

Sunnyslope Elementary

Dear Sunnyslope Families,

Welcome to the 2026-2027 school year! We are excited to kick off another year of learning, growth, and opportunities at Sunnyslope Elementary.

This year, our theme is **We Are Dinos!** Together, we make **The Dino Difference** by building meaningful relationships, supporting one another, and creating opportunities for every student to learn, grow, and thrive.

As we begin the school year, we will continue to focus on three priorities: **academic achievement, a safe and supportive learning environment, and strong family partnerships.**

We encourage all families to be active partners in their child's education by participating in school events, volunteering when possible, and joining parent groups such as ELAC, School Site Council, Community Schools Council, GATE Parent meetings, and Parent Booster Club. Your involvement strengthens our school community and helps create meaningful experiences for all students.

Thank you for your continued partnership and trust. We look forward to another incredible year together!

Dr. Araux
