

School Year:

2023-24

School Plan for Student Achievement (SPSA) Template

The School Plan for Student Achievement (SPSA) is meant to consolidate all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), pursuant to the California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA).

The purpose of the SPSA is to increase the overall effectiveness of the school program by crafting a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement.

The School Site Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications in the plan to reflect changing needs and priorities, as applicable, pursuant to EC 52853(b) and 52855.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. The SPSA provides schools with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement.

School Name

Stone Avenue Elementary School

Address

5111 Stone Avenue
Jurupa Valley, CA 92509-4090

County-District-School (CDS) Code

33 67090 6111280

Principal

Marian Gutterud, Ed.D.

District Name

Jurupa Unified School District

SPSA Revision Date

May 25, 2023

Schoolsite Council (SSC) Approval Date

Local Board Approval Date

June 26, 2023

In the pages that follow, please describe the school’s plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs.

School Vision and Mission

Mission

The mission of Stone Avenue Elementary School is to promote the successful academic and social/emotional development of all our students. We do this by providing the best first instruction, holding high expectations, inspiring a love of life-long learning, and instilling a commitment to excellence in our students. This achievement is based on meeting the needs of all students through differentiated and individualized instruction, guided reading, and working collaboratively and using data to identify strengths and challenges. Our staff's goal to meet all students' needs is evidenced by consistent, ongoing analysis towards standards mastery through district wide formative assessments including Performance Tasks, DIBELS/IDEL, STAR Reading, NWEA and informal classroom assessments. The goals for and of every student are mastery of state standards, social/emotional development, and college/career readiness.

Vision

The vision of Stone Avenue School is to cultivate a culture of equity where the educational practices, assessments and school values are aligned to provide every student access to opportunity and success. This is where excellence is the norm for all students and educators are deliberate about creating an equitable culture where all students receive the resources they need to prepare for college and/or career. We do this by creating a safe environment where students take risks, collaborate, authentically engage, and take ownership of their learning; where learning intentions are clear to educators and students and the use and review of formative assessment data drives individual student support.

Due by third week of April

School Profile

Describe The students and community and how school serves them.

The Story

Stone Avenue Elementary is part of Jurupa Unified School District located in Jurupa Valley, California and is one of four Dual Immersion Elementary sites. Here students become bilingual and bi-literate in both English & Spanish. The program is integrated within our school, with 14 Dual Immersion classes and 13 monolingual English classes, from TK to Sixth Grade. The school year is 180 traditional days of which 37 are minimum days to support teacher collaboration and professional development. The staff is dedicated to providing a positive, safe environment that promotes student achievement so that each student can reach his/her potential.

Stone Avenue's School Plan is aligned to the goals of the district including College and Career Readiness, Data Driven Decision Making, Safe and Orderly Environment, and Parent, student and community engagement. Stone Avenue's enrollment is 617 students, from TK through Sixth grade. The school has a culturally and linguistically diverse population with the main ethnic representation being 85.8% Hispanic, 10.2% White, & 1% African American, and other 1.5%. The school population includes 31% English Language Learners (ELLs) and 62% percent of the students that are socio-economically disadvantaged.

Stone Avenue's Dual Immersion Program is a unique educational program designed to develop bilingualism and biliteracy in English and the target language, Spanish. This is a voluntary program and instruction is provided by highly trained and specialized teachers. Students learn California standards in all subject areas, and become linguistically and academically fluent in both languages. The program follows the 90/10 model of Two Way Immersion (TWI). The first number refers to the amount of instructional time initially spent for instruction in the target or non-English language in kindergarten. The second number refers to English. In a 90:10 model the amount of the target language decreases yearly as English increases until there is a 50:50 balance of the languages generally in grades four through six. English time must be carefully defined and implemented. High quality curriculum and instruction are essential. Research shows that when programs are fully implemented according to the program design, English learners in 90:10 models score as well as or better than their peers in other programs in English tests (Lindholm-Leary, 2001; Dual Language Education, Multilingual Matters LTD).

Stone Avenue Elementary students are serviced by 27 teachers, all of whom are fully credentialed. We also have three Full-Time Class Reduction Intervention Teachers, One Full-Time and One 50% Educational Specialist, an 80% Psychologist, and an 80% Speech Pathologist. We also have an Instrumental Band Teacher one day per week. The school campus has 37 classrooms, a multipurpose room, library, and main office. Our staff participates in common meetings through district principal meetings and SBCP meetings, site leadership and grade level meetings.

SPSA Highlights

Identify and briefly summarize the key features of this year's SPSA.

Stone Avenue Elementary will focus on continuous growth in the areas of English Language Arts and English Language Development by providing strategic support to all students throughout the school day. Teachers will also provide differentiated/guided reading time during the day to support individual needs. This time will be scheduled in the teacher's daily schedule and the school's Intervention Teachers and instructional aides will help support in the classroom.

In addition, teachers will provide the first best instruction in the area of math and schedule time for math intervention using supplemental supports, which include the assistance of the intervention teacher(s) and instructional aides. Teachers will use formative assessments to support students in specific areas of need in math. Intervention Teachers and instructional aides will also provide support to identified students in the area of mathematics. Students can also participate in after-school learning opportunities to expand their knowledge and opportunities aligned with the standards outside of the school day.

Stone Avenue will also continue to support students in the areas of organization, responsibility, and school to home communication through the AVID program. Along with AVID school to home communication, Stone Avenue will support parents through monthly newsletters, workshops and activities geared to support student achievement. Stone Avenue staff will also participate in professional development focused on academic achievement.

Review of Performance – Comprehensive Needs Assessment

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward SPSA goals, local self-assessment tools, stakeholder input, or other information, what progress is the school most proud of and how does the school plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

Stone Avenue teachers provided daily differentiated instruction in both ELA and Mathematics. Intervention teachers and classified staff pushed into the classroom to support student learning. Classified staff were provided extra hours to support student learning in the classroom throughout the school day. Teachers use NWEA data and DIBELS/LECTURA to identify students' needs and create groupings.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the “Red” or “Orange” performance category or where the school received a “Not Met” or “Not Met for Two or More Years” rating. Additionally, identify any areas that the school has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the school planning to take to address these areas with the greatest need for improvement?

Greatest Needs

Hispanic and SED students scored 74.4 and 74.2 points away from standards. Students in grades 6th, improved achievement from the fall to the spring (32% of th grade were in the 41st %ile at the beginning of the year compared 37% at the end of the year. Students in grades 3rd improved math achievement from fall to spring (43% were in the 41st %ile in the fall compared to 45% in the spring). Students in 4th grade maintained the same percentage in the 41st %ile or higher at 25%. Students in 5th grade decreased in the number of students in the 41st %ile or better (30% in the fall compared to 28% in the spring).

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the school planning to take to address these performance gaps?

Performance Gaps

CAASPP performance in Mathematics had two student groups with a performance gap.

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Additional Targeted Support and Improvement

Briefly describe the school’s plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

As a Title I Schoolwide program, we do a Comprehensive Needs Assessment annually, develop our SPSA with educational partner involvement, include strategies that support state standards and address the needs of all students, particularly those at risk of not meeting these standards. We also use assessments to identify activities, strategies, and interventions that are evidence-based and outlined as part of our SPSA. Our SPSA implementation is monitored and evaluated through ongoing Leadership team, SSC/ELAC, SBCP meetings, principal meetings, and annual Budget/Program meetings. The SPSA is revised, as needed, to ensure continuous improvement based on data analysis of student learning needs as part of the school's ongoing practices and identification of support strategies. All Title I funding supplements services for students. Relative to LCAP alignment, our plan is directly coordinated with district LCAP goals, associated services, and planning requirements.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

The school consulted with parents, students and staff through surveys, SSC, ELAC, Student Council and Parent Conferences. The school receives input from School Site Council, the English Language Acquisition Committee (ELAC), Gifted and Talented Education (GATE), staff members, parents, and students. This input is shared with SSC members during meetings to make informed decisions.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Focus on Students with Disabilities - Based on the CAASPP, school data, Stone Avenue will focus on supplemental supports for students with disabilities, English Learners, and SED students. On-going formative assessments and data analysis will guide instruction, interventions, and fluidity of program implementation. Stone Avenue will focus on attendance improvement through supplemental academic support, family communication, and school activities.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	20-21	21-22	22-23
Kindergarten	100	87	98
Grade 1	76	85	78
Grade 2	98	79	91
Grade3	87	88	80
Grade 4	98	85	87
Grade 5	109	89	86
Grade 6	93	106	97
Total Enrollment	661	619	617

Conclusions based on this data:

1. Declining enrollment continues at Stone Avenue.
2. Incoming kinder enrollment slightly declined in 21-22, and in 22-23, enrollment numbers returned similar to 20-21.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
English Learners	184	192	193	27.80%	31.0%	31.3%
Fluent English Proficient (FEP)	138	109	94	20.90%	17.6%	15.2%
Reclassified Fluent English Proficient (RFEP)	12			6.5%		

Conclusions based on this data:

1. The percentage of English Learners for the past two years remains the same at 31.3%.
2. The percentage of Fluent English Proficient students has decline from 20.9% to 15.2%.

School and Student Performance Data

Grade 6		15.24			74.29		NA	10.48	
All Grades		9.31			69.15		NA	21.54	

Conclusions based on this data:

1. Test scores in the area of at/near in Reading were 60.11%; Writing 57.45%, Listening 68.35% and Research/Inquiry were 69.15. Students' average scores were higher in Research/Inquiry.
2. Fourth grade students scored higher in Reading (65.12%), Writing (62.79%), Listening (73.26%), and Research/Inquiry 69.15%) than other grade levels.
3. There were more students score "below standard" in writing than in other subjects.

Grade 6		6.73			65.38		NA	27.88	
All Grades		5.65			57.53		NA	36.83	

Conclusions based on this data:

1. Only 19.36% of students scored met or exceeded standards in mathematics overall.

2. Students scored better in Communication Reasoning (63.18%) than in Problem Solving and Modeling/Data Analysis (54.47%) and Concepts/Procedures (50.80%).
3. More than 50% of the students in grades 3rd, 4th, and 5th scored below standard in Concepts/Procedures.

All Grades	12.57	14.61		57.38	66.85		30.05	18.54		183	178	

Conclusions based on this data:

1. Students scoring a four overall improved from 11.48% to 15.17%.

2. The number of students scoring a one in the writing domain dropped from 30.05% to 18.54%, increasing the percentage of students in somewhat/moderately, and well-developed.
3. Students scoring a four in listening improved from 21.86% to 29.21%.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

2021-22 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
619	62.0	31.0	0.3
Total Number of Students enrolled in Stone Avenue Elementary School.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2021-22 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	192	31.0
Foster Youth	2	0.3
Homeless	3	0.5
Socioeconomically Disadvantaged	384	62.0
Students with Disabilities	34	5.5

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	6	1.0
American Indian	1	0.2
Asian	1	0.2

Enrollment by Race/Ethnicity

Student Group	Total	Percentage
Filipino		
Hispanic	531	85.8
Two or More Races	4	0.6
Pacific Islander	3	0.5
White	63	10.2

Conclusions based on this data:

1. Stone Avenue's enrollment is predominantly Hispanic with 85.5%.
2. Stone Avenue enrollment includes 31% English Learners.

School and Student Performance Data

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Overall Performance for All Students

Academic Performance

Conclusions based on this data:

1. Students scored in the low range in both English Language Arts and Mathematics.
2. English Language Learners made medium progress.
3. Chronic Absenteeism is very high.

School and Student Performance Data

Academic Performance English Language Arts

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

This section provides number of student groups in each level.

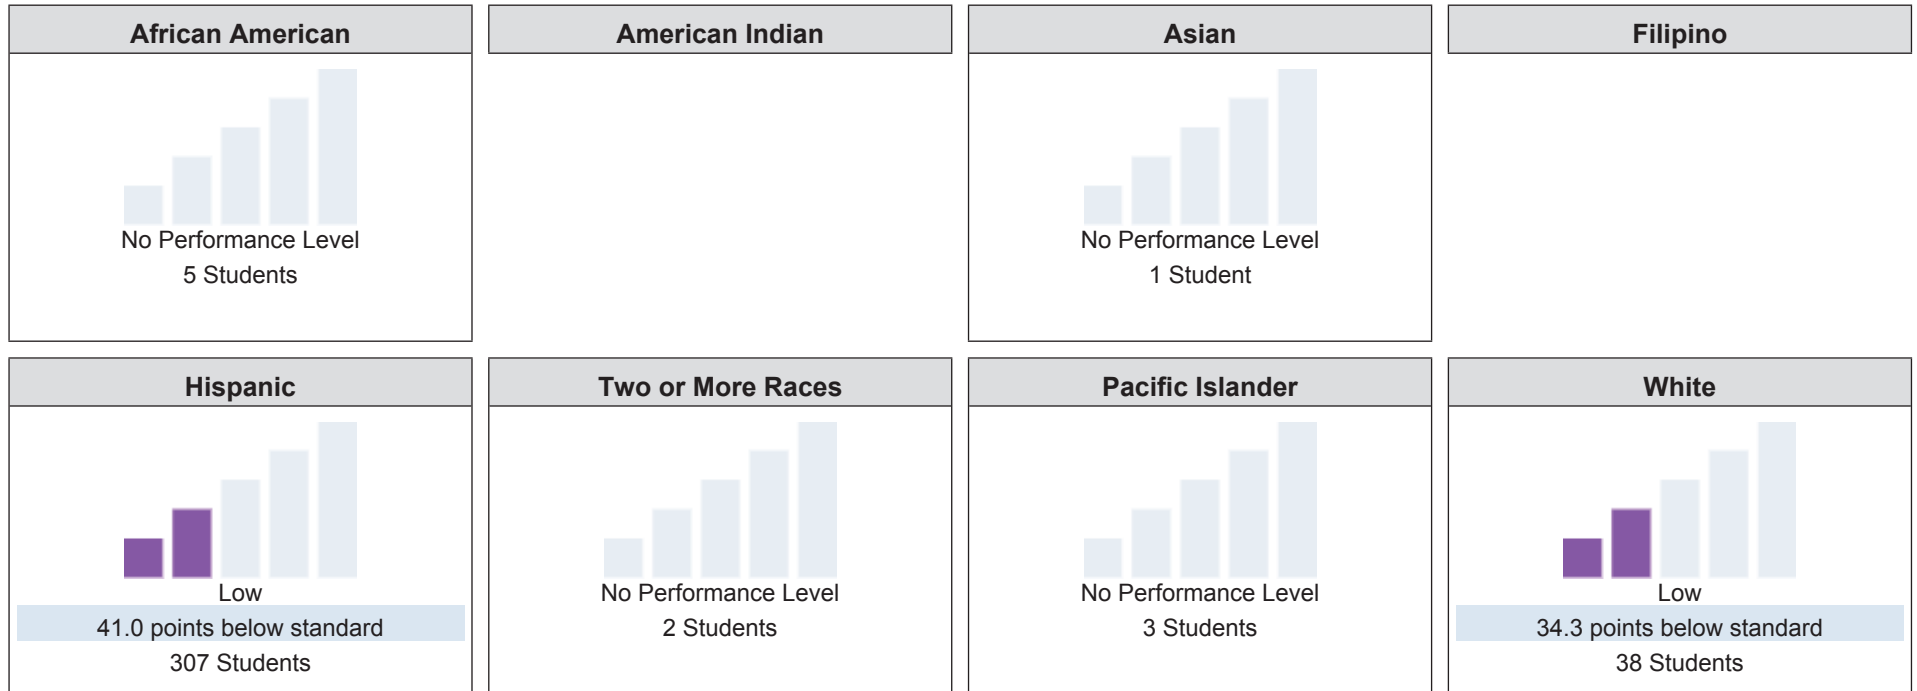

This section provides a view of how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on either the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard English Language Arts Performance for All Students/Student Group

2022 Fall Dashboard English Language Arts Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in English Language Arts.

2022 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
87.9 points below standard 84 Students	13.6 points below standard 59 Students	29.7 points below standard 186 Students

Conclusions based on this data:

- All sub-groups scored in the low range.
- Current English Learners were 87.9 points below standards compared to reclassified English Learners who were at 13.6 points below standard and English only who were 29.7 points below standard.

3. Students with disabilities scored 92.9 points below standard

School and Student Performance Data

Academic Performance Mathematics

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

This section provides number of student groups in each level.

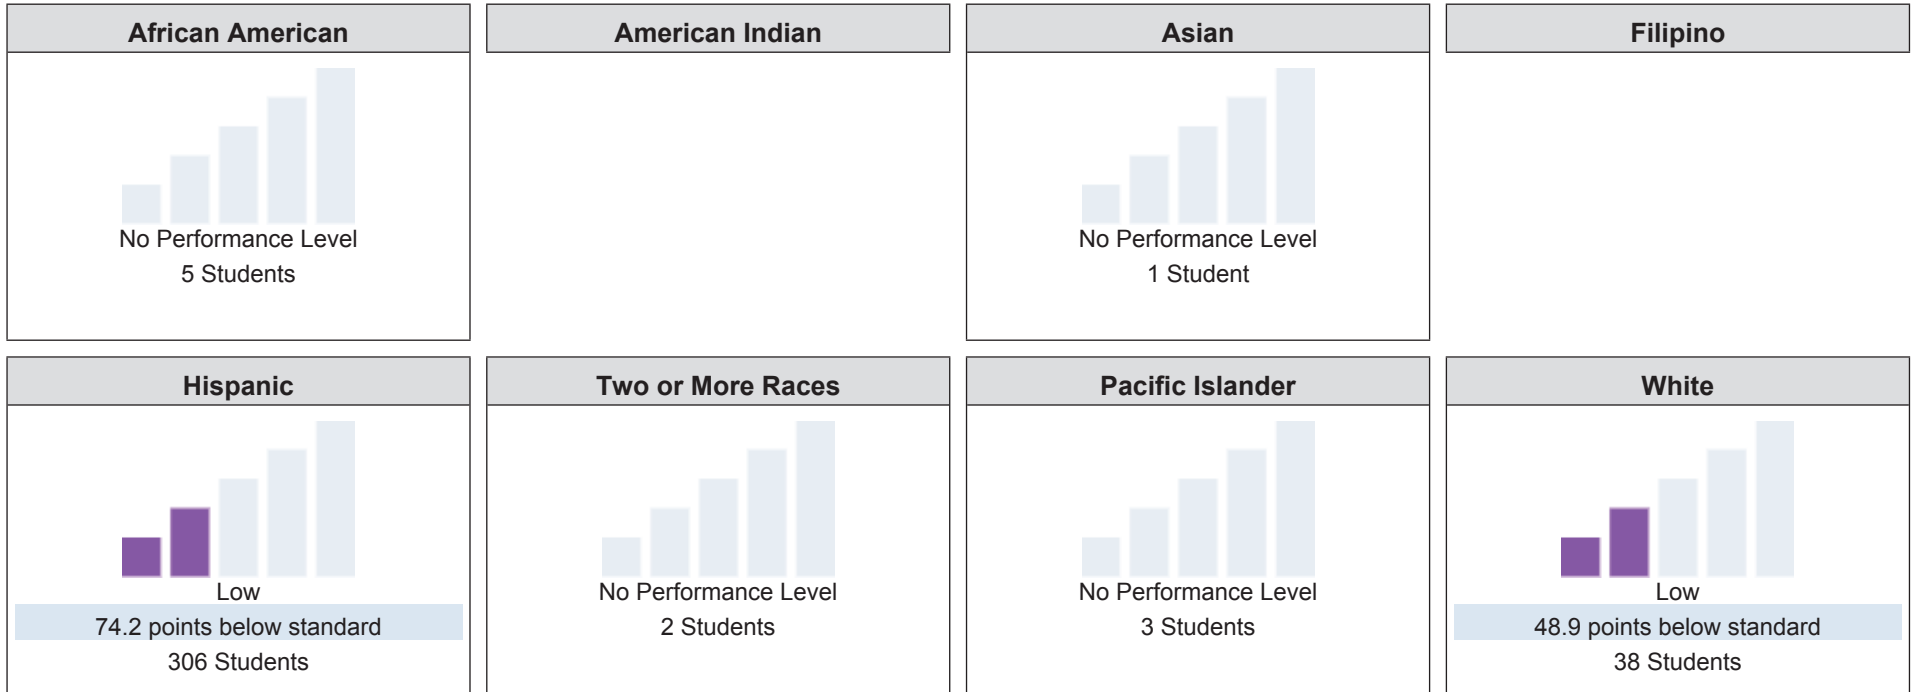

This section provides a view of how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance either on the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard Mathematics Performance for All Students/Student Group

2022 Fall Dashboard Mathematics Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in mathematics

2022 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
105.2 points below standard 84 Students	49.9 points below standard 59 Students	63.1 points below standard 185 Students

Conclusions based on this data:

- All sub-groups scored in low range.
- Current English Learners scored 105.2 points below standard compared to Reclassified who scored 49.9 points below and English Only who scored 63.1 points below.

3. Students with disabilities scored 125.8 points below standard.

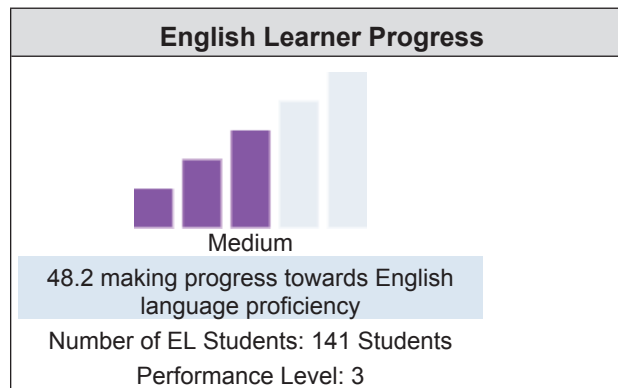

School and Student Performance Data

Academic Performance English Learner Progress

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

This section provides information on the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2022 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2022 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
23.4%	28.4%	0.0%	48.2%

Conclusions based on this data:

- English Learners made medium progress towards English language proficiency.
- More students progress (48.2%) than decreased (23.4%) or maintained (28.4%).

School and Student Performance Data

Academic Performance College/Career Report

College/Career data provides information on whether high school students are prepared for success after graduation based on measures like graduation rate, performance on state tests, and college credit courses. College/Career data was not reported in 2022.

Conclusions based on this data:

- 1. N/A
- 2. N/A
- 3. N/A

School and Student Performance Data

Academic Engagement Chronic Absenteeism

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

This section provides number of student groups in each level.

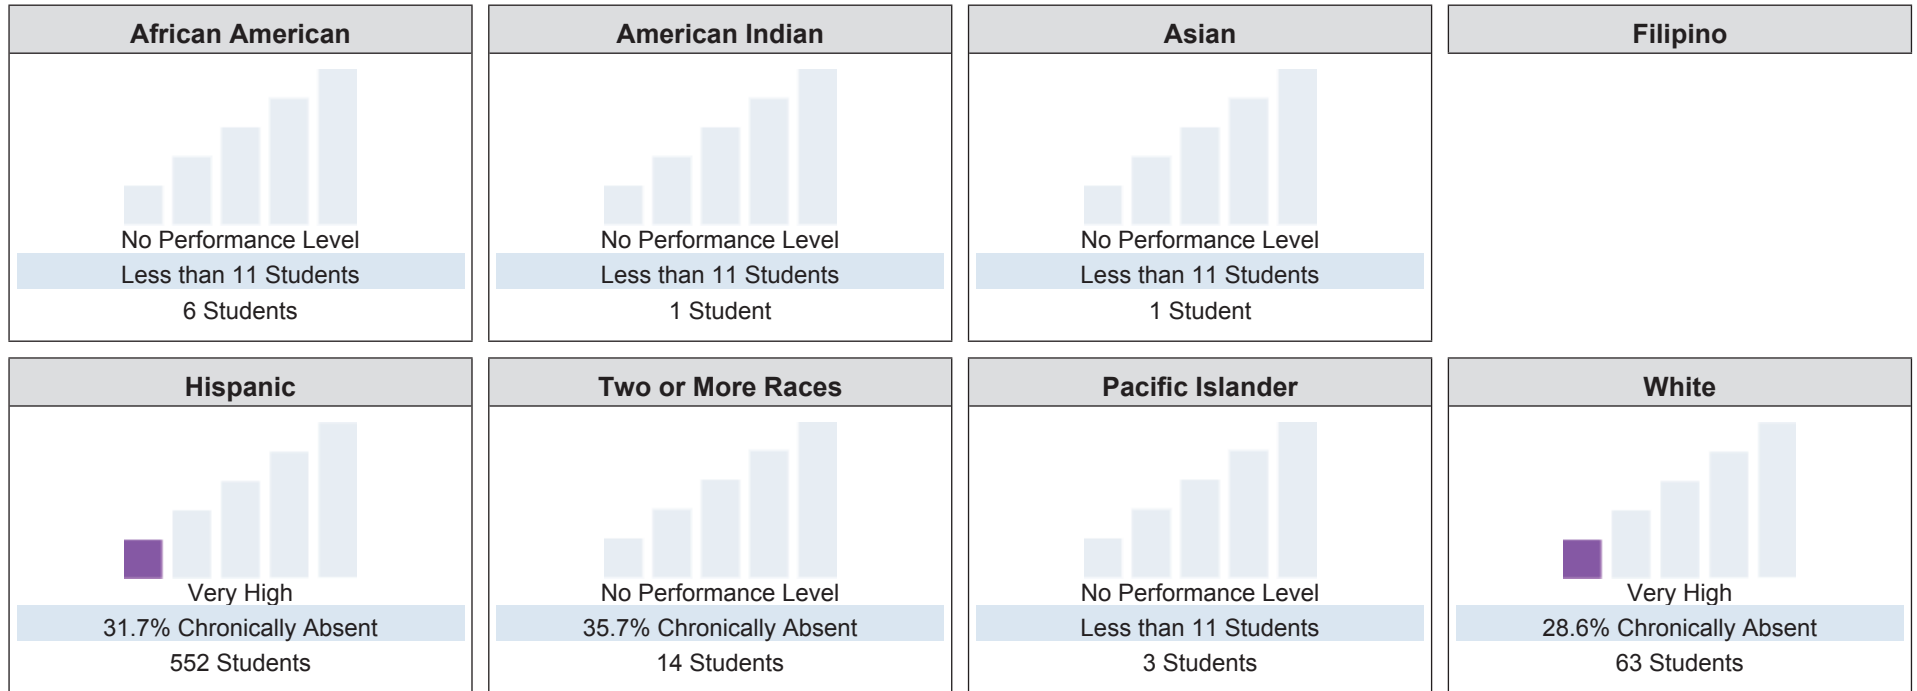

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2022 Fall Dashboard Chronic Absenteeism for All Students/Student Group

2022 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

Conclusions based on this data:

- All sub-groups has very high chronic absenteeism.
- Students with disabilities had the highest percentage of chronic absenteeism with 42.9% followed by socioeconomically disadvantaged at 35.7%.

School and Student Performance Data

Academic Engagement Graduation Rate

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). School and Student Performance Data

Conditions & Climate Suspension Rate

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2022 Fall Dashboard Suspension Rate for All Students/Student Group

2022 Fall Dashboard Suspension Rate by Race/Ethnicity

Conclusions based on this data:

- All sub-groups had very low percentage of students suspended.
- 0.4% of socioeconomically disadvantaged students were suspended for at least one day.

Goals, Strategies, & Proposed Expenditures

Goal 1.0

College and Career Readiness

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 2: State Standards (Conditions of Learning)
 Priority 4: Pupil Achievement (Pupil Outcomes)

Local Priorities: P2

Identified Need from the Annual Evaluation and Needs Assessment:

Stone Avenue will continue to focus on providing quality instruction in the classroom. Staff will focus on providing supplemental, specific supports for English Learners through Integrated and designated instruction. Staff will collaborate regularly to ensure consistency across the grade levels and to share best instruction and resources. During collaboration time, staff will review standards, plan, create rubrics, and analyze data/student work. Stone will also continue to provide inclusive services to our students with IEPs ensuring access to state standards and flexible opportunities to show evidence of their knowledge through UDL. Administrator and teachers trained in UDL will work with staff to identify flexible ways of teaching and assessments.

All teachers will continue to implement AVID strategies focusing on the three goals of organization, school to home communication and three-column note-taking. The AVID Facilitator and other teachers will be asked to share ideas during staff meetings to improve teacher knowledge and usage of three-column note-taking and modeling.

Literacy intervention will be implemented in English Only and Dual Immersion classes in grades 1st-3rd and with identified students in grades 4th-6th. In addition, math intervention support staff will provided supplemental support during math intervention time blocks. Students will be identified based on area of needs in grades 3rd-6th. A school-wide schedule will be created to ensure small group guided reading/reading intervention and math intervention takes place. Paraprofessionals/Classified staff will also be scheduled in the classrooms during guided reading to provide additional reading opportunities for students and in classes to support students in mathematics. Paraprofessionals will be trained by site level intervention teachers and Education Specialists. To improve efficacy, Intervention Teachers and Education Specialists will meet with instructional aides to review student services, prepare materials, and discuss appropriate strategies and lessons for students' needs.

Action 1.2

1.2 Assessments

	<u>X</u> Modified Action	
--	--------------------------	--

Planned Actions/Services	Students to be served	Budget and Source
<p>A. Utilize assessment and monitoring system utilizing the curriculum embedded Performance Tasks, Post-Tests, IABs, DIBELS/IDEL, STAR, and other identified assessments. These assessments will inform teachers, parents, students, and administrator on student learning and the effectiveness of instruction. The purpose of these assessments is to provide timely data to teachers to make decisions that will improve instruction and student learning. In addition, these assessments provide a basis for monitoring progress towards mastery of grade level standards.</p> <p>B. Use walk-through software program to provide specific feedback to teachers, identify student needs/strengths and guide administrators on next steps for professional development, workshops, and conferences.</p> <p>Measures: Identify students utilizing multiple measures: NWEA DIBELS/IDEL Assessments McGraw Hill Assessments Teacher created assessments Performance Tasks STAR Reading Interim Assessment Blocks (IAB)</p>	<p><u>X</u> All Students</p>	<p>Software - Assessments 5000-5999: Services And Other Operating Expenditures LCFF Suppl/Conc -- 0707 \$3200</p>

Action 1.10

1.12 Communication Enhancement Program

	<u>X</u> Unchanged Action	
--	---------------------------	--

Planned Actions/Services	Students to be served	Budget and Source
A. The Communication Enhancement Program (CEP) at Stone Ave. is designed to provide voice, fluency and/or articulation skill enrichment. The CEP serves as a general education function. The purpose of CEP is to identify and resolve speech difficulties before the need for more intensive interventions arise. Students may receive differentiated instruction based upon a tiered pyramid of interventions. Delivery of services may be virtual depending on Covid19 data.	<u>X</u> Other student group(s) Students w/speech difficulties	

Action 1.11

1.13 Pre-School Transition

	<u>X</u> Unchanged Action	
--	---------------------------	--

Planned Actions/Services	Students to be served	Budget and Source
A. The school will communicate board policies and other requirements of the Transitional Kindergarten program to parents. Parents will be provided with registration information and suggested activities for summer prep.	<u>X</u> Other student group(s) Preschool/ Head Start	
B. TK/K teachers will schedule meetings for parents and students prior to the start of school. Information will be shared so that parents/students become familiar with the campus. These meetings may take place in person or virtually depending on current health circumstances.		
C. Preschool teachers will communicate with the TK/kinder teachers to ensure a smooth transition for preschool students.		

Goals, Strategies, & Proposed Expenditures

Goal 2.0

Safe, Orderly and Inviting Learning Environment

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 1: Basic (Conditions of Learning)
 Priority 5: Pupil Engagement (Engagement)
 Priority 6: School Climate (Engagement)

Local Priorities: P1

Identified Need from the Annual Evaluation and Needs Assessment:

Stone will integrate SEL into daily lesson plans using Second Step curriculum and work with students to identify appropriate behavior expectations, consequences, and positive reinforcements.. Staff will refer students to Behavior Health Aide when needed. The PBIS/BSEL committee will work with staff to review data on areas of concern and identify ways to improve students behavior and school culture. Peer Mediators will support student relationships on playground working on conflict resolution. The Student Council will continue to identify ways to improve student culture and environment.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
P5 School Attendance Rate	School Attendance (%) TK 89.82 KN 91.13 1 93.47 2 93.38 3 93.68 4 93.1 5 93.47 6 94.16	School Attendance Improve attendance by 1%
P5 Chronic Absenteeism rate	During the 2020-21 school year, Chronic Absenteeism rate: increase due to COVID: Overall: 10.1% Hispanic 10.7% White 8.3%	Chronic Absenteeism rate: decrease chronic absenteeism by 1%

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome

P6 Surveys of pupils, parents, teachers on sense of safety	LCAP 2022 Survey Student Responses School Safety: 64% favorable responses	LCAP Survey Improvement feeling of safety at school by 2%
P6 Surveys of pupils, parents, teachers on sense of safety	LCAP Survey - Favorable Responses Student Responses Teacher-Student Relationships: 77% School Safety: 64% School Climate: 70% School Belonging: 68% Teacher Responses Professional Learning 65% School Climate 61% School Leadership 56% Feedback and Coaching 50% Parent Responses Community Priorities 89% Strengths & Opportunities 53%	California Healthy Kids Survey Improve student feeling of safety as measured by LCAP Survey

Planned Strategies/Activities

Action 2.1

2.1 Positive Behavior Support/Social Emotional Learning Training

	<u>X</u>	Modified Action	
--	----------	-----------------	--

Planned Actions/Services	Students to be served	Budget and Source
--------------------------	-----------------------	-------------------

A. Teachers, Classified Staff, and Administrators will be encouraged to attend site and district training of PBIS/Social/Emotional Learning. Positive Behavior Interventions and Support (PBIS) and Social/Emotional Learning (SEL) lessons will be provided to students daily. Members of the PBIS/SEL team will provide monthly trainings/informational meetings.

B. Provide incentives to encourage improvement of attendance.

C. Stone Avenue students will be trained as Peer Mediators. They will meet with two or more students involved in a dispute to work out problems and reduce school conflict, provide problem-solving, communication and leadership skills, conflict resolution skills, and improve student/teacher communication.

D. Provide funds for the cost of refreshments for staff development.

L. Purchase furniture to provide a welcoming and safe environment
M. Activity Supervisors will monitor students and enforce school rules, behavior expectations and support PBIS/SEL strategies during outdoor activities.

Measures

School Safety Plan

Teacher Discipline Plan

Supervisor Schedules

Dress Code

Teacher, Parent and Student Handbooks

Safe school survey to be designed/adopted and administered to all students/parents/staff annually.

Attendance will continue to be monitored for improvement.

Referrals will continue to be monitored for improvement.

Goals, Strategies, & Proposed Expenditures

Goal 3.0

Parent, Student and Community Engagement

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 3: Parental Involvement (Engagement)
 Priority 5: Pupil Engagement (Engagement)
 Priority 6: School Climate (Engagement)

Local Priorities: P3 and P6

Identified Need from the Annual Evaluation and Needs Assessment:

Stone Avenue will work to improve parent Involvement by providing a welcoming first impression (in the office), using school to home communication opportunities, inviting parents to volunteer in the classroom, sending communications from school in home languages, and offering opportunities for parent/school activities, workshops, and conferences. An additional goal is to improve teacher/parent communication via phone calls and/or face to face meetings to build relationships.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
P3 Parent Engagement	Parent 2022 LCAP Survey Community Priorities Extremely Important - 78% Quite Important - 18% Somewhat Important - 4%	Improve Parent Engagement and Satisfaction with School by 2%
P5 Student Engagement	Parent 2022 LCAP Survey Student Activities and Extracurricular Extremely Important - 56% Quite Important - 31% Somewhat Important - 13%	Improve parent opinion of a positive learning environment by 2%

Planned Strategies/Activities

Information will be shared so that parents/students become familiar with the campus. These meetings may take place in person or virtually depending on current health circumstances.</p> <p>C. Preschool teachers will communicate with the TK/kinder teachers to ensure a smooth transition for preschool students.</p>	<p>1.13a Pre-School Transition meetings were scheduled and completed.</p> <p>1.13b TK/K teachers scheduled a meet and greet at the beginning of the year in person.</p> <p>1.13c Pre-School teachers communicated with TK/K teachers.</p>		

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Stone Avenue teachers provided daily differentiated instruction in both ELA and Mathematics. Intervention teachers and classified staff pushed into the classroom to support student learning. Classified staff were provided extra hours to support student learning in the classroom throughout the school day. Teachers use NWEA data and DIBELS/LECTURA to identify students' needs and create groupings.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

Students in grades 6th, improved achievement from the fall to the spring (32% of th grade were in the 41st %ile at the beginning of the year compared 37% at the end of the year. Students in grades 3rd improved math achievement from fall to spring (43% were in the 41st %ile in the fall compared to 45% in the spring). Students in 4th grade maintained the same percentage in the 41st %ile or higher at 25%. Students in 5th grade decreased in the number of students in the 41st %ile or better (30% in the fall compared to 28% in the spring).

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

There is a difference in the allocation for staff as all staff members received a 10% raise.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Stone Avenue will continue to use multiple measures to identify students' needs, and allocate additional funding for classified staff to help with student learning in the classroom. Teachers will be provided release time for trainings, data analysis, and collaboration.

Activity Supervisors monitored students and enforced school rules, behavior expectations and support PBIS/SEL strategies during outdoor activities.</p>		

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Stone Avenue was part of PBIS/SEL training this year. A team of teachers including a teacher from every grade level and intervention teachers, attended training. PBIS/SEL Facilitators provided training in PBIS/SEL and Panorama Survey. Teachers provided daily SEL lessons and implemented Second Step SEL

curriculum. In addition, Stone Avenue had Peer Mediators supported peers with conflict resolution. In addition, the School Safety Plan was reviewed and updated, teachers were trained as mandated reporters, and incentives were provided for positive behavior and attendance.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

Teachers reported the students were very receptive to the SEL lessons and Second Step and the data showed that 69% of students felt a sense of belong, up 1% from last year. However, there was a 5% drop in school climate and 4% drop in school safety.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

Teachers taught two lessons of Second Step as this was the training and implementation year. Due to increase in salaries, more funds were spent in the area of salaries. No extra funds were spent on incentives as there were incentives left over from previous year.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The PBIS/SEL team will focus on providing training/monthly meetings to staff members and attendance improvement. Incentives for positive behavior and improved attendance will be purchased.

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Stone Avenue hosted multiple parent involvement activities including the Fall Festival, Father/Daughter Dance, Mother/Son Bingo Night, and the Slime Run. In addition, parents were invited to the "Boo Parade" and Literacy Family Picnic during school hours as well as assemblies acknowledging student achievement. Parents in our ELAC committee were offered the opportunity to attend CABE in Riverside. No parents attended. Refreshments were provided during ELAC meetings.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

Parent involvement increased this year both during the school day and after-school. Parents were cleared to volunteer in the classroom and prepare for activities, two of our activities were sold out, and we saw an increase in parents attending in-school and after-school activities.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

Due to an increase in salary, more funds were spent on personnel. PTO funds were also spent on some of the activities.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Stone Avenue will continue to increase parent involvement activities. The PBIS/SEL team planned for monthly activities and additional in-school opportunities for parents.

Budget Summary and Consolidation

The Budget Summary is required for schools funded through the ConApp. The Consolidation of Funds is required for a school receiving funds allocated through the ConApp and consolidating those funds as part of a schoolwide program.

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	212,653
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	572,782.00

Allocations by Funding Source

Funding Source	Amount	Balance
Title I Basic -- 3010	135040	0.00
Title I Parent Involvement -- 3010 1902	2026	0.00
Title III LEP -- 4203	5327	0.00
LCFF Suppl/Conc -- 0707	165255	0.00
LCFF District -- 500 0707	265134	0.00

Expenditures by Funding Source

Funding Source	Amount
LCFF District -- 500 0707	265,134.00
LCFF Suppl/Conc -- 0707	165,255.00
Title I Basic -- 3010	135,040.00
Title I Parent Involvement -- 3010 1902	2,026.00
Title III LEP -- 4203	5,327.00

Expenditures by Budget Reference

Budget Reference	Amount
1000-1999: Certificated Personnel Salaries	309,886.00
2000-2999: Classified Personnel Salaries	203,765.00
4000-4999: Books And Supplies	40,331.00
5000-5999: Services And Other Operating Expenditures	18,800.00

Expenditures by Budget Reference and Funding Source

Budget Reference	Funding Source	Amount
1000-1999: Certificated Personnel Salaries	LCFF District -- 500 0707	162,445.00
2000-2999: Classified Personnel Salaries	LCFF District -- 500 0707	102,689.00
1000-1999: Certificated Personnel Salaries	LCFF Suppl/Conc -- 0707	38,166.00
2000-2999: Classified Personnel Salaries	LCFF Suppl/Conc -- 0707	87,442.00
4000-4999: Books And Supplies	LCFF Suppl/Conc -- 0707	23,947.00
5000-5999: Services And Other Operating Expenditures	LCFF Suppl/Conc -- 0707	15,700.00
1000-1999: Certificated Personnel Salaries	Title I Basic -- 3010	108,749.00
2000-2999: Classified Personnel Salaries	Title I Basic -- 3010	12,734.00
4000-4999: Books And Supplies	Title I Basic -- 3010	10,457.00
5000-5999: Services And Other Operating Expenditures	Title I Basic -- 3010	3,100.00
1000-1999: Certificated Personnel Salaries	Title I Parent Involvement -- 3010 1902	526.00
2000-2999: Classified Personnel Salaries	Title I Parent Involvement -- 3010 1902	400.00
4000-4999: Books And Supplies	Title I Parent Involvement -- 3010 1902	1,100.00
2000-2999: Classified Personnel Salaries	Title III LEP -- 4203	500.00
4000-4999: Books And Supplies	Title III LEP -- 4203	4,827.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

Name of Members	Role
Marian Gutterud, Ed.D.	Principal
Barry Brandon	Classroom Teacher
Angelica Quintero	Classroom Teacher
Penny Read	Classroom Teacher
Lisa Ponce	Other School Staff
Nina Brentham	Parent or Community Member
Sandra Ciprian	Parent or Community Member
Amber Mercado	Parent or Community Member
Yvonne Pacheco	Parent or Community Member
Miguel Rivera	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

English Learner Advisory Committee

Gifted and Talented Education Program Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 5/25/2023.

Attested:

Principal, Marian Gutterud, Ed.D. on 5/25/2023

SSC Chairperson, Angelica Quintero on 5/25/2023

Addendum

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

Educational Partner Involvement

Goals, Strategies, & Proposed Expenditures

Planned Strategies/Activities

Annual Evaluation and Update

Budget Summary and Consolidation

Appendix A: Plan Requirements for Schools Funded Through the ConApp

Appendix B: Select State and Federal Programs

For additional questions or technical assistance related to completion of the SPSA template, please contact the Local Educational Agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. As such, the SPSA should be shared with, and schools should request input from, school site-level advisory groups, as applicable (e.g., English Learner Advisory Councils, student advisory groups, etc.).

Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the Annual Evaluation and Update.

Goals, Strategies, & Proposed Expenditures

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve? A school may number the goals using the "Goal #" for ease of reference.

Basis for this Goal

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, and may include any data voluntarily developed by districts to measure pupil achievement.

Expected Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to be make in the coming year.

Planned Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. Strategies and activities that are implemented to achieve the identified goal may be grouped together. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

A school receiving funds allocated through the ConApp is required to describe in their strategies and activities how they will address specific state and federal requirements. A list of these requirements may be found in Appendix A: Plan Requirements for Schools Funded Through the ConApp. At a minimum a school receiving funds allocated through the ConApp must address these requirements; however, a school may describe additional strategies/activities as well.

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list and describe the proposed expenditures for the school year to implement these strategies/activities, including where those expenditures can be found in the school’s budget. The school should reference all fund sources for each proposed expenditure and should provide budget references as an object code or an object code description.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA.

Annual Evaluation and Update

The planned goals, expected outcomes, planned strategies/activities, and proposed expenditures must be copied verbatim from the previous year’s approved SPSA. Minor typographical errors may be corrected.

Annual Measurable Outcomes

For each goal in the prior year, provide the metric/indicators, the expected outcomes, and the actual outcomes; review the actual outcomes as compared to the expected outcomes identified in the prior year for the goal.

Strategies/Activities

Identify the planned strategies/activities and the proposed expenditures to implement these strategies/activities toward achieving the described goal, then identify the actual strategies/activities implemented to meet the described goal and the estimated actual expenditures to implement the strategies/activities. As applicable, identify any changes to the student groups served.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the strategies/activities to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.
- Explain any material differences between Proposed Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

Budget Summary and Consolidation

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp. The Consolidation of Funds is required for a school receiving funds allocated through the ConApp and consolidating those funds as part of a schoolwide program.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school may include additional information or more detail.

Consolidation of Funds

A school receiving funds allocated through the ConApp and consolidating those funds as part of a schoolwide program is required to include a list of state and local programs and other federal programs that the school will consolidate in the schoolwide program. A list of commonly consolidated state and federal programs is provided in Appendix B: Select State and Federal Programs. List the federal funding source(s) and the amount(s) being consolidated in the schoolwide program, then list the state and/or local funding source(s) and the amount(s). Adjust the table as needed.

Appendix A: Plan Requirements for Schools Funded Through the ConApp

Basic Plan Requirements

A school receiving funds allocated through the ConApp is required to develop a SPSA. The content of a SPSA must be aligned with school goals for improving student achievement. School goals must be based upon an analysis of verifiable state data and may include any data voluntarily developed by districts to measure student achievement.

The SSC is required to develop the SPSA, which must address each of the following, as applicable:

1. A description of curricula, instructional strategies and materials responsive to the individual needs and learning styles of each student (described in the Strategies/Activities).
2. A description of instructional and auxiliary services to meet the special needs of non-English-speaking or limited-English-speaking students, including instruction in a language these students understand; educationally disadvantaged students; gifted and talented students; and students with exceptional needs (described in the Strategies/Activities).
3. A description of a staff development program for teachers, other school personnel, paraprofessionals, and volunteers, including those participating in special programs (described in the Strategies/Activities).
4. An identification of the schools' means of evaluating progress toward accomplishing its goals (described in the Expected Annual Measurable Outcomes) and an ongoing evaluation of the educational program of the school (described in the Annual Evaluation and Update).
5. A description of how funds provided to the school through the ConApp will be used to improve the academic performance of all pupils to the level of state performance goals (described in the Proposed Expenditures for Strategies/Activities).
6. The proposed expenditures of funds available to the school through the programs described in EC Section 52851. For purposes of this subdivision, proposed expenditures of funds available to the school must include, but not be limited to, salaries and staff benefits for persons providing services for those programs (described in the Proposed Expenditures for Strategies/Activities).
7. The proposed expenditure of funds available to the school through the federal Improving America's Schools Act of 1994 and its amendments. If the school operates a state-approved schoolwide program in a manner consistent with the expenditure of funds available to the school pursuant to EC Section 52851, employees of the schoolwide program may be deemed funded by a single cost objective.
8. A description of how state and federal law governing programs identified in EC Section 64000 will be implemented, as applicable (described in the Strategies/Activities).
9. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC.

Authority cited: EC sections 64001(f)-(g) and 52853(a)(1)-(7).

Schoolwide Program Requirements

A school receiving funds allocated through the ConApp and operating a schoolwide program (SWP) must describe how the school will carry out each of the following components:

1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will
 - a. provide opportunities for all students, including socioeconomically disadvantaged students, students from major racial and ethnic groups, students with disabilities, and English learners, to meet the challenging state academic standards.
 - b. use effective methods and instructional strategies based on scientifically based research that
 - i. strengthen the core academic program in the school;
 - ii. provide an enriched and accelerated curriculum;
 - iii. increase the amount and quality of learning time;
 - iv. include strategies for meeting the educational needs of historically underserved populations;
 - v. help provide an enriched and accelerated curriculum; and
 - vi. are consistent with, and are designed to implement, state and local improvement plans, if any.
 - c. address the needs of all students in the school, but particularly the needs of those at risk of not meeting the challenging state academic standards, through activities which may include the following:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
2. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Evaluation and Update).
3. A description of how the school will ensure instruction by highly qualified teachers and provide ongoing professional development, including
 - a. strategies to attract highly qualified teachers;
 - b. providing high-quality and ongoing professional development that is aligned with the state's academic standards for teachers, principals, paraprofessionals and, if appropriate, pupil services personnel, parents, and other staff, to enable all students in the school to meet the state's academic standards;
 - c. the devotion of sufficient resources to effectively carry out professional development activities; and
 - d. the inclusion of teachers in professional development activities regarding the use of academic assessments to enable them to provide information on, and to improve, the achievement of individual students and the overall instructional program.
4. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
5. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - a. Ensure that those students' difficulties are identified on a timely basis; and
 - b. Provide sufficient information on which to base effective assistance to those students.
6. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
7. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
