Re: 23-24-11MOIB Del Sol Fence Project – Addendum #1

TO ALL BIDDERS:

The following changes, omissions, and/or additions to the Bid Documents and/or Project Manual and/or Drawings shall apply to proposals made for and to the execution of the various parts of the work affected thereby, and all other conditions shall remain the same. All parties of interest shall take careful note of the addendum so that the proper allowances may be made in strict accordance with the Addendum.

***Bidder shall acknowledge receipt of this addendum in the space provided on the Bid Form. Failure to do so may subject Bidder disqualification.***

In case of conflict between Drawings, bid documents and this addendum, this addendum shall govern.

ITEM #1      **Question:** Our contractor's license is C23, which is ornamental metals. This licenses us to build fencing, gates, railings, handrails, etc. The project bid packet says that you accept A, B, and C13 but does not mention C23. We are permitted to bid iron fencing projects by the state, but I wanted to confirm that the school district does not have an issue with it.

**Answer:** This project follows the criteria set by the District's Modernization projects and limits the contractor's license for this project to A, B, or C13. The C23 license for Ornamental Metals will not be accepted.

**LEARNING WITHOUT LIMITS**
