

Take a Jaguar Tour!

“Globally Competitive, Innovative, Sustainable Education”

Jurupa Valley High School offers personalized school tours by appointment! Check in at the front office by 8:30 a.m. for a personalized tour of our school and learn about our College and Career Readiness opportunities. Jurupa Valley High School offers multifaceted Career Technical Education pathways in Engineering, Green Building Construction & Design, Cyber Tech, Automotive and Agricultural Science. Graduates can earn certifications for the workforce in the areas of Microsoft IT, Solar Power Installation, and various aspects of construction. During our Jag Tour, information about the enrollment process, program descriptions and extra-curricular activities will be available. Come see the great things Jurupa Valley High School has to offer our students, parents and community.

When: Scheduled by appointment
Where: Meet in the main office

We look forward to meeting you!
