Our approach includes using academic learning time effectively and respecting cultural, racial, and ethnic differences. We support parental involvement by offering activities as requested by parents, informing them of their rights, including the right to file a complaint, and providing opportunities for parents to participate in the development, implementation, and revision of the Parent Involvement Policy and the School-Parent Compact. Through these efforts, we strive to create an inclusive and collaborative atmosphere where every student can succeed academically and personally.

Describe how the importance of communication between teachers and parents on an ongoing basis through, at a minimum the following means (ESSA sections 1116[d][2][A-D]):
