

Update from Riverside Community College District

RCC, Moreno Valley College and Norco College all extended the time for instructors to prepare to take classes on line.

For students who are enrolled in Norco College classes at JVHS or RECHS classes at RHS:

- Your online classes start on Monday, 3/23
- Your classes are off for the week of the college's spring break, April 13-17
- Your classes will end the week of June 1

For students who are enrolled in CCAP classes with RCC at PHS and RHS:

- Your online classes were already scheduled to not be in session during Jurupa's spring break, so your online classes will start Monday, 3/30
- Your classes are off for the week of RCC's spring break, April 13-17
- Your classes will end the week of May 18.

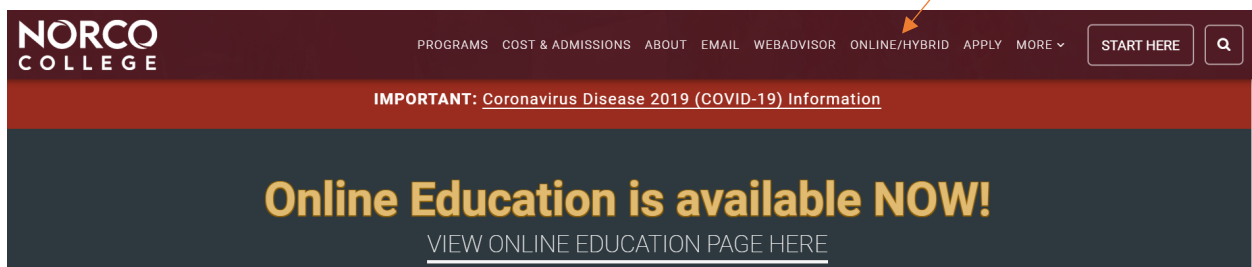

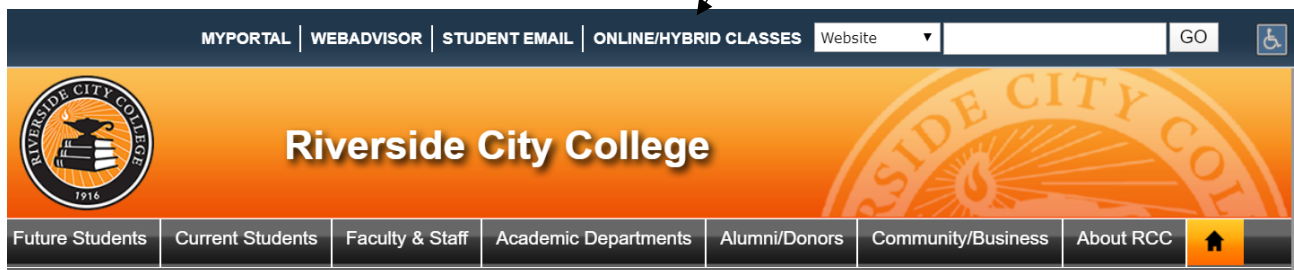

Please understand that these are unusual and unique times and there may be later updates or changes as the situation evolves.

Remember to regularly check both your college and Jurupa emails. Both the college and the school district will send updates to you via email.

New to CANVAS—RCCD's online learning platform?

Canvas is a Learning Management System (something like Powerschool) that will be used to deliver your online curriculum.
