Stone Avenue Elementary School
2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.
	For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/
	For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/
	For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Stone Avenue Elementary is part of Jurupa Unified School District located in Jurupa Valley, California and is one of three Dual Immersion Elementary sites. Here students become bilingual and bi-literate in both English & Spanish. The program is integrated within our school, with 14 Dual Immersion classes and 13 monolingual English classes, from TK to Sixth Grade. The school year is 180 traditional days of which 37 are minimum days to support teacher collaboration and professional development. The staff is dedicated to providing a positive, safe environment that promotes student achievement so that each student can reach his/her potential.

Stone Avenue's School Plan is aligned to the goals of the district including College and Career Readiness, Data Driven Decision Making, Safe and Orderly Environment, and Parent, student and community engagement. Stone Avenue's enrollment is 617 students, from TK through Sixth grade. The school has a culturally and linguistically diverse population with the main ethnic representation being 86% Hispanic, 10% White, & 1.18% African American, and other (left blank) . The school population includes 31% English Language Learners (ELLs) & 70% percent of the students that are socio-economically disadvantaged.

Stone Avenue's Dual Immersion Program is a unique educational program designed to develop bilingualism and biliteracy in English and the target language, Spanish. This is a voluntary program and instruction is provided by highly trained and specialized teachers. Students learn California standards in all subject areas, and become linguistically and academically fluent in both languages. The program follows the 90/10 model of Two Way Immersion (TWI). The first number refers to the amount of instructional time initially spent for instruction in the target or non-English language in kindergarten. The second number refers to English. In a 90:10 model the amount of the target language decreases yearly as English increases until there is a 50:50 balance of the languages generally in grades four through six. English time must be carefully defined and implemented. High quality curriculum and instruction are essential. Research shows that when programs are fully implemented according to the program design, English learners in 90:10 models score as well as or better than their peers in other programs in English tests (Lindholm-Leary, 2001; Dual Language Education, Multilingual Matters LTD).

Stone Avenue Elementary students are serviced by 27 teachers, all of whom are fully credentialed. We also have two Full-Time Class Reduction Intervention Teachers, One Educational Specialist, a Part-time Psychologist, and a Part-time Speech Pathologist. We also have an Instrumental Band Teacher one day per week. The school campus has 37 classrooms, a multipurpose room, library, and main office. Our staff participates in common meetings through district principal meetings and

Mission
The mission of Stone Avenue Elementary School is to promote the successful academic and social/emotional development of all our students. We do this by providing the best first instruction, holding high expectations, inspiring a love of life-long learning, and instilling a commitment to excellence in our students. This achievement is based on providing quality first instruction, meeting the needs of all students through differentiated and individualized instruction, guided reading, and working collaboratively and using data to identify strengths and challenges. Our staff's goal to meet all students' needs is evidenced by consistent, ongoing analysis towards standards mastery through district wide formative assessments including Performance Tasks, DIBELS, STAR Reading, iStation, and informal classroom assessments. The goals for and of every student are mastery of state standards, social/emotional development, and college/career readiness.

Vision
The vision of Stone Avenue School is to cultivate a culture of equity where the educational practices, assessments and school values are aligned to provide every student access to opportunity and success. This is where excellence is the norm for all students and educators are deliberate about creating an equitable culture where all students receive the resources they need to prepare for College and/or Career. We do this by creating a safe environment where students take risks, collaborate, authentically engage, and take ownership of their learning; where learning intentions are clear to educators and students and the use and review of formative assessment data drives individual student support.

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Jurupa Unified School District conducts an evaluation of instructional materials to adopt materials that best meet the needs of students. The district conducts adoptions on a districtwide basis. The review process includes a committee of a majority of classroom teachers in the appropriate discipline (Education Code Section 60210). In addition, all instructional materials are in compliance with social content standards. When making adoption decisions, the adoption committee uses the content standards, the curriculum frameworks, the State Board of Education-adopted evaluation criteria, and the reports on each adoption as resources. The final decision for selecting and recommending textbook adoptions is with the adoption committee. The most recently adopted textbooks were selected from the state-approved list.

All students, including English learners, have standards-aligned textbooks checked out to them, to use in class and to take home, in each of the core curriculum areas of reading/language arts, mathematics, science and history/social science; foreign language and health; visual and performing arts; and science laboratory equipment for grades nine through twelve as appropriate.

Elementary students receive core curriculum textbooks on the first day of enrollment. Middle school and high school students receive textbooks checked out to them at registration days a few days before the first day of school. All students enrolling after the first day of school have core curriculum textbooks checked out to them by the Library Clerk on their first day of enrollment.

School Facility Conditions and Planned Improvements

Our custodial staff, consisting of 1 daytime custodian, 1 mid-day custodian, and 1 evening custodian, perform basic cleaning operations in every classroom on a regular basis. The safety, cleanliness, and adequacy of our school facilities are a high priority to the District. Overall, school grounds and facilities are in good repair maintenance does an excellent job at maintaining the facilities. The District's Deferred Maintenance Plan is assessed and updated every year. Work generated by the Deferred Maintenance Plan is generally completed during the summer months. Fire inspections are conducted on an annual basis and any issues are addressed immediately. The District also has an internal inspection team conducting annual safety inspections of all sites. All safety-related items are handled as top priority.

Safety is maintained through the coordination and efforts of several different agencies, including the local fire department, Keenan and Associates (Administrator of Workers' Compensation), Industrial Indemnity (Liability Insurance Carrier), the district safety committee, and our own school custodians.

Stone Avenue Elementary School has 8 Activity Supervisors to support student safety. Stone Avenue Elementary School in accordance with Senate Bill 187 has safe school strategies that include information on the status of school crime and the following elements: Safe school programs; child abuse reporting procedures; disaster response procedures; suspension and expulsion policies pursuant to Education Code Section 48900, 48915, and 49079; the District's Discipline Handbook and Sexual Harassment Policy; our school dress code; and procedures and rules for safety on the way to and from school as well as during school hours. This plan will be updated every year and approved by our School Site Council by March.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options
Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents and community members are highly encouraged to be involved with Stone Avenue Elementary in a variety of ways including decision-making committees, activities, and programs. Parents are invited to participate in our School Site Council (SSC), English Learner Advisory Committee (ELAC), Gifted and Talented Education (GATE) and Parent/Teacher Organization (PTO). Due to COVID, parents will be able to participate in workshops via Zoom. Once restrictions are lifted due to COVID, Stone avenue will continue on-campus activities such as ELAC, SSC, Parent Workshops, and Fall Festival. Currently all parent involvement activities are held online. If you have any questions regarding, please contact Stone Avenue Elementary at (951) 360-2839.

C. Engagement	State Priority: School Climate

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.34	0.01	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Stone Avenue Elementary in accordance with Senate Bill 187, has safe school strategies that include information on the status of school crime and the following elements: safe school programs; child abuse reporting procedures; disaster response procedures; suspension and expulsion policies pursuant to Education Code Section 48900, 48915 and 49079; the District's Discipline Handbook and Sexual Harassment Policy; our school dress code; and procedures and rules for safety on the way to and from school as well as during school hours.We also promote anti-drug, anti-alcohol school-wide by celebrating Red Ribbon Week and Yellow Ribbon Week with assemblies and special activities. Stone Avenue Elementary also implements Social and Emotional Learning activities to support student wellness.(BSEL). Our school also participates in Kindness month activities. Teachers hold morning meetings daily and integrate Social Emotional Practices (SEL) throughout the day.

The School Safety Plan is updated every year and approved by our School Site Council. Staff and students practice fire drills monthly. Disaster drills are held twice each year, and our site has emergency water, food supplies, first aid supplies, radios, lights, and tools for emergency situations. The Riverside County Fire Department and the JUSD Safety Committee hold regular safety inspections. The school safety plan was most recently reviewed and updated in October 2021.

Professional Development

The Jurupa Unified School district is committed to providing high-quality, research-based professional development to all its teachers. Professional development continues to focus on ELA and math Units of Study (Leadership and Learning Center Rigorous Curriculum Design consultants and Jurupa writing committee teachers, providers). There was also a focus to expand Impact Team training and scale up to other grade levels to increase teacher and student efficacy. We continue to provide professional development on balanced literacy emphasizing guided reading structures and strategies. Professional development through Alludo provides staff the ability to self-select modules to meet their individual professional goals.

These trainings provided teachers with the skill and tools necessary for implementing high-quality instruction to a range of students in their TK-12 classrooms. Teachers and staff helped to identify safety and health concerns, technology/equipment needs, tools to support student engagement and digital learning and assessment, support for the social-emotional wellbeing of students, the need for ongoing teacher collaboration, and professional development to support distance learning.

During the 2021-2022, teachers at Stone Avenue Elementary focuses on teacher clarity, student clarity and ownership, success criteria and rubrics. Formative assessments will be implemented throughout the school year that will drive instruction and collaboration at these grade levels. The site technology coordinator also provides online support for teachers and our AVID Coordinator will provide support for AVID in the classrooms.

The 2021-22 planned professional development days include 64 partial days and 48 full days.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
