

Indian Hills Elementary School

Chromebooks 2019-2020 Parent/Student Information Sheet (Please keep this in a safe place for your reference)

The Chromebooks and chargers are to be checked out to all 2nd -6th grade students in their name. They will be handled like a textbook.

- **CB Device Care 19/20** is purchased online at <https://www.mypaymentsplus.com> The cost is \$39 for two incidents where your child may have caused the damaged accidentally.
- **Chromebook Case**-It is highly suggested to purchase a case for your student's new Chromebook. You can purchase a Gumdrop case through <https://www.mypaymentsplus.com>. for \$33.
- **Charging Chromebooks**-The students are to take their Chromebooks home and bring them back the next day charged.
- **Lost Charger**- If a charger is lost the fine is \$35.00. EMCC will request a replacement from the Tech Dept. The replacement must come from the EMCC not elsewhere.
- **Lost Chromebook**-If a Chromebook is lost the replacement cost is \$270.00.
- **Stolen Chromebook**-If the Chromebook is stolen off-campus the parent should file a police report and notify the school EMCC or the District Technology Department (951) 360-4185-They can put CB to lost/lock mode.
- **Affordable WIFI options:** Can be found at this link <https://www.everyoneon.org/find-offers> .
- **Damaged Chromebook**-Students will be fined \$50 for each event of repairable damage to the Chromebook. There will be no charge for 2 incidents if the student has purchased CB Device Care 19/20.
- **Chromebook Classroom Rules**- Each teacher may have their own expectations for the use of Chromebooks with their particular classroom. Each classroom and grade level may be different. Please be sure your child is aware of these expectations and follows them.
- **Chromebook not working properly**-Let your teacher know and she will have you take it to your school EMCC. Do not try to repair a hardware issue.
- **Chromebook Care**- No stickers on the outside or inside of the Chromebook. Never spray anything directly on the Chromebook. Use a microfiber cloth to clean the screen gently. Always carry your CB with two hands and with the shell closed. Keep your CB away from food and liquids, have clean hands, and treat it gentle like something you treasure or newborn baby. Protect your new Chromebook with a Chromebook case.
- **Chromebook Safety**-Be vigilant when your child is using their Chromebook-See Common Sense Media-<https://www.common Sense Media.org/>
- **For More Chromebook information/Videos**-Please visit the JUSD website. Type in the URL-jusd.k12.ca.us. Click on the Resources Tab-Click on Chromebook Information-Click on 1:1 Chromebooks.
-

Note: 2nd -6th grade students have written their Charger barcode & Chromebook barcode in their Avid binder or planner, this way they won't get their Chargers or Chromebooks confused with their siblings.
