

## What is a School Social Worker / Outreach Worker?

School Social Workers provide services that enhance and promote the educational, emotional, and social needs of students and families in order for them to make use of the resources available to them to achieve their full potential within their home, school, and community.

**Challenges** in the lives of students can include:

- School attendance issues and truancy
- Abuse, neglect and dependency
- Trauma, grief and loss
- Poverty and homelessness
- Family conflict
- Domestic violence
- Developmental delays
- Teen pregnancy and parenting needs

### Social Work Intern Level 1:

These are students in their final year of a Bachelors in Social Work Program. BSW interns support our First Steps program and learn case management services towards the second half of their intern program.

### Social Work Intern Level II:

These are students in their first year of an MSW intern program.

### Social Work Intern Level III:

These are students in their second year of an MSW program or in an MSW advanced standing program.

## What do School Social Workers do?

School Social Workers locate and utilize resources in the family, school and community to help students succeed in school by:

- Addressing problems that threaten students' safety and well-being.
- Encouraging self-esteem, self-discipline and conflict resolution.
- Encouraging healthy lifestyles and healthy relationships.
- Assisting students with quality of life, and personal success.
- Supporting families with attendance issues.
- Identifying and providing resources

**School Social Workers encourage families to:**

- Participate in school activities, programs, plans, and conferences.
- Resolve problems that interfere with child safety and well-being.
- Meet physical, social and emotional needs.
- Provide age-appropriate supervision and discipline.
- Utilize school and community resources to meet their child's needs.
- Encourage long-term plans for their child's future, quality of life, employment and personal success.

## What Programs are available?

### Parent Child Home Visitation (PCHP)

A family partner visits twice a week modeling and coaching parents on positive verbal interaction with their child. Books and toys are introduced throughout the program to encourage parent and child interaction.

Services are provided by a Social Work Intern Level II.

**First Steps:** Is a home visitation program which aligns with the Developmental Milestones of infants 0-12 months to support families. The home visitation program includes up to 7 visits with a Family Partner who provides resources and referrals.

Services are provided by a Social Work Intern Level I.

### Evidence Based / Research Informed Practices and Programs provided by Level II and III interns:

- Non-Directive Play
- Case management
- Bereavement Support Groups
- Motivational Interviewing
- SSET
- Social Skills Groups
- Bounce Back Trauma informed
- Community Café
- Strengthening Families: Protective Factors

## Intern Experiences

### Macro Concentration:

Our department takes a systems approach working with county agencies and elected officials to link services with families in our community. We have worked to expand agency funding and service to our area as well as connect multiple agencies towards a common goal. We work directly with FIRST 5 Riverside, DPSS, HOPE Collaborative (Child Abuse Prevention Council) DPSS Family Resource Centers, Riverside County office of Education, Riverside University Health Systems (Public Health and Behavioral Health), and the offices of Congressman Takano, Assemblymember Cervantes, and Senator Roth. Macro students will work with our partners and this includes weekend and evening events.

### Testimonials:

*"I was just thinking this morning about the wonderful service you have provided with the counseling for our children. I have noticed HUGE improvements in those students receiving counseling. They are now smiling, participating and acting like regular kids. Thank you for getting that up and going." Joan Lauritzen, Principal—Mission Bell Elementary*

In the words of a few teachers in our district:

*"We are so grateful to have these services available. Your office has filled a gap that has existed for us for a long time."*

*"Thank you very much for providing us with these resources. You are a Godsend. I truly hope others appreciate everything you are doing. I know we do."*

*"Thank you so much! Daphne desperately needs dental attention. She's had dental problems since last year when she was in second grade. I am so happy and relieved she is finally getting the help she needs. You're the best, Norma J!"*

And an example of feedback from parents (translated from Spanish): *"I have benefited much, I was depressed constantly thinking negatively about myself and coming here has helped me feel happy and to live my life more positively. I know much now, thanks to you and the teachers, I have learned. From my heart, thank you."*

**Parent Involvement & Community Outreach  
Community Support: Donation Fund  
3924 Riverview Dr., Jurupa Valley, 92509  
(951) 360-4175**

**Yes! I want to make a contribution to help needy students receive food, clothing and supplies necessary for school.**  
Donation in honor or memory of:

Name \_\_\_\_\_ Address \_\_\_\_\_ City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_  
 Name \_\_\_\_\_ Address \_\_\_\_\_ City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

Personal check attached \$ \_\_\_\_\_  
(Check payable to Jurupa Unified School District)

Poverty negatively impacts academic achievement when a student's needs for school supplies, food and basic clothing go unmet. Your contribution will help provide a resource for our most needy students.

**How can you help ?**

You can start by simply making a donation to **Jurupa Unified School District, Parent Involvement and Community Outreach** which supports food distributions, emergency food pantry, as well as the purchase of alarm clocks, shoes, underclothing, socks, and endless other essential items not covered or allowed by existing resources. A donation form is printed on the reverse side for your convenience.
