Dear TK/Kindergarten Parent:

As part of our commitment to the safety of our TK/kindergarten students, it has been District practice to require that all TK/K students be met by the parent/guardian or an adult listed on the emergency card at the after-school bus stop. If an adult is not at the stop, the child will be returned to the school site. The school will contact the parent/guardian to pick the child up at the school office.

Current practice is that the first 2 times a TK/K student is not met at the stop; he/she will be returned to the school site. After the third offense, the child will be returned to the school site and will no longer be eligible for after school busing. The child will **not** be transported after school for the remainder of the TK/kindergarten year and the parent/guardian or adult listed on the emergency card will need to pick the child up after class at the school site.

Please help us ensure the safety of your TK/kindergarten student by meeting your child at his/her after school bus stop.

Sincerely,

*Paula Ford*
