designated person, as defined in Labor Code 245.5, for the diagnosis, care, or treatment of an existing health condition or for preventive care (Government Code 12945.2; Labor Code 233, 246.5)

8. Need of the employee to seek or obtain any relief or medical attention specified in Labor Code 230(c) and/or 230.1(a) for the health, safety, or welfare of the employee or he employee's child, when the employee has been a victim of domestic violence, sexual assault, or stalking (Labor Code 233, 246.5)

For the purposes specified in items #7-8, an employee may use, in any calendar year, the amount of sick leave that would accrue during six months at the employee's then current rate of entitlement. (Labor Code 233)

An employee may take sick leave at any time during the school year, even if credit for sick leave has not yet been accrued. (Education Code 44978)

An employee shall reimburse the district for any unearned sick leave used as of the date of termination.

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code 44978)

The district shall not require new employees to waive leave accumulated in a previous district. (Education Code 44979, 44980)

The Superintendent or designee shall notify any certificated employee who leaves the district after at least one school year of employment that if the employee accepts a certificated position in another district, county office of education, or community college district within one year, the employee may request that the district transfer any accumulated sick leave to the new employer. (Education Code 44979, 44980)

Additional Leave for Disabled Military Veterans

In addition to any other entitlement for sick leave with pay, a certificated employee who is a former active duty member of the U.S. Armed Forces or a former or current member of the California National Guard or a federal reserve component shall be entitled to sick leave with pay of up to 10 days for the purpose of undergoing medical treatment, including mental health treatment, for a military service-connected disability rated at 30 percent or more by the U.S. Department of Veterans Affairs. An eligible employee who works less than five days per week shall be entitled to such leave in proportion to the time worked. (Education Code 44978.2)

The amount of leave shall be credited to the employee either on the date the employee receives confirmation of the submission of the disability application to the U.S. Department of Veterans Affairs or on the first day the employee begins or returns to employment after active duty, whichever is later. When the employee receives the disability rating decision, the employee shall report that information to the Superintendent or designee. If the disability rating decision makes the employee eligible for the leave, the time used before the decision shall be counted toward the 10-day maximum leave. If the disability rating decision makes the employee ineligible for the leave, the district may change the sick leave time used before the disability rating decision to an alternative leave balance. (Education Code 44978.2)

The Superintendent or designee may require verification, in accordance with the section "Verification Requirements" below, that the employee used the leave to obtain treatment of a military service-connected disability.

Leave for military-service connected disability shall be available for 12 months following the first date that the leave was credited. Leave not used during the 12-month period shall not be carried over and shall be forfeited. (Education Code 44978.2)

Notification of Absence

An employee shall notify the district of the need to be absent as soon as such need is known, so that substitute services may be secured. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district. If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than by the end of the substitute's work day of the day preceding the day on which the employee intends to return to work. If the employee fails to notify the district and the failure results in a substitute being secured, the cost of the substitute shall be deducted from the employee's pay.

Continued Absence After Available Sick Leave Is Exhausted/Differential Pay

During each school year, when a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and, due to illness or accident, continues to be absent for an additional period of up to five school months, the district shall deduct from the employee's regular salary for that period the actual cost of a substitute to fill the position. If the district has made every reasonable effort to secure the services of a substitute and has been unable to do so, the amount that would have been paid to a substitute shall be deducted from the employee's salary. (Education Code 44977)

An employee shall not be provided more than one five-month period per illness or accident. However, if the school year ends before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year. (Education Code 44977)

Absence Beyond Five-Month Period/Reemployment List

If a certificated employee is not medically able to return to work after the five-month period provided pursuant to Education Code 44977, the employee shall be placed either in another position or on a reemployment list. Placement on the reemployment list shall be for 24 months for probationary employees or 39 months for permanent employees and shall begin at the expiration of the five-month period. If during this time the employee becomes medically able, the employee shall be returned to employment in a position for which the employee is credentialed and qualified. (Education Code 44978.1)

Parental Leave

During each school year, certificated employee may use all available sick leave, including accumulated sick leave, for the purpose of parental leave for a period of up to 12 work weeks. The 12-week period shall be reduced by any period of sick leave, including accumulated sick leave, taken during a period of such parental leave. (Education Code 44977.5)

Eligibility for such leave shall not require 1,250 hours of service with the district during the previous 12 months. (Education Code 44977.5)

An employee who has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of parental leave shall receive differential pay of at least 50 percent of the employee's regular salary for the remainder of the 12 work weeks. (Education Code 44977.5)

Parental leave taken pursuant to Education Code 44977.5 shall run concurrently with the parental leave taken pursuant to Government Code 12945.2 or 12945.6, and the aggregate amount of parental leave shall not exceed 12 work weeks in a 12-month period. (Education Code 44977.5; Government Code 12945.2, 12945.6)

Verification Requirements

The Superintendent or designee may require verification whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever available evidence clearly indicates that an absence is not related to illness or injury.

In addition, the Superintendent or designee may require an employee to visit a physician selected by the employee and approved by the district, at district expense, in order to receive a report on the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny further leave.

Any district request for additional verification by an employee's physician or a district-selected physician shall be in writing and shall specify that the report to be submitted to the district should not contain the employee's genetic information. Any genetic information received by the district on behalf of an employee shall be treated as a confidential medical record, maintained in a file separate from the employee's personnel file, and shall not be disclosed except in accordance with 29 CFR 1635.9.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from a physician stating that the

employee is able to return to duty and stipulating any necessary restrictions or limitations.

Healthy Workplaces, Healthy Families Act Requirements
