**JURUPA VALLEY, CA - JURUPA VALLEY** – The Jurupa Unified School District will host its inaugural State of the District event on Thursday, April 18.

This event, to be held in the Elliott N. Duchon Concert Hall at Rubidoux High School, will be streamed live starting at 5 PM.

Viewers can watch the program at: <https://bit.ly/SODLivestream24>.

The State of the District is an opportunity for the JUSD Board of Trustees and members of the JUSD Executive Cabinet, as well as staff, students, and families, to share how the district's Vision for the Future strategic framework guides JUSD's promise to provide Learning Without Limits for every student.

The event also will include video highlights, student performances, and testimonials from families and staff.

"I am excited about the intentional work we have taken on over the past three years to establish our Vision for the Future and implement programs and practices needed to fulfill the promises made to our students and community," said JUSD Superintendent, Dr. Trenton Hansen. "The State of the District is an opportunity for us to share that progress with our community in a transparent and meaningful way."

"It has taken the dedication of our whole team working together to tackle these ambitious goals. I am proud of the impactful difference we have made and look forward to continued growth in the future as we aim to provide the very best educational experience – the Jurupa Experience – for every student," he said.
