Prior to the beginning of grade 10, the individualized education program (IEP) team for each student with disabilities shall determine whether the student is eligible for exemption from all coursework and other requirements adopted by the Board in addition to the statewide course requirements for high school graduation, and if so, shall notify the student's parent/guardian of the exemption. A student with disabilities shall be eligible for the exemption, if the student's IEP provides for both of the following requirements: (Education Code 51225.31)

1. That the student take the alternate assessment aligned to alternate achievement standards in grade 11 as described in Education Code 60640
2. That the student complete state standards aligned coursework to meet the statewide coursework specified in Education Code 51225.3

In addition, a foster youth, student experiencing homelessness, former juvenile court school student, child of a military family, or migrant student who transfers into the district or between district schools any time after completing the second year of high school, or a newly arrived immigrant student who is in the third or fourth year of high school and is participating in a newcomer program, shall be exempted from any graduation requirements adopted by the Board that are in addition to statewide course requirements. This exemption shall not apply if the Superintendent or designee makes a finding that the student is reasonably able to complete the requirements in time to graduate by the end of the fourth year of high school.

Within 30 days of the transfer into a school by a foster youth, student experiencing homelessness, former juvenile court school student, child of a military family, migrant student, or a newly arrived immigrant student, or of the commencement of participation in a newcomer program, as applicable, the Superintendent or designee shall notify any eligible student, and others as required by law, of the availability of the exemption from local graduation requirements and whether the student qualifies for it.
