DEL SOL BELL SCHEDULE 24-25

Inclement Weather (Excessive Heat)

Inclement Schedule for Grades 1-8 (REGULAR DAY)				
	8:00		Begin School Day	Since it is still cool enough, students may have recess before school starts. Please pick up students as usual.
40	9:40	10:10	5 min break for teachers	<p>Students remain in the classrooms during recess.</p> <p><i>*Teachers, a supervisor will rotate to your class to provide a 5-minute break. Thank you for waiting until a supervisor arrives. See schedule below.</i></p>
30	10:25	10:55	Lunch Grades TK & K	<p>Students remain in MPR during lunch.</p> <p><i>*Teachers, please open your doors and stand in the hallway to receive your students at the conclusion of lunch. Have your doors open. Students will be escorted to the classroom at the conclusion of lunch. Do not bring students early to lunch. We only have a 5-minute window in between lunches to dismiss and begin the next lunch. We appreciate your help with this.</i></p> <p><i>*Middle school – you will have your 6th period students for 4 minutes longer than usual.</i></p>
30	11:00	11:30	Lunch Grades 1 & 2	
30	11:35	12:05	Lunch Grades 3 & 4	
30	12:10	12:40	Lunch Grades 5 & 6	
30	12:47	1:17	7-8 Lunch	
		2:15	Student Dismissal	
		2:50	End of Contract Day	

Elementary recesses are conducted in teacher classrooms.

Heat Alert Schedule vs. Inclement Weather Schedule During LUNCH

When a heat alert is called by the district, we need to keep students in the shade. 1st - 6th grade students will be escorted to the snack tables on the elementary side. We may opt to go on a traditional heat alert (no schedule change) or to use our inclement weather schedule (see above).

Heat alert: Schedules remain the same, and students will eat indoors. For lunch recess, students are to remain in the shade and not participate in any physical activity. This is typically used for temperatures around 90 degrees.

Inclement weather: Lunches are reduced to a 30 minute block. Students will be dismissed to their classrooms once the lunch period is over. **Teachers will need to be ready to accept students at their classroom doors at the end of the lunch period. This is typically used for temperatures around 100 degrees or higher (excessive heat).**

We appreciate your cooperation in this matter as we continue to keep our Explorers safe and secure out of the heat.

Thank you!
