

My message for the 2020-2021 School Year!

Welcome to the 2020-2021 school year- a year unlike any other year! As we face the challenges of COVID-19, we want our mountain lion family to be assured that we are here for them and with them during this time. As we journey through distance learning, we want every MLMS student to know that we are connected even when we are physically apart.

Advisory Class

This year's **Advisory classes** take place on Monday and Friday to provide students an opportunity to:

- Connect with their teacher,
- Learn about the Habits of the Mind: Persistence, Managing Impulsivity, Listening with understanding and empathy, Thinking flexibly, etc.
- Learn Habits of the heart: Compassion, Love, Forgiveness, Trust, Generosity, Openness, Patience, Gratitude, etc.
- Communicate regarding school events
- Reflect on goal-setting

The JUSD Promise: Learning without Limits

While this year is different, there are a few things that have not changed; the JUSD Promise. Whether in class or online, we are committed to providing you with the best academic experience while supporting you each step of the way.

The JUSD Promise:

By fostering a growth mindset in every child, Jurupa Unified School District empowers each child to unlock their potential and succeed in career, in school, and in life. We call this Learning Without Limits—the promise we make and pledge to uphold—to our students, their families and our community.
