

BOARD BYLAWS

SUBJECT: Electronic Policy Manual

The Superintendent or designee shall maintain an electronic district policy manual for the purpose of communicating to all interested parties the policies and regulations within which our schools will operate. The Governing Board encourages members of the public to acquaint themselves with the district's electronic policy manual.

The Superintendent or designee shall ensure that the community and all district employees have access to the electronic policy manual. The district will maintain and keep electronic copies of all policies/regulations/bylaws/exhibits/attachments on the district website.
