

July 2018

To: Rivercrest Student for 2018-2019 School Year

**Information regarding 2018-2019 School Enrollment and Registration**

Welcome to the 2018-2019 school year. We are so happy that you will be joining us or the upcoming school year and we look forward to creating a partnership to support you as you move through your academic career. We will be doing official registration July 26<sup>th</sup> from 1:30 pm-3:00 pm and July 27<sup>th</sup> 9:00 am-1:00 pm. Please plan on coming one time during the registration window to pick up materials for the coming year and to complete paperwork to finalize registration for the upcoming school year. School will officially begin on August 8, 2018 this year.

Every student and parent will need to have a registration contract on file and we review and reevaluate enrollment at the completion of each semester. If we find that our independent study program is not the best academic placement, you may be moved back to your home school based on attendance, grades or discipline issues. If, during the semester, you fail to attend school and/or have difficulty completing your course work as assigned, due to the accelerated model of study, a meeting will be scheduled and your placement at Rivercrest will be reevaluated prior to the end of the semester.

Students should plan on attending Rivercrest on a daily basis, unless they are specifically enrolled in our once a week, non-A-G Independent study program. Our non-A-G, once a week program meetings will be held Mon-Fri, in the afternoon and will be discussed more upon registration and enrollment. This schedule is outlined to support student learning by giving students time with the curriculum and work load and an ability to work with a credential teacher for each course.

**Lunch for all students will be offered from 11:00-11:30 daily.**

Registration for 2018-2019 School Year for returning students will take place July 26<sup>th</sup> and July 27<sup>th</sup> in the school office. Our office will be open throughout the month of July from 8:00 am -2:30 pm daily [after July 16<sup>th</sup>], if you would like to come in to pick up registration materials prior to registration. It is not necessary and can all be done when you come and register, but it will speed up the process if your paperwork is filled out prior to official registration.

Official registration for all students, MS and HS, will be at the Rivercrest main office during the following times.

Students **WILL BE** taking school photos at registration, so they should be prepared for a photograph. Information on the picture packages is outlined here and can be purchased at time of taking. Please bring money with you to registration if you will be purchasing. Seniors do not have to use these photos for senior photos but will be taken for the ID and yearbook photo.

Chromebooks will also be checked and renewed so students should bring their Chromebook with them to registration.

Our office is working throughout the summer to ensure that we have the classes and finalizing all registration documentation. If you expressed a desire for concurrent enrollment, we will work to secure enrollment but we cannot guarantee course enrollment or periods.

Thank you for your support throughout this year and I look forward to working with you again as we continue to build the foundation of school.
