# Peer Specialist

- Briana Beam - serves as a BH Peer Specialist for the Department of Parent Involvement & Community Outreach and is currently assigned to Jurupa Valley High School. Briana is present on campus to provide daily support to students as needed by walking alongside them as a peer and mentor. In this role, Briana is able to bridge the gap between students and the therapist; her goal is to provide assistance with students decreasing barriers to their academic success by offering lived-in experience of coping with behavioral health challenges.
