

# 2022-23 School Schedules

Beginning in the 2022-23 school year, all JUSD high school start times will be later, in compliance with state law. Senate Bill 328 and California Education Code 46148 require all high schools to start no earlier than 8:30 a.m. and all middle schools to start no earlier than 8:00 a.m. Because our middle schools already start at 9:00 a.m., there will be no change for middle school start times.

The new high school start times also resulted in the need to move some elementary start times earlier to accommodate transportation schedules. Elementary schools that will have earlier start times next year are highlighted in green. *Please note that there may be slight adjustments to schedules before the school year starts.* We will adjust this chart if that occurs. Please contact your child's school for more information.
