STUDENT SPOT

Our E-Games team are champions!

This is Larry Duarte, an 11th grader at PHS. and he has been boxing for almost 2 years. The gym that he represents is Jurupa Valley Boxing Club. The biggest fights that he has been in were in Menifee, the Ontario Convention Center, and in Kissimmee Florida. Those were the Southern California State Tournament, the Western Regionals, and Nationals. Larry's goal is to fight in every big tournament that there is, such as Silver Gloves, Golden Gloves and Nationals. He wants to be a part of the 2021 Pan-Am Games in Colombia. Once he finishes everything he can possibly go pro and win a world title in several different weight classes. What an incredible work ethic Larry is demonstrating!

WINTER BALL

What is winter formal? Winter formal or otherwise known as Winterfest, Winter Ball, Sweethearts, Christmas Ball, Snow Ball, Queen of Hearts Dance, or simply Formal. This is a high school dance celebrated in the United States, Canada and Nigeria! Patriot High School's Winter Formal this year was called Winter Ball. Everyone came to the dance held at the Silver Lake Sports Complex looking amazing, some in cute dresses and others in dashing suits. Another tradition at formal is winter royalty! After being nominated you move into a preliminary vote then if you make the top four in royalty! After that there is another vote and winners announced on stage all grade levels receive a prince and princess and seniors have a queen and king. This years queen was Nicole Nunez and the king was Hunter Garcia. Patriot High had an exciting and fun dance and many made memoires and for the seniors the last winter formal of their high school lives!

SADIES WITH THE STARS

What is a Sadie Hawkins dance? Most people know the Sadie's dance for being the dance where the girls ask the guy instead of the "norm" of boys asking the girls. But where did it come from? Sadie Hawkins was not an actual person. She first appeared in cartoon. Artist Al Capp's comic strip Li'l Abner. This was set in the fictional mountain village of Dogpatch, Kentucky. Sadie was known as the most unattractive girl in all the hills but her father was an extremely wealthy and powerful man. Because Sadie was so hideous she couldn't get herself a husband. This scared her father because he thought his "ancient" daughter at the age of 35 would suffer the worst humiliation a woman could. Which is being an old maid. So he decided to take matters in to his own hands. He called all the eligible bachelors in the town and declared it Sadie Hawkins day. He ordered a race of the bachelors with Sadie chasing after them. When a man was caught he would be legally bonded to marry her. The other town spinsters loved this idea so much that they declared Sadie Hawkins Day a mandatory annual event, which was recreated in the comic strip by Capp every November for 40 years! Sadie Hawkins day wasn't just a big hit in fiction though, in 1939 life magazine reported that over 200 colleges were holding sadie hawkins day events. After this it became a tradition for high school and college girls across the country. 83 years later schools everywhere still have Sadies! The theme for Sadie's 2020, which was hosted by Link Crew, was Hollywood, also known as Sadies with the Stars. The theme was about dressing as your favorite people in Hollywood or you could say you attended an event such as the Oscars. Here are some photos of the best dressed!
