School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
West Riverside Elementary School	33 67090 6032247	05/16/2024	June 24, 2024

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan (LCAP) process.

This SPSA template consolidates all school-level planning efforts into one plan for programs funded through the Consolidated Application (ConApp), and for federal Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements for both the SPSA and federal ATSI planning requirements.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the local educational agency (LEA) that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 64001(g)(1), the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

This plan is being used by West Riverside Elementary School for meeting ESSA's planning requirements for Additional Targeted Support and Improvement (ATSI) in alignment with the LCAP and other federal, state, and local programs.

This template is based on the December, 2023 CDE revision of the School Plan for Student Achievement. Some modifications have been made inform the SPSA development process.

# Plan Description

Briefly describe your school's plan for effectively meeting the ESSA's planning requirements for Additional Targeted Support and Improvement (ATSI) in alignment with the Local Control and Accountability Plan (LCAP) and other federal, state, and local programs.

Our school conducted a thorough needs assessment, analyzing student achievement data across various subgroups. This analysis revealed a concerning gap in English Language Arts (ELA) with our Socioeconomically Disadvantaged, English Learners, and Hispanic student groups and a concerning gap in mathematics with our socioeconomically disadvantaged, English Learners, Hispanic, and Students with Disabilities (SWD). Also, English learners' progress indicates very low achievement in the areas of English Language Arts and Math, demonstrating lower proficiency than their peers.

In response, our district developed a comprehensive goal within its Local Control and Accountability Plan (LCAP) to significantly increase college and career readiness, particularly emphasizing closing the gap for these identified subgroups. Our school mirrored this goal, breaking it down into specific, measurable targets aligned with our student population.

To achieve this goal, we developed a multi-faceted strategy leveraging funding from multiple sources in a coordinated manner. LCAP funds support the implementation of the provision of professional learning community (PLC) time for staff to collaborate on curriculum implementation, effective strategies/ideas/resources, participate in goal setting, calibrating lessons/assessments and data analysis for Math, English Language Arts, English Language Development, Science, Social Studies, PE, Technology, SEL, and Dual Immersion, including, but not limited to, contract(s) with consultant(s), Coaches, and JUSD TOSA (s). Funds from the Every Student Succeeds Act (ESSA) are designated for professional development. They are focused on research-based strategies for teaching math to socioeconomically disadvantaged students and English learners to enhance our instructional approaches further. Recognizing the importance of family engagement, we also utilize local funds to provide translation services for parent workshops, empowering families to support their children's academic success.

We've established a robust system of monitoring and evaluation. Regular assessments track the progress of all students, with particular attention paid to our target subgroups. We've set a clear timeline for analyzing this data, allowing us to quickly identify the most effective strategies and modify our approach to maximize learning gains. Transparency remains a priority, and we actively share our plan, progress updates, and outcomes with parents and community members.

This integrated approach, drawing from ESSA, the LCAP, and local funding streams, demonstrates our school's deep commitment to ensuring that every student receives the support they need to excel in academics, regardless of background or language proficiency.

## Educational Partner Involvement

How, when, and with whom did your West Riverside Elementary School consult as part of the planning process for this SPSA/Annual Review and Update?

### Involvement Process for the SPSA and Annual Review and Update

West Riverside is very inclusive and welcoming of input from staff, students, parents, and the community to build a strong SPSA for school improvement and student achievement. School Site Council is involved throughout the year in monitoring and implementation of the school plan. Parent groups meet regularly, and input is collected/sought regarding school programs within meetings and surveys issued: ELAC, SSC, PTA, GATE, Community Schools Committee, Leadership Team, and various parent events. LCAP survey is completed annually by all educational partners, students, staff, and parents to identify needs in safety, instruction, parent involvement, and student engagement. There are also consultations with district administration, leadership team SBCEP meetings, and principal meetings. The Instructional Council, DAC, and DELAC representatives participate by attending district meetings and bringing information back to SSC and ELAC. West Riverside has parent representation on the District Committees for Special Education, African American Advisory Council, and GATE. West Riverside Student Ambassadors (Student Leadership) provide input regularly through monthly meetings. The administration recognizes that West Riverside students have a perspective on the school climate, activities, and instructional practices/traditions that is welcomed and encouraged in the SPSA/Annual Review and Update planning process. Input was provided by SSC/Grade Level Teams/Leadership Team during April/May meetings with a specific focus on Improving achievement status in subgroups, including English Learners, Hispanics, Socioeconomically Disadvantaged, and Students with Disabilities. These are the specific student groups that

led to the ATSI designation. Title I Involvement Meeting, Community School Meeting, School Site Council, Staff, Partnerships, ELAC, Parents during workshops, Social Media, Events

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

This section is required for all schools eligible for ATSI and CSI only.

West Riverside Elementary has one student group for ATSI designation: English Learners. These students have been singled out due to their lack of progress in English Language Development and their "very low" scores in English Language Arts and Mathematics.

If West Riverside Elementary were to receive additional fiscal resources, the following priorities would be emphasized:

1. Implementing Extended Learning Opportunities (ELO) tailored to enhance mathematics and English Language Arts academic growth.
2. Establishing newcomer support classes for students and their families, focusing on social-emotional development/support and English as a Secondary Language (ESL).
3. Additional professional development opportunities should be provided for teachers to enhance their proficiency in evidence-based teaching strategies specifically tailored for English learners and students dually identified as EL and Special Education.
4. Conducting parent workshops to empower families to offer language support within the home environment.
5. On-going coaching and consulting hours for targeted feedback to improve instructional strategies used in classrooms with English Learners.

## Comprehensive Needs Assessment Components

Identify and describe any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

### California School Dashboard (Dashboard) Indicators

Referring to the California School Dashboard (Dashboard), any state indicator for which overall performance was in the "Red" or "Orange" performance category.

On the CAASPP ELA, West was Red (very low).  
On the CAASPP Math, West Riverside was Orange (very low).

Referring to the California School Dashboard (Dashboard), any state indicator for which performance for any student group was two or more performance levels below the "all student" performance.

CAASPP ELA: Socioeconomically Disadvantaged, English Learners, Hispanic  
CAASPP Math: Socioeconomically Disadvantaged, English Learners, Students with Disabilities, Hispanic  
CAASPP English Learner Progress: English Learners

### Other Needs

In addition to Dashboard data, other needs may be identified using locally collected data developed by the LEA to measure pupil outcomes.

To address other needs identified by educational partners and NWEA, demonstrating similar results to that of the CAASPP, West Riverside purchased evidence based literacy programs to focus on the explicit instruction of phonics and phonemic awareness for primary grades in both English and Spanish to meet the needs of all students. There has been a strong focus on literacy intervention that occurs daily in all classrooms. Progress monitoring data is being collected and reviewed regularly to ensure instruction is tailored to meet the needs of each student during intervention blocks.

## Student Enrollment

This report displays the annual K-12 public school enrollment by student ethnicity and grade level West Riverside Elementary School. Annual enrollment consists of the number of students enrolled on Census Day (the first Wednesday in October). This information was submitted to the CDE as part of the annual Fall 1 data submission in the California Longitudinal Pupil Achievement Data System (CALPADS).

### Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
American Indian	%	0.16%	0.17%		1	1

Grade 4	102	98	80
Grade 5	98	104	99
Grade 6	107	103	97
<b>Total Enrollment</b>	611	608	600

#### Conclusions based on this data:

1. Hispanic/Latino students continue to be the largest sub-group at West Riverside Elementary at 95% for the 2022-2023 school year.
2. The overall enrollment has declined over the last three years at West Riverside Elementary.
3. Overall enrollment declined from 611 to 600 students, however kindergarten enrollment has increased over the three years.

## English Learner (EL) Enrollment

This report displays the annual K-12 public school enrollment by English Language Acquisition Status (ELAS). This information was submitted to the CDE as part of the annual Fall 1 data submission in the California Longitudinal Pupil Achievement Data System (CALPADS).

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
English Learners (EL)	284	297	321	46.5%	48.8%	53.5%

Reclassified Fluent English Proficient (RFEP)	6	5	10	2%	2%	3%

### Conclusions based on this data:

1. Enrollment for English Learners has increased from 46.5% to 53.5% over the last three years.
2. Enrollment of students who are designated Fluent English Proficient have decreased from 19.5% to 13.2% over the last three years.
3. Reclassifications of English Learners increased 1% last year.

## CAASPP Results English Language Arts/Literacy (All Students)

The Smarter Balanced Summative Assessments for ELA and mathematics are an annual measure of what students know and can do using the Common Core State Standards for English language arts/literacy and mathematics.

The purpose of the Smarter Balanced Summative Assessments is to assess student knowledge and skills for English language arts/literacy (ELA) and mathematics, as well as how much students have improved since the previous year. These measures help identify and address gaps in knowledge or skills early so students get the support they need for success in higher grades and for college and career readiness.

All students in grades three through eight and grade eleven take the Smarter Balanced Summative Assessments unless a student's active individualized education program (IEP) designates the California Alternate Assessments.

Visit the California Department of Education's [Smarter Balanced Assessment System](#) web page for more information.

The English Language Proficiency Assessments for California (ELPAC) system is used to determine and monitor the progress of the English language proficiency for students whose primary language is not English. The ELPAC is aligned with the 2012 California English Language Development Standards and assesses four domains: listening, speaking, reading, and writing.

Visit the California Department of Education's [English Language Proficiency Assessments for California \(ELPAC\)](https://www.cde.ca.gov/ta/tg/eng/elpac/) web page or the [ELPAC.org](https://elpac.org) website for more information about the ELPAC.

## California School Dashboard Student Population

The 2023 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

This section provides information about the school's student population.

<b>600</b>	<b>90</b>	<b>53.5</b>	Students whose well being is the responsibility of a court.
Total Number of Students enrolled in West Riverside Elementary School.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	

2022-23 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	321	53.5
Foster Youth		
Homeless	3	0.5
Socioeconomically Disadvantaged	540	90
Students with Disabilities	64	10.7

American Indian	1	0.2
Asian	2	0.3
Filipino	2	0.3
Hispanic	571	95.2
Two or More Races	3	0.5
White	7	1.2

### Conclusions based on this data:

- Students identified as English Learners make up 53.5% of the school enrollment. This group of students has been identified by the state as an additional targeted support and improvement (ATSI) group.

2. Students identified as socioeconomically disadvantaged make up 90% of the school's total enrollment.
3. Students who have been found eligible for special education services have been identified as 10.7% of the school's total enrollment; Of which 8.81% are students who are dually identified English Learners and students eligible for special education services.

## Overall Performance

The 2023 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words “No Performance Color.”

### 2023 Fall Dashboard Overall Performance for All Students

Academic Performance	Academic Engagement	Conditions & Climate
<b>English Language Arts</b>  Red	<b>Chronic Absenteeism</b>  Yellow	<b>Suspension Rate</b>  Green
<b>Mathematics</b>  Orange		
<b>English Learner Progress</b>  Red		

#### Conclusions based on this data:

1. West Riverside is currently in the lowest academic performance range for students who have been identified as English Language Progress.
2. West Riverside is currently in the red range in the area of mathematics for the following subgroups: students who have been identified as English Learners and Students in the socioeconomically disadvantaged group. West Riverside is currently in the red range for in the area of English Language Arts for the following subgroups: Students

who have been identified as English Learners, Hispanic Students, and Students in the socioeconomically disadvantaged group.

3. West Riverside is currently in the yellow range for all students in the area of chronic absenteeism. The subgroups most impacted are students who have been identified as English Learners, Hispanic Students, and Students in the socioeconomically disadvantaged group.

Less than 11 Students  4 Students	Less than 11 Students  1 Student	Less than 11 Students  2 Students	 No Performance Color 0 Students
Hispanic	Two or More Races	Pacific Islander	White
 Orange 115 points below standard Increased +3.6 points  304 Students	Less than 11 Students  2 Students	 No Performance Color 0 Students	Less than 11 Students  1 Student

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in mathematics

### 2023 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
139.4 points below standard Increased +6.1 points  156 Students	42.8 points below standard Increased Significantly +28.8 points  21 Students	112.3 points below standard Increased +11.2 points  102 Students

#### Conclusions based on this data:

1. The overall students group increased by 4.2 points.
2. West Riverside's students with disabilities increased in mathematics 5.7 points.
3. West Riverside's students designated as English Learners decreased by 3.6 points.

# School and Student Performance Data

## Academic Performance English Learner Progress

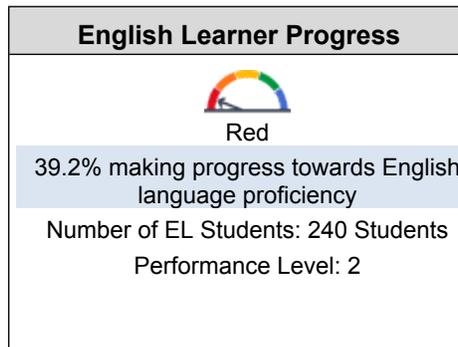

The 2023 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words “No Performance Color.”

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

### 2023 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

### 2023 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
62	84	3	91

#### Conclusions based on this data:

1. English Learner progress was designated as red (low) based on the number of students making progress toward the standard.
2. 62 of English Learners' scores decreased, while 84 maintained at levels 1, 2L, 2H, 3L, and 3H.
3. 91 students designed as English Learners progress one level on the ELPAC test.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal 1

### Title and Description of School Goal

Broad statement that describes the desired result to which all strategies/activities are directed.

#### **All students will be college and career ready.**

The aim of college and career readiness is to ensure all students graduate high school prepared for their futures. This means equipping them with the academic foundation, critical thinking skills, and real-world experience to succeed in either higher education or directly in their chosen career path. By fostering college and career readiness, we empower students to transition smoothly into their next chapter and contribute meaningfully to the workforce.

### LCAP Goal to which this School Goal is Aligned

LCAP goal to which this school goal is aligned.

All students will be college and career-ready.

### Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

Based on the California Dashboard data, West Riverside's overall performance on the CAASPP for ELA was red (very low) and orange (very low) in the area of Math. Similarly, CAASPP ELA data indicates that the following subgroups have 2 or more performance levels below all students: Socioeconomically disadvantaged, English learners, and Hispanic. For CAASPP Math, data indicates that the following subgroups are 2 or more performance levels below all students: Socioeconomically Disadvantaged, English Learners, Hispanic, and Students with Disabilities. Lastly, CAASPP English Learner Progress indicates very low achievement in the areas of ELA and Math. West Riverside will continue to implement evidence-based instructional strategies and practices from trainings and workshops, including Quality Teaching for English Learners, Universal Design for Learning, and RCOE Math. Teachers will plan for strategies, resources, and formative assessments to be used during instruction on Wednesday collaboration days. Teachers will also commit as a professional learning community to identify Question 1: What is it we expect students to learn?; Question 2: How will we know when they have learned it?; Question 3: How will we respond when they don't learn?; Question 4: How will we respond when they already know it?

### Annual Measurable Outcomes

Strategy/Activity #	Description	Students to be Served	Proposed Expenditures
1.1	<p>CCSS Implementation The planned actions for CCSS (Math, ELA, ELD, Science, and Social Science), PE, and SEL implementation include:</p> <p>A. Provide PLC time for staff to collaborate on curriculum implementation, effective strategies/ideas/resources, participate in goal setting, calibrating lessons/assessments and data analysis for Math, English Language Arts, English Language Development, Science, Social Studies, PE, Technology, SEL and Dual Immersion. Including, but not limited to, contract(s) with consultant(s), Coaches, and JUSD TOSA (s).</p> <p>B. Utilize district-approved assessment resources and learning programs, IABs, running records, teacher observations, formative assessments, and summative assessments to monitor student progress and plan daily instruction.</p> <p>C. Provide professional development that focuses on second language acquisition, culturally responsive teaching, ELD, and the EL Roadmap. District-offered PD will be available to teachers on evidence-based best practices and strategies to support English learners.</p>	All Students including ELLs, Hispanic, SED	<p>88897 LCFF Suppl/Conc -- 0707 2000-2999: Classified Personnel Salaries Five Bilingual Language Tutors Salaries (3 hrs. each)  24000 Title I Basic -- 3010 2000-2999: Classified Personnel Salaries One Bilingual Language Tutor Salary (3 hrs)  6358 Title III LEP -- 4203 2000-2999: Classified Personnel Salaries One Bilingual Language Tutor Salary (3 hrs)  72553 LCFF District -- 500 0707 2000-2999: Classified Personnel Salaries Media Center Clerk Salary  3000 LCFF Suppl/Conc -- 0707</p>

<p>D. Assigning Bilingual Language Tutors (BLTs) who are designated to classrooms containing students identified as English Learners. These students, who have identified learning gaps, strive for language acquisition proficiency. BLTs support EL students by providing small group support and reinforcing lessons for 3 hours a day, 5 days a week.</p> <p>E. Release time for grade-level lead teachers to administer and/or review district-required assessments or site-developed common assessments.</p> <p>F. Provide release time/extra hours for teachers to prepare and hold workshops for parents on Common Core State Standards, ELD, GATE, PBIS/SEL, Dual Immersion, Technology, etc.</p> <p>G. Provide roving subs for teachers to attend meetings to discuss their student's progress during IEPs, SSTs, and 504s.</p> <p>H. Provide additional funding for the Library and Digital Resources/ Technologies.</p> <p>I. The Elementary Media Center Clerk (EMCC) is assigned to the library and will coordinate the availability of materials for teachers to implement the grade level common core standards and other supplemental materials to support the implementation and assessments of ELA/Math CCSS. EMCC will also provide teachers with technology support through Chromebooks, digital citizenship, Ebooks, and other software. EMCC will monitor the Makerspace/Innovation Center.</p> <p>J. GATE facilitator will coordinate classes that will be offered for GATE students to participate. These classes will focus on topics that extend from the classroom or CCSS. Classes may be held before, during, or outside the regular instructional day. Materials, supplies, incentives, and technologies are needed to support and enhance student learning.</p> <p>K. Provide release time to plan professional development or gather resources/materials/supplies/etc. For English Language learner instruction and to provide time for collaboration with DI, Regular Education Teachers, and Special Education specialists.</p> <p>L. Digital Citizenship schoolwide: A plan to build students' digital literacy and enhance digital citizenship. Common-sense learning lessons and additional resources are utilized.</p> <p>M. 1.2	<p>Intervention The planned actions for Literacy and Math Support Teachers (also known as Intervention Teachers) include:</p> <p>A. Two full-time Literacy Specialist Teachers (LST) and one full-time Math Support Teacher (MST) will be provided for our 1st - 6th grade students. Identified students performing below grade level in 1st-6th grade in reading and/or math may be given the opportunity to participate in a reading and/or math intensive intervention program. Students will be identified for these programs using NWEA assessments/monitoring and a variety of other data results and assessments.</p> <p>B. All 1st through 6th-grade students who need ELA intervention will participate in an inclusion model. Small-group differentiated instruction will be provided to ensure that all students have access to cross-curricular integration opportunities in the classroom. Guided reading will be one of the vehicles by which differentiation will occur. All first through sixth-grade teachers, Intervention teachers, education specialists, and paraprofessionals have received training in the guided reading and progress monitoring tools (DIBELS/NWEA). Teachers will be provided with resources that they can use to support their ELA instruction.</p> <p>C. Intervention teachers will continue to participate in professional development on intervention strategies, NEWA assessments, and ELD strategies. They will support K-6 Foundational Skills/Early Literacy/Primary Intervention and Intensive Intervention Support with supplies and materials, attend professional development, and use technology and software, including Amplify/Boost Reading, to support these programs.</p> <p>D. Intervention teachers will provide support and resources for Newcomers.</p> <p>The schoolwide planned actions include:</p> <p>E. Teachers will continue to be provided with upgrades, computer replacements, and N-Computing system purchases on a computer enhancement and replacement cycle. 	<p>F. Teachers have been provided with English Language Arts (ELA), Math, and English Language Development (ELD) instructional materials TK-6 with professional support from the publisher and language services staff with materials in both print and digital formats. All English Learner students receive instruction in the domains of Reading, Writing, Speaking and Listening, and Language as integrated ELD in addition to a minimum of 30 minutes of daily Designated ELD. Integrated and designated ELD coaching and standards implementation support will be focused on with support curriculum and consultant training through Language Services. Support is also provided through EL facilitators, BLTs, and Literacy Intervention Teachers.</p> <p>G. Extended Day Learning and Student Engagement Opportunities - Students will be invited to participate in academic review/remediation/enhancement activities to increase student achievement and engage in SEL, Physical Education, and academic school activities.</p> <p>H. Purchase additional library books to provide additional reading materials for ELL students, provide equitable resources, and replace older books.</p> <p>I. Funds will be allocated for the purchase of materials and supplies to implement behavioral/mental health lessons, counseling, strategies, and interventions, including schoolwide behavior management systems, grief counseling, addressing trauma, and helping to implement social skills lessons.</p> <p>J. Resources and incentives will be provided to our students with disabilities, socio-disadvantaged, Hispanic, and English Language Learners to allow for support and recognition as they continue to make progress toward their IEP goals, English proficiency, and grade level CCSS.</p> <p>K. Classified support will provide necessary assistance to implement supplemental services to meet the needs of students requiring additional services. This may include in-person, small group, one-on-one, or distance learning support.</p>		
<p><b>1.3</b></p>	<p>Staff Development/Collaboration The planned actions for Staff Development/Collaboration include:</p> <p>A. The school will facilitate and support teacher grade level (TK-6) collaboration meetings in order to plan and discuss lesson delivery (based on curriculum-embedded assessment and NWEA data) for the adopted program in ELA/Math (e.g.,</p>	<p>All Students including ELLs, Hispanic, SED</p>	<p>3000 LCFF Suppl/Conc -- 0707 5800: Professional/Consulting Services And Operating Expenditures Consulting/Conferences</p>

use of regularly scheduled meetings focused on lesson delivery and data analysis). The principal will monitor collaboration planning for each grade level to ensure that best practices are being discussed and data is being used to drive classroom instruction through classroom walk-throughs and collaboration meeting minutes.

B. Release time will be provided for Special Education Specialists to plan instruction with general education teacher(s) on inclusion and how to address the needs of RSP/SDC students in the class. Teachers will plan using best practices and focus on various instructional models for inclusion. Release time will also be provided for special education specialists and general education teachers to attend IEP meetings, transitional meetings, and parent conferences.

C. Teachers will continue to participate in professional development that outlines research-based instruction and effective teaching strategies for all students during ELD, strategic intervention support, and implementation of CCSS in ELA/Math and science. Alludo, the district's virtual professional development platform, includes sessions specifically for classroom teachers and paraprofessionals on effective teaching strategies for all students, including ELL, RSP, SDC, and GATE students.

D. Professional development will be provided schoolwide to inform and keep abreast of dual immersion practices, program expectations, and implementation at West Riverside to ensure collaboration between dual immersion and existing campus expectancies, practices, and traditions.

E. The Intervention teachers will attend district training sessions to increase instructional and research knowledge and build expertise. Intervention teachers will participate in professional and staff development that focuses on best-practice interventions and student monitoring. They will assist with administering the NWEA to identify those students who need intervention in ELA and math. Intervention teachers will continue to provide early literacy, foundational skills, and intensive intervention support. Math Intervention Teacher will provide additional math support to identify students who may be struggling in math.

F. Teachers will participate in staff development on the ELD standards that focus on Integrated and Designated ELD instruction, second language acquisition, ELD, and culturally responsive teaching. They will receive professional development and collaborate on the EL Roadmap with a focus on West Riverside identified EL students and their needs. There will be a schoolwide focus on filling gaps, accelerating learning, and supporting EL students equitably.

Teachers will also continue to collaborate on strategies for increasing language acquisition for English learners and to work in grade-level teams for standards-based planning using common core standards and data analysis of NWEA Assessments, ELPAC, and CAASPP results to identify and strategically plan to fill the gaps and progress English language learning students towards proficiency. Alludo, the district's virtual professional development platform, includes sessions specifically for classroom teachers and paraprofessionals on ELD instruction and strategies targeting English Learners. Language Services will provide specific Professional Development on ELD (Designated & Integrated) and curriculum. Consultants and Coaches will be provided by Language Services to implement Kate Kinsella's curriculum and strategies in grades 4th-6th. A focused ELD program/curriculum/strategies (TBD) will be provided and supported for TK-3rd-grade teachers to implement in the classroom. The principal and teachers will continue to work together on minimum days to collaborate on strategies for producing cohesive program instruction and ensuring student achievement in language acquisition and reading/language arts.

G. English Learners receive daily designated and integrated ELD. Teachers are provided support using Ellevation and the Alludo platform, which focuses on research-based instructional strategies targeting English Learners. Bilingual language tutors provide additional support to EL students as well.

H. Teachers will be provided staff development on the Next Generation Science Standards (NGSS) and the new science adoption TWIGS. Release time and staff development will be provided for the planning of lessons using these standards and curriculum. Teachers will have a choice and be provided to use science notebooks as part of their instruction in science.

I. The technology facilitator will provide technology staff development on topics such as Google, Common Sense Media, Q communication, Canvas, and Digital Citizenship. The site committee will develop a technology plan and implement it throughout the school year. Alludo, the district's virtual professional development platform, includes sessions specifically for classroom teachers and paraprofessionals on technology and how to use it effectively in the classroom.

J. West Riverside's grade-level articulation of writing expectations will continue to be refined and put into practice in grades K-6. Teachers and paraprofessionals will receive additional training focusing on writing across the curriculum and AVID 3-column notes.

	<p>K. Grade-level collaboration release days will be focused on equitable, strategic, and purposeful professional development, including instructional rounds, micro-teaching, success criteria, planning and collaboration of scoring and calibrating, Data Analysis, SMART goals, and next steps, NGSS/TWIGS science implementation, early literacy development, inclusion practices, and ELD implementation and strategies.</p> <p>L. # Annual Review

**SPSA Year Reviewed: 2023-24**

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required, and this section may be left blank and completed at the end of the year after the plan has been executed.

## Analysis

Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.

West Riverside Elementary is taking proactive measures to address the academic needs of its students, particularly English Learners and those with disabilities. Below is information on measures taken:

**Focus on English Learners and Students with Disabilities:**

The significant gaps in ELA and Math scores indicated the necessity for targeted support. The implementation of QTEL training for classroom and non-classroom teachers shows a commitment to improving instruction for English Learners. Continued support and professional development in this area will continue to be implemented.

**Intervention Support for targeted groups of students:**

Collaborating with LSTs and MSTs to analyze NWEA data and form guided reading and math groups allows differentiated instruction tailored to individual student needs.

Release time for grade levels to review student data for planning and planned Tier 2 and Tier 3 interventions was essential to ensure that struggling students received the necessary support. Ongoing assessments to monitor the effectiveness of these interventions were conducted to adjust strategies as needed based on ongoing assessment data.

**Bilingual Support:**

Bilingual Language Tutors supported English Learners during intervention groups in their acquisition of language development. They collaborate with various classroom teachers daily to ensure students receive the support they need.

By maintaining a focus on best instructional practices, providing targeted interventions, and fostering a collaborative and supportive school culture, West Riverside Elementary will continue to work towards closing the achievement gaps and promoting the success of all students.

Describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Actions were impacted due to resident subs being provided by the district and covering teachers for release time, eliminating the need to budget for release days. Also based on literacy needs, DIBELS/LECTURA and Boost Reading were purchased to support small-group instruction in the classroom.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

West Riverside Elementary will continue to focus on best first instruction and student learning by making strategic decisions to streamline resources and maximize the impact of its initiatives. Here's a breakdown of the proposed changes and their potential implications:

**Focus on Professional Development:**

Continuing professional development for teachers in QTEL enhances instructional practices, especially for English Learners and students with disabilities.

Combining actions related to staff development, collaboration, and professional development into one cohesive plan to help streamline efforts and ensure a more integrated approach to teacher support.

**Intervention Focus:**

Targeting literacy intervention for 1st-6th grade through Literacy Support Teachers and BLTs recognizing the critical role of early literacy skills in academic success.

Continue DIBELS/LECTURA and Boost Reading to ensure that the resources available adequately support instructional needs.

Transitioning from AVID to College and Career Readiness reflects a broader focus on preparing students for success beyond the classroom. This shift will align with the long-term goals of equipping students with the skills and knowledge necessary for post-secondary education and career pathways.

**Combining Actions:**

Throughout these changes, it's critical to maintain a system for monitoring and evaluating the impact on student outcomes. Regular data analysis using DIBELS/LECTURA, IABs, and teacher-created formative assessments, and feedback mechanisms will inform decision-making and ensure adjustments are made promptly to address emerging challenges.

The proposed changes demonstrate a strategic approach to resource management and program alignment. However, ongoing vigilance and flexibility will be necessary to navigate potential challenges and ensure that student needs remain at the forefront of decision-making processes.

## Goal 2

### Title and Description of School Goal

Broad statement that describes the desired result to which all strategies/activities are directed.

**All students will have a safe, orderly, and inviting learning environment.**

Our goal is to cultivate a learning environment where all students feel safe, respected, and supported. This means creating a space that is orderly and predictable, allowing students to focus on learning. We also want it to be inviting and stimulating, fostering a love of discovery and a sense of belonging.

### LCAP Goal to which this School Goal is Aligned

LCAP goal to which this school goal is aligned.

All students will have a safe, orderly, and inviting learning environment.

### Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

Based on chronic absenteeism data, West Riverside will invest and plan for incentives and school activities to improve school attendance.

### Annual Measurable Outcomes

C. The safety coordinator will annually revise the Safe School Plan to include these essential components: assuring each student a safe and healthy physical environment and assuring each student a safe, nurturing, and respectful emotional environment. The safety coordinator will work with the administration to include proactive emergency training for staff on procedures and expectations in case of emergency situations that could happen on the West Riverside campus. Each year the plan will be presented by the Safety coordinator to the English Language Advisory Committee (ELAC) and approved by the School Site Council. (SSC).

D. Students and staff will practice disaster procedures by participating in monthly emergency drills, including, but not limited to, fire, earthquake, and lockdown drills. Safety items and supplies will be purchased as identified through proactive practices to ensure disaster preparedness on campus.

E. Mental health support will be provided to students with continued services from behavioral health personnel and PICO referrals by school staff or parents. Behavior Health Therapist will also provide assistance with social skill development in support of positive behavior at school with students.

F. The health aide will provide appropriate health care and nursing services. The health aide will also communicate with parents regarding immunizations and allergies that might impact a student's school environment or education, including attendance. The health aide will monitor student medications and follow doctor's orders when appropriately provided. The health aide will follow any "Student Health Plan" the JUSD nurse provides. Health aide will monitor students who may show COVID systems and follow district protocols on safety guidelines.

G. Staff will annually revise and distribute/post (WR website) The Parent/Student Handbook. The handbook includes school rules and procedures for parents and students to reference, as well as SEL strategies and resources for parents and students to use as needed.

H. Extracurricular activities for students using teachers/consultants/support staff/volunteer community members will provide enriching opportunities/activities for students to be actively involved and engaged to enhance social and emotional well-being and physical fitness and promote teamwork. (Including but not limited to the Anti-Bully club)

I. West Riverside will operate the 100 Mile Club, which focuses on student health and well-being. Students will have the opportunity to participate in

# Annual Review

## SPSA Year Reviewed: 2023-24

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required, and this section may be left blank and completed at the end of the year after the plan has been executed.

## Analysis

Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.

According to data from the California Dashboard, a notable 6.9% reduction in chronic absenteeism has occurred. West Riverside has pursued strategies to address attendance concerns as part of its comprehensive Positive Behavioral Interventions and Supports (PBIS) framework. This initiative encompasses a range of proactive measures, commencing with engaging attendance-related activities and incentives for all students.

Moreover, the Student Attendance Review Team (SART) facilitates targeted interventions for students presenting 10-20% absenteeism rates. This collaborative effort ensures families receive the necessary assistance to support their children's attendance. In instances where additional or intensified support is warranted, the school coordinates with the district office to convene a Student Attendance Review Board (SARB) Meeting.

West Riverside is further enhancing its educational environment through the integration of a social-emotional curriculum utilized by all educators. Within this framework, initiatives such as introducing calming corners in classrooms, delivering tailored presentations addressing various student needs, implementing anti-bullying interventions, and adopting restorative practices for progressive discipline are paramount.

Additionally, the school fosters community partnerships, incorporating local stakeholders into various initiatives. This collaborative approach involves community partners in school events, facilitates informal gatherings with parents to solicit valuable input, and has witnessed a notable increase in parental engagement compared to previous years.

Distinctions in this academic year are evident through the enhancements in attendance incentives and approaches to student behavior. The introduction of a comprehensive school-wide PBIS Student Store at West Riverside reflects a strategic investment in incentive structures that have yielded positive outcomes, evident in the enthusiastic responses from students and families.

Furthermore, our disciplinary framework has undergone a transition towards a progressive model that prioritizes restorative practices. This model emphasizes the provision of tailored interventions aimed at fostering the transformation of undesirable behaviors into more socially acceptable conduct. This shift is critical in ensuring that our students acquire essential academic proficiencies and develop social competencies crucial for their success and engagement within their communities.

Describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The district provided professional development training for staff and additional funds for a site professional development plan, therefore, funds allocated for Professional Consultants were used to increase the funds for incentives and supplies/materials. West Riverside changed the approach to discipline to be more progressive so it is aligned to our PBIS systems. That also impacted discipline during recess which led to the removal of the responsibility room. Instead funds were used to provide incentives to reward students for their positive behaviors and improved attendance.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The strategies utilized to address a safe and healthy school environment, Positive Behavior intervention and supports, and attendance and leadership support will be consistent with the site adopted PBIS system. The use of progressive discipline requires a focus on Tier I supports and incentives that will be seen through classroom presentations, a student store, and school-wide activities to create a safe and healthy school environment.

## Goal 3

### Title and Description of School Goal

Broad statement that describes the desired result to which all strategies/activities are directed.

**All students will feel connected to their school community through engaging educational practices and partnerships with parents and community.**

We strive to build a strong school community where all students feel like valued members. This involves creating engaging educational practices that spark curiosity and make learning relevant. We also foster partnerships with parents and community members, allowing them to contribute to the learning experience and creating a support system that extends beyond the classroom walls. This collaborative approach ensures students feel connected, supported, and empowered to thrive.

### LCAP Goal to which this School Goal is Aligned

LCAP goal to which this school goal is aligned.

All students will feel connected to their school community through engaging educational practices and partnerships with parents and the community.

### Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

Based on the Panorama data and parent surveys regarding teacher communication and a welcoming environment, West Riverside will continue to build parent relationships by offering multiple opportunities for parent involvement, including parent meetings, workshops, and community activities. West Riverside staff will also support a welcoming environment through positive customer service and communication. In addition, West Riverside will work to increase communication with parents and work with parents to increase parent awareness of student learning and classroom expectations. West Riverside staff will also provide information about the PBIS program, which supports a positive school culture to improve students' connections with the school and request input for the next steps.

# Annual Review

**SPSA Year Reviewed: 2023-24**

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required, and this section may be left blank and completed at the end of the year after the plan has been executed.

## Analysis

Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.

Compared to last year, students' perceptions of the support and atmosphere at our school have improved, showcasing the success of our first year as a PBIS School with well-established tier 1 supports. Overall, students have noted a positive change in the school's culture and express greater enthusiasm about coming to school. This sentiment is echoed by school staff, who have observed a noticeable shift in the campus environment, sensing a momentum that is driving and fostering positive changes in the classroom.

Describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

As West Riverside works on creating a safe school environment, there was a focus on providing different activities during unstructured time which slightly changed the focus of providing organized sports during recess. Safeness is a top priority, and collaborative efforts were made to provide experiences led by parent volunteers and community school staff to ensure student safety instead of organized sports. As different grade levels planned for field trips, some opted for walking field trips, and others received funding support from school fundraising, leading to not fully utilizing the allocated funds for the 23-24 school year.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

A focus for next year will be to equitably provide students with access to field trips that provide learning experiences for growth. Additionally, West Riverside will work on providing more after-school opportunities for parent classes and involvement to address the needs of working parents who cannot attend involvement opportunities during the school day. In lieu of organized sports during recess that would require activity supervisors not actively supervising, West Riverside will work with Community Schools to provide structured activities supervised by other staff and parent volunteers to ensure student engagement and student safety.

# School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

Name of Members	Role
Marian Gutterud, Ed.D.	Principal
Jackie Cornett	Classroom Teacher
Ruben Perez	Classroom Teacher
Aaron Rogers, Ed.D.	Classroom Teacher
Martha Rodriguez	Other School Staff
Patricia Jimenez	Parent or Community Member
Brenna Hernandez	Parent or Community Member
Casey Aranda	Parent or Community Member
Estefania Amador Gonzalez	Parent or Community Member
Edith M. Valdez	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

# Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

**Signature**

**Committee or Advisory Group Name**

English Learner Advisory Committee

Other: Community Schools Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 5/16/24.

Attested:

Principal, Marian Gutterud, Ed.D. on 5/16/24

SSC Chairperson, Martha Rodriguez on 5/16/24

# Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan (LCAP) process.

This SPSA template consolidates all school-level planning efforts into one plan for programs funded through the Consolidated Application (ConApp) pursuant to California *Education Code (EC)* Section 64001 and the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the local educational agency (LEA) that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with *EC* 64001(g)(1), the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below.

## Plan Description

Briefly describe the school's plan to effectively meet the ESSA requirements in alignment with the LCAP and other federal, state, and local programs.

### **Additional CSI Planning Requirements:**

Schools eligible for CSI must briefly describe the purpose of this plan by stating that this plan will be used to meet federal CSI planning requirements.

### **Additional ATSI Planning Requirements:**

Schools eligible for ATSI must briefly describe the purpose of this plan by stating that this plan will be used to meet federal ATSI planning requirements.

## Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Within California, these stakeholders are referred to as educational partners. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Educational Partner Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

### **Additional CSI Planning Requirements:**

When completing this section for CSI, the LEA must partner with the school and its educational partners in the development and implementation of this plan.

### **Additional ATSI Planning Requirements:**

This section meets the requirements for ATSI.

## Resource Inequities

This section is required for all schools eligible for ATSI and CSI.

**Additional CSI Planning Requirements:**

- Schools eligible for CSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required school-level needs assessment.
- Identified resource inequities must be addressed through implementation of the CSI plan.
- Briefly identify and describe any resource inequities identified as a result of the required school-level needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

**Additional ATSI Planning Requirements:**

- Schools eligible for ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required school-level needs assessment.
- Identified resource inequities must be addressed through implementation of the ATSI plan.
- Briefly identify and describe any resource inequities identified as a result of the required school-level needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

## **Comprehensive Needs Assessment**

Referring to the California School Dashboard (Dashboard), identify: (a) any state indicator for which overall performance was in the “Red” or “Orange” performance category AND (b) any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. In addition to Dashboard data, other needs may be identified using locally collected data developed by the LEA to measure pupil outcomes.

**SWP Planning Requirements:**

When completing this section for SWP, the school shall describe the steps it is planning to take to address these areas of low performance and performance gaps to improve student outcomes.

Completing this section fully addresses all SWP relevant federal planning requirements.

**CSI Planning Requirements:**

When completing this section for CSI, the LEA shall describe the steps the LEA will take to address the areas of low performance, low graduation rate, and/or performance gaps for the school to improve student outcomes.

Completing this section fully addresses all relevant federal planning requirements for CSI.

**ATSI Planning Requirements:**

Completing this section fully addresses all relevant federal planning requirements for ATSI.

## **Goals, Strategies/Activities, and Expenditures**

In this section, a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

**Additional CSI Planning Requirements:**

When completing this section to meet federal planning requirements for CSI, improvement goals must also align with the goals, actions, and services in the LEA’s LCAP.

**Additional ATSI Planning Requirements:**

When completing this section to meet federal planning requirements for ATSI, improvement goals must also align with the goals, actions, and services in the LEA's LCAP.

**Goal**

Well-developed goals will clearly communicate to educational partners what the school plans to accomplish, what the school plans to do in order to accomplish the goal, and how the school will know when it has accomplished the goal. A goal should be specific enough to be measurable in either quantitative or qualitative terms. Schools should assess the performance of their student groups when developing goals and the related strategies/activities to achieve such goals. SPSA goals should align to the goals and actions in the LEA's LCAP.

A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such the S.M.A.R.T. approach.

A S.M.A.R.T. goal is:

- **Specific,**
- **Measurable,**
- **Achievable,**
- **Realistic, and**
- **Time-bound.**

A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the "Goal #" for ease of reference.

**Additional CSI Planning Requirements:**

Completing this section as described above fully addresses all relevant federal CSI planning requirements.

**Additional ATSI Planning Requirements:**

Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

**Identified Need**

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the Dashboard and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

**Additional CSI Planning Requirements:**

Completing this section as described above fully addresses all relevant federal CSI planning requirements.

**Additional ATSI Planning Requirements:**

Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

**Annual Measurable Outcomes**

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of

adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

**Additional CSI Planning Requirements:**

When completing this section for CSI, the school must include school-level metrics related to the metrics that led to the school’s eligibility for CSI.

**Additional ATSI Planning Requirements:**

Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

## Strategies/Activities Table

Describe the strategies and activities being provided to meet the goal.

Complete the table as follows:

- Strategy/Activity #: Number the strategy/activity using the “Strategy/Activity #” for ease of reference.
- Description: Describe the strategy/activity.
- Students to be Served: Identify in the Strategy/Activity Table either All Students or one or more specific student groups that will benefit from the strategies and activities. ESSA Section 1111(c)(2) requires the schoolwide plan to identify either “All Students” or one or more specific student groups, including socioeconomically disadvantaged students, students from major racial and ethnic groups, students with disabilities, and English learners.
- Proposed Expenditures: List the amount(s) for the proposed expenditures. Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to *EC* Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.
- Funding Sources: List the funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Planned strategies/activities address the findings of the comprehensive needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

**Additional CSI Planning Requirements:**

- When completing this section for CSI, this plan must include evidence-based interventions and align to the goals, actions, and services in the LEA’s LCAP.
- When completing this section for CSI, this plan must address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.

Note: Federal school improvement funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.

**Additional ATSI Planning Requirements:**

- When completing this section for ATSI, this plan must include evidence-based interventions and align with the goals, actions, and services in the LEA’s LCAP.

- When completing this section for ATSI, this plan must address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.
- When completing this section for ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the ATSI designation.

**Note:** Federal school improvement funds for CSI shall not be used in schools identified for ATSI. Schools eligible for ATSI do not receive funding but are required to include evidence-based interventions and align with the goals, actions, and services in the LEA's LCAP.

## Annual Review

In the following Goal Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

## Goal Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal.

- Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between the intended implementation and/or material difference between the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

**Note:** *If the school is in the first year of implementing the goal, the Annual Review section is not required and this section may be left blank and completed at the end of the year after the plan has been executed.*

### Additional CSI Planning Requirements:

- When completing this section for CSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the federal CSI planning requirements.
- CSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI planning requirements.

### Additional ATSI Planning Requirements:

- When completing this section for ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the federal ATSI planning requirements.
- ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for ATSI planning requirements.

## Budget Summary

In this section, a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp.

**Note:** *If the school is not operating a Title I schoolwide program, this section is not applicable and may be deleted.*

**Additional CSI Planning Requirements:**

- From its total allocation for CSI, the LEA may distribute funds across its schools that are eligible for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

**Note:** *CSI funds may not be expended at or on behalf of schools not eligible for CSI.*

**Additional ATSI Planning Requirements:**

**Note:** *Federal funds for CSI shall not be used in schools eligible for ATSI.*

## Budget Summary Table

A school receiving funds allocated through the ConApp should complete the Budget Summary Table as follows:

- **Total Funds Provided to the School Through the ConApp:** This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- **Total Funds Budgeted for Strategies to Meet the Goals in the SPSA:** This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving funds from its LEA for CSI should complete the Budget Summary Table as follows:

- **Total Federal Funds Provided to the School from the LEA for CSI:** This amount is the total amount of funding provided to the school from the LEA for the purpose of developing and implementing the CSI plan for the school year set forth in the CSI LEA Application for which funds were received.

# Appendix A: Plan Requirements

## Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the Schoolsite Council (SSC). The content of a SPSA must be aligned with school goals for improving student achievement.

## Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
  - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
    1. The comprehensive needs assessment of the entire school shall:
      - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need).
      - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to:
        - i. Help the school understand the subjects and skills for which teaching and learning need to be improved.
        - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards.
        - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
        - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
        - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
    - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

## Requirements for the Plan

- II. The SPSA shall include the following:
  - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.
  - B. Evidence-based strategies, actions, or services (described in Strategies and Activities)

1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will:
  - a. Provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
  - b. Use methods and instructional strategies that:
    - i. Strengthen the academic program in the school,
    - ii. Increase the amount and quality of learning time, and
    - iii. Provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
  - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
    - i. Strategies to improve students' skills outside the academic subject areas;
    - ii. Preparation for and awareness of opportunities for postsecondary education and the workforce;
    - iii. Implementation of a schoolwide tiered model to prevent and address problem behavior;
    - iv. Professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
    - v. Strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the LEA (may include funds allocated via the ConApp, federal funds, and any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
  1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
  2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
  3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to:
  - 1. Ensure that those students' difficulties are identified on a timely basis; and
  - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

# Appendix B: Plan Requirements for School to CSI/ATSI Planning Requirements

For questions or technical assistance related to meeting federal school improvement planning requirements, please contact the CDE's School Improvement and Support Office at [SISO@cde.ca.gov](mailto:SISO@cde.ca.gov).

## Comprehensive Support and Improvement

The LEA shall partner with educational partners (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable*);
2. Include evidence-based interventions (*Sections: Strategies/Activities, Annual Review and Update, as applicable*) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/fund/grant/about/discretionary/2023-non-regulatory-guidance-evidence.pdf>);

Non-Regulatory Guidance: Using Evidence to Strengthen Education Investments

3. Be based on a school-level needs assessment (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable*); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable*).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

## Single School Districts and Charter Schools Eligible for ESSA School Improvement

Single school districts (SSDs) or charter schools that are eligible for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (*EC Section 64001[a]* as amended by Assembly Bill 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the LCAP and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (*EC Section 52062[a]* as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: *EC* sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

## Additional Targeted Support and Improvement

A school eligible for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable*).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

## Single School Districts and Charter Schools Eligible for ESSA School Improvement

Single school districts (SSDs) or charter schools that are eligible for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (*EC Section 64001[a]* as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (*EC Section 52062[a]* as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: *EC* sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.
