How do I sign-up my student for Independent Studies?

- If interested in either short-term or long-term Independent Studies, please contact the attendance office at **NVHS at (951) 360-2802** or come to the main office at NVHS to inform us that you are interested in independent study
- Office staff will support you with the process
- We ask that you please notify the office staff at least 3-5 days in advance (if possible) to ensure that we have time to notify your child's teachers and to provide teachers adequate time to prepare assignments for your student.
- Student and parents will be required to meet with the guidance coordinator or administrator to sign a master agreement prior to starting on Independent Studies
- While on Independent studies, a student's attendance will be based on completion of work assigned by his/her teachers.
