What's AP

- AP® courses are college-level courses offered in high school
- Courses reflect what is taught in top introductory college courses
- Students take AP Exams at the end of the course, measuring their mastery of college-level work
- A score of 3 or higher on an AP Exam can typically earn students college credit and/or placement into advanced courses in college

What are the benefits of taking an AP Class!!!

- **Stand out on college applications.** AP courses on a student's transcript shows that they've challenged themselves with the most rigorous courses available to them. And success on an AP Exam shows that they're ready for college-level coursework.
- **Earn college credit and/or skip introductory courses in college.** Most four-year colleges and universities in the United States—as well as many institutions in more than 100 other countries—grant students credit, placement, or both for qualifying AP Exam scores.

Advanced Placement

- Patriot offers 23 AP courses, AP Capstone Diploma, Honors classes, and Pre- AP classes.
- Incoming freshmen are allowed to take:
 - AP Computer Science Principles (**AP Contract needed**)
 - AP Human Geography (**AP Contract needed**)
 - Spanish Translation & Interpretation
 - Honors Math
 - Honors Biology
 - Pre-AP English

You will need to pick up an AP Contract if you are taking an AP class!

How to sign up for Honors, Pre Ap and AP Courses

- First check the prerequisite chart located on the back of the AP Contract or on the school website under AP Updates and make sure you meet the requirements.
- Next get the appropriate signatures
- **You will need a signed AP Contract for the following classes:** AP Computer Science Principles and/or AP Human Geography (you can pick up an AP contract in the office).

You do not need an AP Contract if you are taking Honors or Pre-AP classes.

Many of the Honors, Pre-AP and AP courses have summer work, check with your front office the last couple weeks of school or Patriot High Schools website for AP Updates.

This is your responsibility****
