Preparing Resilient scholars to Innovate and Demonstrate Excellence

MMS Core Values

Perseverance

Respect

Integrity

Creativity

Excellence

Teamwork

Your profession is not what brings home your weekly paycheck, your profession is what you’re put here on earth to do, with such passion and such intensity that it becomes spiritual in calling.

—Vincent van Gogh

INSTRUCTIONAL FOCUS

TEACHER CLARITY

Teacher Clarity is the organization, explanation, instruction, and assessment that is seen by the scholars.

We would like to give a “Shout Out” to all teachers who are articulating and posting Learning Intentions, Success Criteria, and Essential Questions. You are empowering scholars to learn and thrive.

ORGANIZATIONAL FOCUS

CORE VALUES

Our organizational values will provide the foundation to support our efforts to learn, grow, and thrive. By living our values, we will be able to work together and build an exceptional learning organization for the scholars and families we serve.
We would like to feature and honor Mrs. Ludwig for the month of January. Mrs. Ludwig coordinated and facilitated our first Resilience Café. Our scholars’ tributes were awe inspiring and outstanding. We walked away from this experience hope filled.

We would like to give a special shout-out to our Korean Exchange Program Team. Without the hard-work, effort, support, and tireless sacrifice of Mrs. Ridder and Ms. Rodriguez, we would not have met our awesome guests. Thank you, Mrs. Ridder and Ms. Rodriguez for embodying MMS Core Values: Persistence, Respect, Integrity, Creativity, Excellence and Teamwork.
