Communication Tools

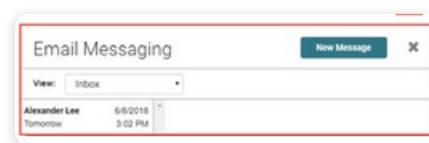

Oftentimes a district, school, and teacher want to reach out with important information. Imagine Edgenuity also wants you to be able to reach out to your teacher and collaborate with others in your class. Let's take a look at the three different ways this can be done.

1 Collaboration Corner: a discussion thread set up by an educator to allow you to interact in group discussions with other classmates

2 Announcements: find information from your district or school

3 Email: communicate directly with your teacher

ACCEPTABLE USE OF TECHNOLOGY (EC 48980)

One of the adopted goals of the Jurupa Unified School District is to assist in advancing the use of technology to enhance student learning. Access to Jurupa Unified School District technology is a privilege, not a right, and students enrolled in District programs or activities must follow District guidelines and procedures regarding acceptable use of technology. All Jurupa Unified School District students and their

parents/guardians shall sign the Acceptable Use of Technology Agreement prior to using District technological resources. The Jurupa Unified School District shall make a diligent effort to filter the inappropriate or harmful matter accessible through the Internet, and students shall also take responsibility not to initiate access to inappropriate or harmful matter while using District technology. Violation of this policy may result in disciplinary action and the loss of the privilege to use the technology and or civil or criminal liability. For more information on the acceptable use of technology, please contact the school site principal or Veronica Gonzalez, Director of Education-Information Technology, at 951-360-4185.

A K-12 district Internet safety program, based on the Common Sense Media curriculum, has been implemented at each school. Teachers will reinforce the learned Common Sense Media concepts when appropriate to developing student information literacy skills through the core curriculum. The Common Sense Media curriculum focuses on cyber community citizenship in the primary grades; citizenship and safety, and cyber predator identification in the upper elementary grades; cyber bullying, negative networking, and predator identification, in the middle grades; and cyber harassment, cyber relationships, security – malicious codes, and social-networking risks at the high school level. Every student and teacher will have the opportunity to participate in the Common Sense Media curriculum. Common Sense Media provides free education for parents, students, and schools about online student safety. This quality education resource helps minors be educated about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyber bullying awareness and response.

COMPUTER USE IS A PRIVILEGE, NOT A RIGHT

Within this program you will be asked to use the computers daily, both at school and at home. Any time you are on a computer, you will be expected to be working on your lessons and making progress toward the completion of your class. You must have a Network Use Agreement on file before being allowed onto the Internet. You are expected to obey the following rules: Do only what you have been told to do. Vandalism, (including but not limited to; making changes to the computer desktop, attempting to access or accessing someone else's files, putting anything in the Recycle Bin that is not yours, removing the mouse, etc.) WILL NOT be tolerated. Loading of unauthorized software on a computer is a violation of licensing laws and is forbidden. Report any suspected vandalism to your teacher immediately. Students are to get permission from a teacher before going onto the Internet. The teacher may have additional rules in the classroom and in the lab that must be followed. Any infraction will result in the loss of computer privileges (Ed. Code 48900 (r)). Students who post anything on public internet websites that is perceived as bullying, intimidation, a threat to students or school staff, is sexually explicit, or results in the disruption of school activities, will be subject to disciplinary action. Students who download music, videos, or other cyber material will be subject to disciplinary action. Depending on the level of infraction, you could be withdrawn from Nueva Vista High School.

ELECTRONIC DEVICES, CELLULAR PHONES, CD PLAYERS, IPODS, PAGERS, VIDEO CAMERAS, ELECTRONIC GAMES, & RADIOS

Students are only to use cellular phones and other electronic devices as advised by the teacher and in conjunction with learning. No recording or pictures of any conversation, school activities, conferences, or classroom presentation may be made without prior consent of all parties to include video or still cameras. Refusal to turn over an electronic device to any school official upon request is considered defiance of school personnel could have disciplinary action. Notice: The Jurupa Unified School District or any individual school is not liable for loss, theft, damage, or vandalism to these confiscated items. Any item not claimed within one month from date of receipt in the office will be discarded.

CHROMEBOOK USE POLICY (DIGITAL GATEWAY)

The Jurupa Unified School District (JUSD) 1:1 Chromebook program is designed to provide students with the opportunity to enhance their learning through the use of 1:1 device technology. A district Chromebook will be checked out to each student who participates in the 1:1 Chromebook program. The Chromebooks are the property of the school district. Similar to other district property assigned to students, i.e., textbooks, students and parents are responsible for the care and return of the Chromebook. Collection of data will include the administration of a teacher, parent and student survey at the end of the program.

A. Before Receiving the Chromebook

- Parents and students must sign and return the Chromebook Distribution Form agreeing to be responsible for the Chromebook. In the event that the device is lost (stolen, not returned, missing, etc.) the student/parent will be responsible to pay \$270 for the replacement cost of the Chromebook.
- This is very similar to the existing textbook replacement policy in use at JUSD and many other school districts. If the device is damaged and/or inoperable, the student will be responsible for returning the device to the school site for repair and will be charged a \$50 fine for damage repair. A replacement Chromebook will be issued upon return of the damaged device.

B. Receiving Your Chromebook

- Each Chromebook will be checked out to the student through JUSD's Textbook Management system in your school library.

C. Care of Your Chromebook

- The Chromebook is school property and all students must follow Board Policy 5131 prohibiting student conduct that results in damage or theft of property belonging to the district, staff or students. Under no circumstances should Chromebooks be left in unsupervised areas, such as, the school grounds, lunchroom, library, PE room unlocked classrooms, or outdoor walkways.
- Use a soft clean and dry cloth to clean the screen. Do not use water or cleaning solutions.
- Students are responsible for keeping the Chromebook battery charged for class each day.
- Parents may choose to purchase a protective case.
- When carrying your Chromebook in a backpack or other carrying case, avoid placing too much pressure and weight on the Chromebook screen.
- Chromebook screens are particularly susceptible to damage. Do not lean on the Chromebook cover. Do not place anything heavy on the Chromebook that could put pressure on the screen. Do not bump the Chromebook against walls, car doors, floors, etc.

D. Using Your Chromebook at School and Home

- Students are responsible to bring the Chromebook and power cords to school each day.
- To prepare the Chromebook for use during school, students should charge the Chromebook each evening.
- Inappropriate media, graphics, or language may not be used as a screensaver or background photo. Any drug, alcohol, or gang related symbols, pornographic images or inappropriate language will result in disciplinary actions.
- Students are allowed to set up their home wireless network on the Chromebook. JUSD's GoGuardian filter contains filter options that meet the Children's Internet Protection Act (CIPA).

ACCIDENT POLICY

A student accident insurance policy is available each school year. This is an individual policy offered by a private firm to students in Southern California. You may inquire about this in the guidance office. It is the student's and parents' responsibility to apply for insurance through this policy or other personal means.

ATTENDANCE POLICY

The State attendance laws require regular school attendance and punctuality with both the school and parents having a responsibility for enforcing these laws. The State Compulsory Attendance Law, Education Code 48200 requires each person between the ages of 6 and 18 attend the public full time day school or continuation school or be enrolled in an independent study program for the full time designated as the length of the school day by the governing board of the school district in which the residency of either the parent or legal guardian is located. It has been well demonstrated that regular attendance is a key factor in the success a student achieves at school. A student should not be absent from school without the parents' knowledge and consent. School is compulsory in California until high school graduation or the age of eighteen. Punctuality and regular attendance are essential to success in school as well as on the job. Any student who is absent must present a written excuse upon returning to school, or the parent must personally call the attendance office the day of the absence.

State law accepts only 3 reasons for "excused" absences:

(1) illness/medical; (2) religious absences; (3) bereavement and (4) court appearance.

Any absences not cleared within three days or deemed as "unexcused" will be considered trancies and consequences may be assigned. However, school authorities may excuse any pupil from school for the purpose of obtaining confidential medical services without the consent of the pupil's parent or guardian. Only absences due to his or her illness; quarantine under the direction of a county or city health officer; for the purpose of having medical, dental, optometric, or chiropractic services rendered; for the purpose of attending the funeral services of a member of his or her immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California or for the purpose of jury duty in the manner provided for by law, court appearance are considered excusable. The teacher of any class from which a pupil has an excused absence shall determine what assignments the pupil shall make up and in what period of time the pupil shall complete such assignments. Tests and assignments may be the same as those missed or shall be reasonably equivalent to them as set forth in the EC 48205.

ABSENCES

1. Periodically, the State Department of Education in Sacramento will audit the attendance records. Therefore, verification for each absence is needed for the report to the State. A satisfactory explanation from the parent or guardian of the student is required for any absence. The administration will determine whether absences are excused or unexcused. An explanation for the absence may be a phone call from the parent or guardian to the Attendance Office on each day the student is absent or a note from the parent or guardian to the Attendance Office on the day the student returns from an absence. Students are not allowed to pick up admits between or during classes. If the student returns to school after an absence without a phone call or note from the parent/guardian, the student will be considered truant. Students will have three days, including the day of return to clear the absence. If not cleared within the three-day time frame, a low level referral, detention, or additional discipline will be issued and teachers may not accept make-up work.

2. Teachers are not required to give make-up work for unexcused absences or truancy. Teachers will give make-up work for excused, personal excused, school activity, and suspension. State law defines each category.

3. A student may not sign his/her own note or call unless he/she is 18 years of age and has a letter on file with the Principal from the parent/guardian verifying the student's age; furthermore, acknowledging that he/she is aware and accepts responsibility for managing his/her own school affairs.
4. Excused absences for more than three days will require doctor's verification to clear. Letterhead stationary from the physician will suffice.
5. The absence of a student for the purpose of obtaining confidential medical services may be excused by school administration without the consent of parents. (EC 46010.1) Students will be required to meet with their counselor or administrator before leaving campus. A phone call and doctor's note will confirm and verify the student's appointment and attendance.

ATTENDANCE VERIFICATION FORMS

Any forms requiring attendance verification (e.g. DPPS, CalWorks, Social Security, etc.) will need a minimum of 48-hour period to verify information. **EARLY DEPARTURE and PROCEDURES FOR LEAVING CAMPUS DURING THE SCHOOL** Each student **MUST** have permission prior to leaving campus at ANY TIME during the school day, while they are scheduled in classes. Students that are 18 years of age must have written authorization from a parent stating that the student is responsible for him/herself to excuse absences or to leave campus. While it is strongly suggested that medical and dental appointments and personal business be conducted after school hours, this is not always possible. If it is necessary for you to leave campus during the day, your parents must send a note with you to this effect to be given to the attendance office. The attendance office will provide you with a pass to leave campus. **STUDENTS WHO LEAVE CAMPUS WITHOUT PERMISSION ARE CONSIDERED TRUANT UNDER THE LAW.** Students who do not adhere to the required procedures and who are found off campus are subject to citation by the Sheriff's Department (Riverside Co.Ord. 339.2(3) (a)). Parents and students should have a pick up and drop off plan on file to outline when the student will be attending campus meetings. These meetings are part of the students IS contract and must be abided by to maintain enrollment in our program. Students who need to leave or arrive different than their contract time will need to let the office/teacher know and make arrangements to attend their classroom sessions and continue to do their school work, even when not on the physical campus.

NONDISCRIMINATION IN PROGRAMS AND ACTIVITIES

EC 220; Section 504 of the Rehabilitation Act of 1973; Title II of the American with Disabilities Act; Title VI and Title IX of the Education Amendments of 1972 The Jurupa Unified School District is committed to providing a safe school environment where all individuals in education are afforded equal access and opportunities. The District's academic and other educational support programs, services, and activities shall be free from discrimination, harassment, intimidation, and bullying of any individual based on the person's actual race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics. Specifically, state law prohibits discrimination on the basis of gender in enrollment, counseling, and the availability of physical education, athletic activities, and sports. Transgender students shall be permitted to participate in gender-segregated school programs and activities (e.g. athletic teams, sports competitions, and field trips) and to use facilities consistent with their gender identity. The district assures that lack of English language skills will not be a barrier to admission or participation in District programs. Complaints of unlawful discrimination, harassment, intimidation, or bullying are investigated through the Uniform Complaint Process. Such complaints must be filed no later than six months after knowledge of the alleged discrimination was first obtained.

The Director of Pupil Personnel Services, is designated as the administrative officer in this area and should be contacted with any questions regarding the District's nondiscrimination policy at (951) 360-4140, 4850 Pedley Road, Jurupa Valley, CA 92509. For questions or concerns about discrimination against students based on disability, please contact the Administrator of Education Support Services, at (951) 360-4144.

BEHAVIOR AT SCHOOL EVENTS

Students or guests who exhibit serious behavior problems at an athletic event or an extracurricular activity (dance, play, concert, etc.) may be prohibited from attending other events for the remainder of the school year. This means that those caught drinking or under the influence of alcohol or a controlled substance, fighting, in possession of a weapon or fireworks, or any other serious violation of Education Code 48900, in addition to the immediate consequences (arrest, suspension and/or expulsion), may be banned from future school events during the year. **All school rules and regulations apply to both student and guest of student at any school-sponsored events including off campus events.**

SAFE PLACE TO LEARN ACT (EC 234 and 234.1)

The Jurupa Unified School District is committed to maintaining a learning environment that is free from discrimination, harassment, violence, intimidation, and bullying based on actual or perceived characteristics set forth in Section 422.55 of the PC and EC 220, and disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. All school personnel who witness an act of discrimination, harassment, intimidation, or bullying must take immediate steps to intervene when safe to do so. Any student who engages in acts of discrimination, harassment, violence, intimidation, or bullying related to school activity or school attendance occurring within a school of the school district may be subject to disciplinary action up to and including expulsion. To report an incidence and/or to receive a copy of the district's anti-discrimination, anti-harassment, anti-intimidation and anti-bullying policies, please contact the Director of Pupil Personnel Services at (951) 360-4140.

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES (Code: 5145.71 AR)

The complaint procedures described in this administrative regulation shall be used to address any complaint governed by Title IX of the Education Amendments of 1972 alleging that a student, while in an education program or activity in which a district school exercises substantial control over the context and respondent, was subjected to one or more of the following forms of sexual harassment: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on the student's participation in unwelcome sexual conduct
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a student equal access to the district's education program or activity
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

For a complaint governed by Title IX based on conduct that occurred, in whole or in part, between August 1, 2024 and January 9, 2025, or prior to August 14, 2020, the Title IX Coordinator shall consult with district legal counsel to determine which procedures to use.

All other complaints alleging sexual harassment brought by or on behalf of students shall be investigated and resolved in accordance with Board Policy/Administrative Regulation 1312.3 - Uniform Complaint Procedures. The determination over which process shall be used to investigate and resolve a complaint shall be made by the district's Title IX Coordinator.

The Title IX Coordinator shall ensure that all requirements and timelines for Board Policy/Administrative Regulation 1312.3 - Uniform Complaint Procedures are concurrently met while implementing the Title IX procedure.

Basic Requirements

When implementing Title IX grievance procedures, the district shall: (34 CFR 106.45)

1. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent and by following a grievance process in accordance with 34 CFR 106.45 before the imposition of any disciplinary sanctions or other actions that are not supportive measures, as defined in 34 CFR 106.30, against a respondent

Remedies following a determination of responsibility for sexual harassment shall be designed to restore or preserve equal access to the district's education program or activity, and shall be provided in accordance with "Remedies," below.

2. Require an objective evaluation of all relevant evidence, including both inculpatory and exculpatory evidence, and provide that credibility determination may not be based on a person's status as complainant, respondent, or witness
3. Ensure that the Title IX Coordinator, investigator, decisionmaker, or any person that facilitates an informal resolution process, does not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent, and that such individuals receive training in accordance with 34 CFR 106.45
4. Presume that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process
5. Include reasonably prompt timeframes for the conclusion of the grievance process, including reasonably prompt timeframes for filing and resolving appeals, and informal resolution processes if appropriate and offered by the district

The district's procedures shall also include a process that allows for the temporary delay of the grievance procedures or the limited extension of timeframes for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

6. Describe the range of, or list, the possible disciplinary sanctions and remedies that the district may implement following any determination of responsibility
7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, and apply the same standard of evidence to formal complaints against students and employees and to all formal complaints of sexual harassment
8. Include the procedures and permissible bases for the complainant and respondent to appeal
9. Describe the range of supportive measures available to complainants and respondents
10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege

Additionally, the district shall not disclose the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act statute or regulations, as required by law, or to carry out the purposes of Title IX, including the conduct of any investigation, hearing, or judicial proceeding arising under Title IX. (34 CFR 106.30, 106.71)

Reporting Allegations/Filing a Formal Complaint

A student who is the alleged victim of sexual harassment or the student's parent/guardian may submit a report of sexual harassment to the district's Title IX Coordinator using the contact information listed in Administrative Regulation 5145.7 - Sexual Harassment, or to any other available school employee, who shall forward the report to the Title IX Coordinator within one workday of receiving the report.

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the right to file a formal complaint and the process for filing a formal complaint. (34 CFR 106.44)

A formal complaint shall include the complainant's physical or digital signature, or another indication that the complainant is the person filing the complaint, and be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

If the district has actual knowledge of sexual harassment or allegations of sexual harassment but the alleged victim does not file a formal complaint, the Title IX Coordinator may file a complaint and, in situations when an imminent safety threat exists, shall file a formal complaint. In such cases, the Title IX Coordinator shall provide the alleged victim notices as required by the Title IX regulations at specific points in the complaint process.

Supportive Measures

Upon receipt of a report of Title IX sexual harassment, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures and shall consider the complainant's wishes with respect to the supportive measures implemented. Supportive measures shall be offered as appropriate, as reasonably available, and without charge to the complainant or the respondent before or after the filing of a formal complaint or even if no formal complaint has been filed. Such measures shall be nondisciplinary, nonpunitive, and designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment or to deter sexual harassment. Supportive measures may include, but are not limited to, counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact, changes in work or housing locations, leaves of absence, increased security, and monitoring of certain areas of the campus. (34 CFR 106.30, 106.44)

The district shall maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the district's ability to provide the supportive measures. (34 CFR 106.30)

Emergency Removal from School

If a student is the respondent, the district may remove the student from the district's education program or activity on an emergency basis, provided that the district conducts an individualized safety and risk analysis, determines that removal is justified due to an immediate threat to the physical health or safety of any student or other individual arising from the allegations, and provides the student with notice and an opportunity to challenge the decision immediately following the removal. Any such removal may not constitute discipline for student record purposes or Board Policy 5144 - Discipline. Additionally, this authority to remove a student does not modify a student's rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

Dismissal of Complaint

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30. Additionally, the Title IX Coordinator shall dismiss a formal complaint in which the alleged conduct did not occur in the district's education program or activity or did not occur against a person in the United States. In addition, the Title IX Coordinator may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer enrolled or employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly send written notice of the dismissal and the reasons for the dismissal simultaneously to the parties, and shall inform them of their right to appeal the dismissal in accordance with the appeal procedures described in the section "Appeals" below. (34 CFR 106.45)

If a complaint is dismissed, the conduct may still be addressed pursuant to Board Policy/Administrative Regulation 1312.3 - Uniform Complaint Procedures, as applicable.

Informal Resolution Process

When a formal complaint of sexual harassment is filed the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. (34 CFR 106.45)

The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint, including that the district shall not require such waiver as a condition of enrollment or employment or continuing enrollment or employment. (34 CFR 106.45)

As part of an informal resolution, the parties may agree upon discipline such as suspension or expulsion without the need for an investigation.

The district may facilitate an informal resolution process provided by the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations; the requirements of the informal resolution process, including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations; the right to withdraw from the informal process and resume the formal complaint process at any time prior to agreeing to a resolution; and any consequences resulting from the informal resolution process, including that records will be maintained or could be shared
2. Obtains the parties' voluntary, written consent to the informal resolution process
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student

Written Notice

If a formal complaint is filed, the Title IX Coordinator shall provide the known parties with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process
2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including the identity of parties involved in the incident if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident if known. Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview. If, during the course of the investigation, new Title IX allegations arise about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator shall provide notice of the additional allegations to the parties.
3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the complaint process
4. The opportunity for the parties to have an advisor of their choice who may be, but is not required to be, an attorney, and the ability to inspect and review evidence
5. The prohibition against knowingly making false statements or knowingly submitting false information during the complaint process

The above notice may also include the name of the investigator, facilitator of an informal process, and decisionmaker and inform the parties that, if at any time a party has concerns regarding conflict of interest or bias regarding any of these persons, the party should immediately notify the Title IX Coordinator.

Consolidation of Complaints

When the allegations of sexual harassment arise out of the same facts or circumstances, the district may consolidate formal complaints alleging sexual harassment against more than one respondent; by more than one complainant against one or more respondents; or by one party against another party. (34 CFR 106.45)

Investigation Procedures

During the investigation process, the district's designated investigator shall: (34 CFR 106.45)

1. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence
2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence
3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney

4. Not limit the choice or presence of an advisor for either the complainant or respondent in any meeting or grievance proceeding, although the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings as long as the restrictions apply equally to both parties
5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate
6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint including evidence that the district does not intend to rely on in reaching a determination regarding responsibility and inculpatory and exculpatory evidence whether obtained from a party or other source so that each party can meaningfully respond to the evidence prior to conclusion of the investigation
7. Send in an electronic format or hard copy to both parties and their advisors, if any, the evidence obtained as part of the investigation that is directly related to the allegations raised in the complaint, and provide the parties at least 10 days to submit a written response for the investigator to consider prior to the completion of the investigative report
8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the determination of responsibility, send to the parties and their advisors, if any, the investigative report in an electronic format or a hard copy, for their review and written response

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws.

If the complaint is against an employee, rights conferred under an applicable collective bargaining agreement shall be applied to the extent they do not conflict with the Title IX requirements.

Written Decision

The Superintendent shall designate an employee as the decisionmaker to determine responsibility for the alleged conduct, who shall not be the Title IX Coordinator or a person involved in the investigation. (34 CFR 106.45)

After the investigative report has been sent to the parties but before reaching a determination regarding responsibility, the decisionmaker shall afford each party the opportunity to submit written, relevant questions that the party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party.

The decisionmaker shall issue, and simultaneously provide to both parties, a written decision as to the scope of the respondent's responsibility for the alleged conduct, if any. (34 CFR 106.45)

The written decision shall be issued within 60 calendar days of the receipt of the complaint.

The district may extend the timeline for good cause with written notice to the complainant and respondent of the extension and the reasons for the action. (34 CFR 106.45)

In making this determination, the decisionmaker shall use the "preponderance of the evidence" standard for all formal complaints of sexual harassment. The same standard of evidence shall be used for formal complaints against students as for complaints against employees. (34 CFR 106.45)

The written decision shall include the following: (34 CFR 106.45)

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 CFR 106.30
2. A description of the procedural steps taken from receipt of the formal complaint through the written decision, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held if the district includes hearings as part of the grievance process
3. Findings of fact supporting the determination
4. Conclusions regarding the application of the district's code of conduct or policies to the facts
5. A statement of, and rationale for, the result as to each allegation, including a decision regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's educational program or activity will be provided by the district to the complainant
6. The district's procedures and permissible bases for the complainant and respondent to appeal

Appeals

Either party may appeal the written decision or dismissal of a formal complaint or any allegation in the complaint, if the party believes that a procedural irregularity affected the outcome, new evidence is available that was not reasonably available at the time the determination regarding responsibility or dismissal was made that could affect the outcome, or a conflict of interest or bias by the Title IX Coordinator, investigator(s), or decisionmaker(s) affected the outcome.

If an appeal is filed, the district shall: (34 CFR 106.45)

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties
2. Ensure that the decisionmaker(s) for the appeal is trained in accordance with 34 CFR 106.45 and is not the same decisionmaker(s) who reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator
3. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome
4. Issue a written decision describing the result of the appeal and the rationale for the result
5. Provide the written decision simultaneously to both parties

An appeal shall be filed in writing within 10 calendar days of receiving the notice of the decision or dismissal, stating the grounds for the appeal and including any relevant documentation in support of the appeal. Appeals submitted after this deadline are not timely and shall not be considered.

A written decision shall be provided to the parties within 20 calendar days from the receipt of the appeal.

Either party has the right to file a complaint with the U.S. Department of Education's Office for Civil Rights within 180 days of the date of the most recently alleged misconduct.

The complainant shall be advised of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal antidiscrimination laws, if applicable.

Remedies

When a determination of responsibility for sexual harassment has been made against the respondent, the district shall provide remedies to the complainant as appropriate. Such remedies may include the same individualized services described above in the section "Supportive Measures" but need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent. (34 CFR 106.45)

Corrective/Disciplinary Actions

The district may impose disciplinary sanctions or other actions after the complaint procedure has been completed and a determination of responsibility has been made. (34 CFR 106.44, 106.45)

For students in grades 4-12, discipline for sexual harassment may include suspension and/or expulsion in accordance with Board Policy and Administrative Regulation 5144.1 - Suspension/Expulsion and Administrative Regulation 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities). (Education Code 48900.2, 48915)

Other actions that may be taken with a student who is determined to be responsible for sexual harassment include, but are not limited to:

1. Transfer from a class or school as permitted by law
2. Conference with parent/guardian
3. Educating the student regarding the impact of the student's conduct on others
4. Positive behavior support
5. Referral of the student to a student success team
6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law

When an employee is found to have committed sexual harassment or retaliation, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

Record-Keeping

The Superintendent or designee shall maintain, for a period of seven years: (34 CFR 106.45)

1. A record of all reported cases and Title IX investigations of sexual harassment, any determinations of responsibility, any audio or audiovisual recording and transcript if applicable, any disciplinary sanctions imposed, any remedies provided to the complainant, and any appeal or informal resolution and the results therefrom
2. A record of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment, including the district's basis for its conclusion that its response was not deliberately indifferent, the measures taken that were designed to restore or preserve equal access to the education program or activity, and, if no supportive measures were provided to the complainant, the reasons that such a response was not unreasonable in light of the known circumstances
3. All materials used to train the Title IX Coordinator, investigator(s), decisionmaker(s), and any person who facilitates an informal resolution process

The district shall make such training materials publicly available on its website, or if the district does not maintain a website, available upon request by members of the public.

For complaints containing allegations of childhood sexual assault, the Superintendent or designee shall also indefinitely maintain the following: (Code of Civil Procedure 340.1)

1. A record of the allegation(s)
2. A record of the investigation procedures followed
3. record of the written determination
4. A record of the corrective action implemented, if any
5. A record of any appeals and the outcome of the same
6. All training materials addressing the prohibition and investigation of childhood sexual assault

Additionally, the Superintendent or designee shall indefinitely maintain a record of insurance which evidences the district's coverage for acts of sexual assault.

SEXUAL HARASSMENT NOTIFICATION

(EC 48980 (g) and 231.5 and Board Policy 5145.7)

The Jurupa Unified School District is committed to maintaining a learning and working environment that is free from sexual harassment. Any student who engages in sexual harassment of anyone in or from the district may be subject to disciplinary action up to and including expulsion. Any employee who permits, engages in, or fails to report sexual harassment shall be subject to disciplinary action up to and including dismissal. For a copy of the district's sexual harassment policy or to report incidences of sexual harassment, please contact the office of the Assistant Superintendent of Human Resources. The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits sexual harassment of students by other students, employees or other persons at school or at school-sponsored or school-related activities. The Board also prohibits retaliatory behavior or action against any person who files a complaint, testifies, or otherwise participates in district complaint processes. For more information on the complaint process, disciplinary action, confidentiality, and record-keeping, please refer to the 2025-2026 Parent Guide.

CUSTODY ISSUES

Custody disputes must be handled by the courts. The school has no legal jurisdiction to refuse a biological parent access to his/her child and/or school records. The only exception is when signed restraining orders or proper divorce papers, specifically stating visitation limitations, are on file in the school office. Any student release situation which leaves the student's welfare in question will be handled at the discretion of the site administrator or designee. Should any such situation become a disruption to the school, law enforcement will be contacted and an officer requested to intervene. Parents are asked to make every attempt not to involve school sites in custody matters. The school will make every attempt to reach the custodial parent when a parent or any other person not listed on the emergency card attempts to pick up a child.

CIVILITY POLICY

All Jurupa Unified School District staff members will treat parents and other members of the public with respect, and will expect the same in return. The District is committed to maintaining orderly educational and administrative processes in keeping its offices free from disruptions and preventing unauthorized persons from entering its facilities. This policy is developed to promote mutual respect, civility and orderly conduct among District employees, parents, students and the public. This policy is not intended to deprive any person of their right to freedom of expression, but only to maintain, to the extent possible and reasonable, a safe, harassment-free environment for all individuals who enter District facilities. The District encourages positive communication, and discourages volatile, hostile or aggressive actions. The District seeks public cooperation with this endeavor.

DISRUPTIONS

1. Any individual who disrupts or threatens to disrupt District operations; threatens the health or safety of District staff; willfully causes property damage; uses loud and/or offensive language which could provoke a violent reaction; or who has otherwise established a continued pattern of unauthorized entry on the grounds of District facilities will be directed to leave District property promptly by District administrative staff and shall not be allowed to return for at least 72 hours (EC 32211).
2. If any member of the public uses obscenities or speaks in a demanding, loud, insulting and/or demeaning manner while on District premises, the District administrator or employee to whom the remarks are directed will calmly and politely request the speaker to communicate in a civil manner. If corrective action is not taken by the abusing party, the District employee will verbally notify the abusing party that the meeting, conference or telephone conversation is terminated and, if the meeting or conference is on District premises, the offending person will be directed to leave promptly.
3. When an individual is directed to leave under the circumstances discussed in Sections 1 or 2 above, the District administrator or designee shall inform the person that he/she will be guilty of a misdemeanor in accordance with California Education Code Sections 32211 and Penal Code Sections 626.6 and 626.8, if he/she reenters any District facilities with 72 hours after being directed to leave. If an individual refuses to leave upon request or returns before the applicable period of time, the District administrator or designee may notify law enforcement officials. An Incident Report (attached) shall be completed for any such situations.

Safety and Security

4. The District Administrator of Education Support Services or designee will ensure that a safety and/or crisis intervention techniques program is provided to staff in order to raise awareness on how to deal with these situations if and when they occur.

5. When violence is directed against a District employee, the employee shall promptly report the incident to their supervisor and complete an Incident Report. All District employees, supervisors and administrators should complete an Incident Report and report to law enforcement, any attack, assault or threat made against them on District premises or at District sponsored activities (Penal Code Section 243.5).

Documentation

6. When it is determined by staff that a member of the public is in the process of violating the provisions of this policy, an effort should be made by staff to provide a written copy of this policy, including applicable Code provisions, at the time of occurrence. The employee will immediately notify his/her supervisor and provide a written Incident Report.

DISASTER PLAN

In the evacuation area students are to report for roll call to the teacher of the class from which they evacuated. If a drill or disaster occurs during a time when students are not in class such as lunch, or passing period, then students are to report to the teacher of their prior class in the evacuation area. Students will receive further instructions in the evacuation area.

DISASTER STUDENT RELEASE

Parent Alert! Should an earthquake or other disaster occur, emergency procedures at the school and district will be in force. Staff will remain with students at the site until such time parents/guardians or people specifically listed on the student's emergency card are able to pick up the student. Be sure the emergency card is updated and accurate. Be sure to review this procedure with students to ensure they know this process and the importance of following carefully.

DISASTER PREPARATIONS

In the event of a major disaster, NVHS students and staff will follow prepared and practiced emergency procedures. In an emergency situation, the school will use an established emergency checkout procedure for releasing students. Students will only be released to parents, legal guardians, and other persons designated on the student's card. Parents are advised to update student registration and emergency contact information when changed so that school personnel can contact the appropriate party to ensure student safety.

EMERGENCY CARDS

It is necessary that each student have a current emergency card on file. In an emergency, the information on this card will enable us to contact parents and arrange medical help for students. A student can only be released to adults listed on the emergency card. It is critical that students and parents notify us regarding any changes of address, phone numbers, and/or emergency contact people.

VISITOR POLICY

Nueva Vista is a closed campus to all but enrolled students and staff. All visitors must be checked in at the main office and receive a visitor's pass before. The pass must be worn on the shoulder area at all times while on campus. Failure to follow these procedures may lead to police intervention. Students may not bring relatives or friends to school as visitors (P.C. 626.8 & .6). Non-students may not be on campus at lunch time to visit friends.

PROCEDURE FOR SHADOWING STUDENTS

Parents/guardians will need to contact the Principal at least 2 days in advance to notify teachers and arrange for the on-campus shadowing. Parents/guardians will sign-in when they arrive to receive a visitor's badge and will be directed to the appropriate classroom. Parent/guardian will only be an observer in the class, not a participant or evaluator. Questions or comments should be written down and left with the teacher and the teacher will contact the parent within 24 hours to discuss. At the end of the observation, the parent/guardian will need to sign out and return the visitor's badge to the office.

TELEPHONES FOR STUDENT USE

There are no pay telephones on campus. Students will need to make other arrangements. Emergency calls can be made at the main office until approximately 3:30 p.m.

MOBILE COMMUNICATION DEVICES

The Governing Board recognizes that the use of smartphones and other mobile communication devices on campus may be beneficial to student learning and well-being, but could be disruptive of the instructional program in some circumstances. (cf. 0450 - Comprehensive Safety Plan)

(cf. 5131.2 - Bullying)

(cf. 5131.4 - Student Disturbances)

(cf. 5141.52 - Suicide Prevention)

(cf. 6163.4 - Student Use of Technology)

1. In the case of an emergency, or in response to a perceived threat of danger
2. When a teacher or administrator grants permission to the student to possess or use a mobile communication device, subject to any reasonable limitation imposed by that teacher or administrator
3. When a licensed physician or surgeon determines that the possession or use is necessary for the student's health and well-being
4. When the possession or use is required by the student's individualized education program (cf. 6159 - Individualized Education Program)

Elementary and Middle School Students:

To ensure that district schools remain focused on academics, positive social interactions and to reduce unnecessary distractions, the use of personal cell phones, earbuds, smartwatches, and other smart devices is strictly prohibited during the school day at elementary and middle schools.

Cell phones and all mobile devices must be silenced or turned off during the school day.

High School Students:

To ensure that district schools remain focused on academics, positive social interactions and to reduce unnecessary distractions, the use of personal cell phones, earbuds, smartwatches, and other smart devices is strictly prohibited during instructional time. During instructional time, cell phones must be silenced or turned off and put away in a manner that complies with the expectations of the classroom teacher and school site.

High school students may use personal cell phones, earbuds, smartwatches, and other smart devices on campus during non-instructional time (lunches and passing periods) providing the device is utilized in accordance with law and any rules that individual school sites may impose.

Smartphones and other mobile communication devices shall not be used in any manner which infringes on the privacy rights of any other person.

When a school official reasonably suspects that a search of a student's mobile communication device will turn up evidence of the student's violation of the law or school rules, such a search shall be conducted in accordance with BP/AR 5145.12 - Search and Seizure.

(cf. 5145.12 - Search and Seizure)

(cf. 5145.2 - Freedom of Speech/Expression)

When a student uses a mobile communication device in an unauthorized manner, the student may be disciplined and a district employee may confiscate the device. The employee shall store the device securely until it is returned to the student or turned over to the principal or designee, as appropriate.

A student may also be subject to discipline, in accordance with law, board policy, or administrative regulation, for off-campus use of a mobile communication device which poses a threat or danger to the safety of students, staff, or district property or substantially disrupts school activities.

The Superintendent or designee shall inform students that the district will not be responsible for a student's mobile communication device which is brought on campus or to a school activity and is lost, stolen, or damaged.

The “Lost and Found” is located in the main office. Students who have lost items should check the office when they discover something is lost. Each quarter all unclaimed items may be donated to local charities.

DELIVERIES DURING SCHOOL HOURS

All items must be dropped off at the main office lobby. We cannot accept any food products, electronic devices (including cell phones), or money due to health risks and liability. Students can pick up these items during passing periods (if time permits) during lunch, or after school. Students will NOT be called out of class nor will the items be delivered.

RESTRICTED AREAS

The front of the school, the NVHS parking lot, and the back areas beyond the black top are considered restricted areas for students. Students should park their vehicles in the designated student parking and proceed onto campus, and not loiter around the cars. NO SKATEBOARDS, NO BICYCLES, NO MOTORIZED VEHICLES, NO ROLLER SKATES/ROLLER BLADES, and NO SCOOTERS are allowed on campus and should be checked into the office, if brought into school. If you are using any of the devices listed as your mode of transportation, it will need to be locked up and/or placed in the main office during school hours. It can be redeemed after school. If you are found on campus with these items and do not follow the check in rules, the consequences for violations are:

1st Offense: Warning and name put on file

2nd Offense: Parent Contact

3rd & Subsequent Offenses: Suspension from school and possibly reevaluation of placement at NVHS.

PROPERTY DAMAGE (EC 48904)

Parents or guardians may be held financially liable if their child willfully damages school property or fails to return school property loaned to the child. The school may further withhold the grades, diploma, and transcript of the pupil until restitution is paid.

LASER POINTERS (PC 417.27)

It is a crime for any student to possess a laser pointer on any elementary or secondary school campus, unless possession is for a valid instructional purpose. Directing the beam of a laser pointer into the eyes of another or into a moving vehicle or into the eyes of a guide dog is also prohibited. A pupil may be suspended or expelled for acts which are enumerated in this section and are related to a school activity or attendance which occur at any time, including but not limited to: 1) while on school grounds, 2) while going to or coming from school, 3) during the lunch period, whether on or off the campus, or 4) during, or while going to or coming from a school sponsored activity. Law enforcement will be contacted.

HANGING OUT/LOITERING

Students are not to loiter on private or public property or on any of the city streets surrounding our campus during the school day. Students are not to loiter in the parking lot before or after school. Students should park their cars upon arriving on campus and not loiter in the parking lot. Students are not to loiter on campus after school. Students may wait for their parents in front of the school. Appropriate disciplinary action will be taken for those students who choose to violate this policy. All students, unless under the supervision of the NVHS staff, should depart campus within 30 minutes of the end of the school day.

PERMANENT MARKERS, WHITE OUT PENS, ETCHING TOOLS, SPRAY PAINT

These items are not allowed at school and will be confiscated. Students bringing these items on campus are subject to disciplinary action, including suspension from school. Parents will be held liable for any damage committed by their student (Ed. Code 48900, 48904, 48980).

Due to the insurance liability, skateboards must be left at home. Heelys (shoes with rollers in heels), scooters, and roller blades/skates are not to be brought on campus at any time. Bicycles should be properly locked in designated areas and not ridden on campus. NVHS will not be responsible for these items if lost, stolen, or vandalized. Students riding on campus are subject to suspension from school. V.C. 21212 requires all persons under the age of 18 to wear a helmet when operating a bicycle. No motorized vehicles, motorcycles, or motorbikes may be brought on campus, except to be parked in designated student parking areas.

SEARCHES & USE OF TRAINED DOGS

Per JUSD Board Regulation 5166: “Whenever it is determined that a reasonable suspicion exists that a student may be in violation of the law or school rules, school administrators or certificated discipline designees, per Education Code 48911 (i), may conduct a search of the student. School officials may call upon a law enforcement officer to conduct or assist in any search, and when deemed appropriate, a metal detector may be used to assist with a search.” School administrators may conduct random searches in a classroom at any time. PE lockers and personal items such as back-packs, purses, and cars are subject to search by a school administrator who has reasonable grounds or suspicion. In an effort to keep the school free of drugs and firearms, the district may use specially trained non-aggressive dogs to alert staff to the presence of substances prohibited by law or district policy. The dogs may sniff the air around lockers, desks, bags, items, or vehicles on district property or at district sponsored events (Ed. Code 35160, .1, 35294-35294.5, 49050-49051, 493320-49334, P.C. 626.9 & .10, Board Policy).

Code 40041, 51520, 51521).

DRESS CODE

All students are required to present themselves in an orderly manner, conducive to the advancement of education. Appearance should be neat and appropriate for the instructional setting. Items that are disruptive or could cause situations that would diminish the safety of students will be prohibited.

Students and parents/guardians will be informed about dress and grooming standards at the beginning of each school year and whenever these standards are revised. Students in violation of the dress code will receive a warning and parents will be notified. Students will be required to change or wear attire provided by the school. Repeat violators will receive consequences according to the school assertive discipline plan as appropriate for defiance of school rules.

The following specific guidelines shall be used to determine appropriate dress:

Gang-Related Apparel

Gang-related apparel is strictly prohibited. "Apparel" includes, but is not limited to, hats, jewelry, belt buckles, bandannas, hair nets, insignias, exposed tattoos, colors, paraphernalia, and professional sports jerseys or logos that indicate an affiliation with a group or gang which may provoke others to act violently or be intimidated. This may include, but is not limited to, logos of the Las Vegas Raiders, Los Angeles apparel, or any kind of the number "13."

A list of specific, prohibited "gang-related apparel" will be developed and maintained in continued consultation with the Riverside County Sheriff's Department. The list of prohibited gang-related apparel may be revised from time to time as deemed necessary and must be limited to apparel that reasonably could be determined to threaten the health and safety of the school environment if worn or displayed on a school campus.

Appropriate Dress - General

- Tops/ Shirts/ Blouses must be appropriate for school by covering the midriff of the student's body from two inches above the waistline to the top of the armpits. Tops must have at least one shoulder strap to prevent tops from slipping down or being pulled. Here are some great ways students accomplish this: wear a halter top (strap loops around the neck), spaghetti straps/camisole, or bralette underneath your desired top, or wear a hoodie or shirt over the desired top. Bra straps are not a substitute for a strap. Bralettes, however, look like tank tops so we will allow this. Students may not wear backpacks to give the illusion that they are wearing straps.
- Layered undershirts may be worn to cover midriff and back that is exposed if students wear sleeveless tops with large arm holes, backless shirts, crop tops/ cut off tee-shirts, sheer material, or other tops that expose the midriff can be worn with an undershirt that covers the back or midriff.
- Shorts, dresses, skirts or must cover the full curve of the buttocks at all times.
- Bagging or sagged pants shall not be worn at school. The term "baggy pants" means the waistline of the pants, located at the hipbone of the student when pulled and pinched will gather more than one inch of material. The term "sagged pants" means the waistline of the pants is located below the hipbone of the student. With the pants correctly worn the crotch of the pants will not hang away from the body. Properly fitted pants, incorrectly worn (below the hipbone) are "sagged pants." Pants that are loose enough to fall off the hips without a belt are too big.

Prohibited Item

Clothing, jewelry, and personal items (backpacks, gym bags, water bottles, etc.) shall be free from writing, pictures or any other insignia which are crude, vulgar, profane or sexually suggestive, or which bear weapons, drug, alcohol or tobacco company advertising, promotions and likenesses. This includes any symbols the principal or designee considers to be drug related such as KK, blunt, 420, and 8-ball. Only school approved lanyards.

Also prohibited are clothing, head coverings, jewelry, and other items which advocate gender, racial, ethnic, or religious prejudice (i.e., white/brown/black pride or power) or which demean or exalt any group of people such that it infringes upon the rights of others to be free from harassment or intimidation. Also prohibited are items containing messages that promote or glorify death, mutilation, or violence, or which constitute gang "silent code" messages, as determined by the school principal or designee in consultation with law enforcement.

Jewelry

Jewelry with gang-related or other inappropriate symbols, as described above, is prohibited. Also prohibited is jewelry designed for use as a weapon or designed to contain hazardous or contraband materials. In addition, jewelry or other accessories which display studs, spikes, chains, replica weapons or drug paraphernalia, or which may pose a threat to student safety are prohibited. Chains greater than 1/8 inch in diameter are prohibited.

Shoes

Shoes must be worn at all times. For safety reasons, only shoes which are appropriate for school wear are allowed, as determined by school administration. Shoes should stay on when walking or running. Any shoe with a hard sole is acceptable. Open toe shoes may not be acceptable in some lab classrooms due to safety issues.

Hats

Only school approved hats, caps or other head coverings may be worn. Hats and head coverings that have been identified by local law enforcement agencies to be affiliated with local gangs will not be allowed on campus. Refer to the section on prohibited items.

Sunglasses

Sunglasses may not be worn in the classroom.

Hair

Hair must be clean and neatly groomed. Hair lengths or styles which jeopardize the health and safety of the wearer or others of which substantially disrupt or interfere with school activities are not allowed.

Attire for Commencement Ceremonies and Senior Awards Night

Students may be required to wear ceremonial attire, such as cap and gown, at the ceremony.

SCHOOL BUS SAFETY (EC 39835.1)

All pupils in pre-kindergarten, kindergarten and grades 1 to 6, shall receive written information on school bus safety (i.e. a list of school bus stops near each pupil's home, general rules of conduct at school bus loading zones, red light crossing instructions, school bus danger zone, and walking to and from school bus stops). Prior to departure on a school activity trip, all pupils riding on a school bus or school activity bus shall receive safety instruction that includes, but is not limited to, location of emergency exits, and location and use of emergency equipment. Instruction may also include responsibilities of passengers seated next to an emergency exit.

TRANSPORTATION OF STUDENTS - Board Policy 5112.2

The privilege of riding school buses may be suspended or revoked for any student who violates the rules of conduct or commits acts that make the operation of a school bus unsafe. In order to conduct a safe and orderly transportation system it is necessary that the rules of conduct governing the behavior of passengers be observed.

The law requires that pupils transported in a school bus shall be under the authority of and responsible directly to the school bus driver. The driver is responsible for the orderly conduct of pupils while they are on the bus or being escorted across a street or road. The bus driver shall report all serious or persistent cases of misconduct to the principal of the school on the appropriate referral form. The principal shall take appropriate disciplinary action and inform the bus driver of the action taken.

The following are minimum rules of conduct. Passengers will:

1. Remain seated.
2. Refrain from hitting, pushing, and shoving.

Note: During the appeal of suspension to the principal, the student shall remain suspended for the length of the appealed suspension. When a parent or guardian wishes to appeal the suspension (without recommendation for expulsion), the following procedure shall be followed:

1. The pupil's parent or guardian shall have the right to submit a written statement that shall be attached to the suspension notice.
2. The parent or guardian shall submit a written statement outlining the reasons for requesting an appeal within five (5) school days of the date the student was suspended to the principal or designee.
3. Upon receipt of a written appeal of a suspension, the principal or designee shall have five (5) school days to consider the appeal. After considering the appeal, the principal or designee will notify the parent or guardian of the decision.
4. If the principal or designee agrees to alter the suspension after considering the parent or guardian's appeal, and the parent or guardian agrees with the change, the appeal process shall end.
5. If the principal or his designee does not agree to change the suspension, or if the parent or guardian does not agree with the change offered by the principal, the parent or guardian may then appeal the suspension to the Superintendent's Designee.
6. The Superintendent's Designee shall hear appeals only after the appeal has been heard by the principal or designee.
7. The parent or guardian shall submit the written reason for appealing the suspension to the Superintendent's Designee within five (5) school days after being notified by the principal.

8. The Superintendent's Designee will contact the parent or guardian as soon as possible but within five (5) school days of receipt of the written request.
9. The Superintendent's Designee shall confer with the principal to determine if there is sufficient evidence to find that the alleged violation occurred, whether the penalty imposed is appropriate for the violation, and whether the pupil has been afforded due process of law.
10. The Superintendent's Designee shall make a finding of fact and shall render a decision.
11. The Superintendent's Designee will then inform the parent and the principal first verbally and then in writing, of the decision.
12. If the Superintendent's Designee determines that no violation occurred, all records regarding the suspension shall be immediately destroyed.
13. If the Superintendent's Designee determines that the penalty imposed was inappropriate for the violation, all records concerning the suspension shall be revised to indicate the penalty imposed by the Superintendent's designee.
14. If the Superintendent's Designee determines that the violation did occur and that the penalty was appropriate, the suspension shall stand.
15. In all cases, the decision rendered by the Superintendent's Designee shall be final and shall end the appeal process.
16. The appeal of suspension with a recommendation for expulsion is terminated with the Superintendent's Designee meeting. [EC 48911(g)]

Every school must provide sufficient textbooks and instructional materials. Every student, including English learners, must have textbooks or instructional materials, or both to use at home or after school. School facilities must be clean, safe, and maintained in good repair. There should be no teacher vacancies or mis-assignments. If a school is found to have deficiencies in these areas, and the school does not take corrective action, then a complaint form may be obtained at the school office by contacting Pupil Services at (951) 360-7845. Williams Complaint Policies and Procedures are posted in every classroom and school site office of the Jurupa Unified School District.

GUIDANCE

The office maintains a personalized graduation plan for each student. The graduation plan contains a complete record of each student's educational progress, standardized test scores, schedule, grades, etc. We will work to assist the student in developing his/her educational objectives. Bulletin boards may carry notices of scholarships, college visitations, vocational programs, and other pertinent information.

COMMUNITYCOLLEGE/PRIVATE COLLEGE REQUIREMENTS

Community colleges offer many technical/vocational classes as well as a transfer program that allows students to advance to a four-year college. Any student may be admitted who is either a high school graduate or 18 years of age or who has passed the California High School Proficiency Exam (CHSPE). There are no specific subject requirements. See college catalogues for specific private college admission requirements.

CALIFORNIA COLLEGE GUIDANCE INITIATIVE INFORMATION SHARING AGREEMENT

Jurupa Unified School District is a partner district with the California College Guidance Initiative (CCGI). CCGI is a state-wide, equity focused, non-profit that manages the state of California's college and career planning platform, CaliforniaColleges.edu. The web-based platform offer students, families and educators a unified platform for facilitating and tracking students' college and career preparation, application and transition.

As a partner district, all students in grades 7-12 will have access to valuable tools and resources to support his/her college and career planning that is only provided when transcript data is uploaded from the district's Student Information System (SIS) into CaliforniaColleges.edu in accordance with all state and federal student privacy laws. Through this partnership, your child can:

- Use a variety of online tools to help him/her learn more about themselves (interest and aptitude surveys), explore and research careers, and explore training programs and colleges/Universities across the country.
- Maintain a personal portfolio where he/she can save information on careers and educational programs of interest to them, develop a multi-year plan to help them prepare for the future, create a resume, and maintain a list of activities and interests.
- Regularly use the CSU and UC Eligibility tools to view progress towards meeting the "a-g" course requirements, including those courses that do not meet the requirements, and quickly communicate with his/her counselor with questions.
- Apply to any CSU campus and his/her pre-verified courses will automatically migrate to CalState.edu/Apply, reducing time spent on the application by approximately 50% and also reducing confusion and errors caused by discrepancies between local course listings on transcripts and the course listings in the Course Management Portal (CMP)
- Launch the CCCApply application to California community colleges.
- Launch his/her application for financial aid (FAFSA)

Parents and guardians can also create accounts to gain view-only access to their child's progress.

Should a parent or guardian wish to opt-out from the District's disclosure of Student Information, please put this request in writing and return it to the school registrar

THE CALIFORNIA HIGH SCHOOL PROFICIENCY EXAMINATION (CHSPE)

The CHSPE is a voluntary test that assesses proficiency in basic reading, writing, and mathematics skills taught in public schools. Eligible persons who pass the CHSPE are awarded a Certificate of Proficiency by the California State Board of Education. The test is given in English only. California law requires that the Certificate of Proficiency be equivalent to a high school diploma. A student who receives a Certificate of Proficiency may, with verified parental approval, leave high school early. The Certificate of Proficiency, however, is not equivalent to completing all course work required for regular graduation from high school. If a student is planning to continue his or her studies in a college or university, they should contact the admissions office of the institution they plan to attend so that the student may understand that institution's admission requirements including whether or not the Certificate of Proficiency will be sufficient for admission.

Who may take the CHSPE?

A person may take the CHSPE only if he or she meets one of the following requirements on the test date: Student must be at least 16 years old, or, has been enrolled in the tenth grade for one academic year or longer, or will complete one academic year of enrollment in the tenth grade at the end of the semester during which the CHSPE regular administration (i.e., spring or fall) will be conducted.

Please visit the [CHSPE Registration Web page](#) for test dates.

TRANSCRIPTS

Currently enrolled students receive free official transcripts. Duplicating transcripts requires a 24-hour notice, and all charges must be cleared before transcripts are made. For alumni and former students, there is a \$3.00 fee for each transcript requested, cash or money order. Alumni can order transcripts online through Scribbles Records Requests at <https://jurupausd.scribborder.com>

TEXTBOOKS

All textbooks remain the property of the Jurupa Unified School District. Although we do not use textbooks on a regular basis, due to the online nature of our instruction, students are still expected to abide by the JUSD regulations on textbooks and other books if a student needs a book to support their learning. They are freely checked out (loaned) to students who need them. There is no charge for this loan service, but students are responsible for all textbooks that are checked out to them. Students are encouraged to cover their books. Majority of all classes are completed online but we do have textbooks if students need support with content or material. Students will not typically be checked out textbooks.

The following are Nueva Vista's rules of financial responsibility and payment for missing or damaged textbooks.

1. Each student is responsible for any and all textbooks issued to him/her [if applicable].
2. Each student must return the same textbook (same number) that was issued to him/her.
3. Textbooks which are not returned for any reason (lost, borrowed, stolen, destroyed) or which are damage beyond normal use must be paid for by the student or the student's parents (Ed. Code 48909) This includes textbooks that are damaged by water. The cost will be determined by the replacement cost of the books.
4. If a book is missing for any reason during the instructional term, the student may be required to pay for the book before a replacement copy is issued. In cases of genuine financial hardship, a new book may be issued before payment is made, but, in any case, the record must be cleared by the end of the school year.
5. If a missing book is paid for and later recovered, the amount paid will be refunded to the student (receipt for original payment must be provided).
6. Students have a 24-hour period to report damage to a textbook that has been checked out to them.
7. Any textbooks that contain gang affiliated graffiti, symbols or obscenities will be removed from circulation and the student will be charged.
8. Failure to pay any charges will result in loss of participation in school activities and withholding of report cards until the amount owed is paid.

STUDENT DEBTS

Students are responsible for paying all school-related debts including course fees, vandalism, damage to any school equipment, damaged or lost library books and textbooks. This is required at both Nueva Vista and the other high school sites, where applicable. Payment for these items must be made through MyPaymentsPlus.

WORK PERMITS

Work permit applications are required for all working students under the age of 18. General summary of Minors' Work Regulations: If federal laws, state laws, and school district policies conflict, the more restrictive law (that which is most protective of the employee) prevails. Generally, minors must attend school until age 18 unless they are 16 years or older and have graduated from high school or received a State Certificate of Proficiency. Employers of minors required to attend school must complete a "Statement of Intent to Employ Minor and Request for Work Permit" (Form B1-1) for the school district of attendance for each minor. Employers must retain a "Permit to Employ and Work" (Form B1-4) for each minor. Work Permits (B1-4) must be retained for three years and open at all times for inspection by sanctioned authorities. A Work Permit (B1-4) must be revoked whenever the issuing authority determines the employment is illegal or is impairing the health or education of the minor. For more information on Minors' Work Regulations, please visit www.ca.gov.
