According to state law, your child's daily attendance is required each day that he/she is physically able. Parents or guardians are responsible for their child's attendance at school. The only valid reasons for absence from school are:

- (a) An illness or an injury.
- (b) A medical, dental, optometry or chiropractic appointment.
- (c) A quarantine of the home by a county or city health official.
- (d) Attendance at funeral services for a member of the immediate family.
- (e) Other personal reasons including an appearance in court, observance of a holiday or ceremony of his or her

**religion, attendance at religious retreats.**

Other absences are considered unexcused or truant and cause a disruption to your child's academic program. Students will be assigned Saturday School for unexcused absences and truanquies.

Students who have excessive tardies or absences will be referred to the School Attendance Review Board (SARB).

If your family must take its vacation during the regular instructional time, you may have your child placed on an Independent Study Contract to avoid the absence being classified as "unexcused" or "truant." All independent contracts must be approved by the principal.

**Perfect Attendance Award** – This award requires a student to attend each school day, arrive on time (no tardies), stay until the end of the day (2:30pm). Saturday school attendance will replace an absence for this award.

**Notification of Absence**

All absences are to be reported and verified through the school office. Please call the school office at (951) 360-2781 or send a written note with the date of absence, your child's name, reason for absence, and parent signature.

**Late Arrival**

If your child is late to school, he/she is required to get a tardy slip from the office before going to class. Students with unexcused tardies of 30 minutes or more are considered truant.

**Travel to and from School**

Both the school and parents share the responsibility of training children to use the safest route to and from school. **If your child walks, teach him/her to:**

- Use a crosswalk when crossing a street.
- Watch for cars before crossing and cross only when it is safe.
- Walk on the side of the road that faces traffic or has a sidewalk. Stay off of the street.
- Avoid strangers. Never get into a car with someone he/she does not know.

**Parking Lot**

Students may only be dropped off in the drop off area near lunch area. The drop-off lane is for dropping off and picking up students. Do not park in the drop-off lane. **Please be patient.** Do not drop off at the handicap parking area. Park in marked spaces only, do not double park in the parking lot or street. Dropping off students in the street is very dangerous. Do NOT park in the front loop. Parking is for "buses only." Every parent/guardian in the parking lot wants to pick up their children safely. Please follow all of the parking lot rules.

Students are to go directly from home to school and directly from school to home. No one is to stop at stores, restaurants, etc. Students must leave promptly at 2:30 p.m. dismissal. Students may not re-enter campus once they have exited.

**Bicycles/Scooters/Skateboards**

Third through sixth grade students may ride bicycles to school. Bicycles are to be locked in the bike rack to deter theft. Bicycles are not to be ridden on the school campus. Public law requires bike helmets. Sunnyslope will not be responsible for lost/stolen bikes.

**Bus Transportation**

Bus transportation is a service provided to Kinder through sixth grade students who live **2 miles** from the school. Students must be at the bus stop, ready to board, when the bus arrives. **Students must have a bus pass to board the bus each day.**

Bus passes will only be issued by the Transportation Department. Visit

[WWW.MyPaymentsPlus.com](http://WWW.MyPaymentsPlus.com) to apply for a bus pass. No temporary bus passes are issued by the school site.

Rules of conduct are established to aid in the safe and efficient transportation of students. **Therefore, your children need to observe the following rules:**

1. Remain seated, facing the front of the bus at all times.
2. Keep all parts of the body inside the bus at all times.
3. Do not throw things in or out of the bus.
4. No eating food or chewing gum on the bus.
5. No fighting, yelling or pushing.
6. Do not tamper with bus seats or equipment.
7. Do not use foul or abusive language.
8. Get off at your correct bus stop.
9. Do not throw objects or damage other people's property while at the bus stop.

**The bus driver is the person in charge. Obey the bus driver and do not argue with him/her.**

### Consequences

If a bus rule is broken, it will result in a bus ticket being issued by the bus driver:

**First to third referral:** visit to the office, inform the parents

**Fourth referral:** Parent meeting: student, principal, and department of transportation. Temporary suspension of transportation privileges.

**Fifth referral:** Loss of transportation privilege

More serious offenses will result in suspension from the bus for the remainder of the school year regardless of the number of bus tickets that have been received.

## Cafeteria Services

Breakfast and lunch meals are served daily. Breakfast meals are free. Students may bring a sack lunch and purchase milk for \$.25 or a hot lunch for \$2.25. Children frequently lose money; to prevent this, parents are urged to purchase lunches for the week or month. For every 10 lunches prepaid, you get one free!

To pay your lunch account online visit [www.MyPaymentsPlus.com](http://www.MyPaymentsPlus.com).

Follow the onscreen directions and register your student using their Student ID number. Student ID #'s can be obtained by contacting your student's school site.

In the event a student does not have a sack lunch or lunch money, the student will call home. If a lunch or money cannot be brought to school, the school cafeteria will provide a lunch to the student.

Please develop healthy eating habits with your child and discourage them from skipping meals. Proper nutrition in the school age years can reinforce lifelong eating habits that contribute to a student's overall well-being.

## Health Information

When a child becomes ill at school, the

staff attempts to contact a parent listed on the emergency card first. If the staff is unsuccessful in reaching a parent, the next step is to contact an alternative person listed on the emergency card. The school staff only releases a child to persons listed on the emergency card. **It is important that emergency cards be kept up to date for your child's protection.**

### Medication Policy

Any medication required to be given during school hours must be turned into the office. Students on medication are required to have a doctor sign an authorization form. These forms are available in the school office. The procedure is as follows:

1. The parent brings the medication to the school office in the labeled bottle for the student.
2. Supply of medication should be just enough for administration to the student while at school.
3. If a student is on continuous medication, request that the pharmacy label two bottles, one for use at home and one for school use.
4. The student may be assisted by a school nurse or the nurses' designee.

Board Policy 5141.21 allows for students to carry inhalers and epi-pens. Students are not allowed to keep any other forms of medication in their possession during school hours.

### Illness and Contagious Diseases

If a child has a contagious disease such as chicken pox or measles, please notify the school immediately so that steps can be taken to prevent epidemics. The child may be readmitted to school only if the contagious period of the disease has passed.

Parents should check their children for lice regularly. If lice are seen on a child at school, the parents are called to pick up the child at the end of the school day and are given a copy of the brochure "A Parent's Guide to Head Lice." At home, all members of the family must be

checked for head lice. This policy allows for parents to treat the child overnight. The day following treatment, the child is re-examined and admitted to class. If the child is still infested, then the parent is re-contacted.

### **Tobacco-Free Environment**

In the interest of public health, Jurupa Unified School District must provide a healthy, tobacco-free environment and requests that people refrain from using any tobacco products on school district property, district vehicles, or at school sponsored events.

### **Student Use of Telephone**

The school phone is for business purposes. Students may use the phone in an emergency or with a note from their teacher. Students are not allowed to use cell phones during school hours. If students use cell phones at school during instructional hours, they will be confiscated. Parents **MUST** come to school to pick up the phone. JUSD and Sunnyslope Elementary staff will not be responsible for personal items which are confiscated, lost, stolen or damaged.

### **Telephone Messages**

The school office hours are from 7:30 a.m. to 4:00 p.m. Office personnel will take messages for teachers. Teachers are unable to come to the phone when class is in session. Calling the school office to leave messages for children at school is not a safe practice. It is difficult to verify identification of the person calling, whether it is a parent, a non-custodial parent, or a stranger.

### **School Notices**

Sunnyslope Elementary School sends messages to parents in a paperless format. Please check announcements on ClassDojo, Peachjar, Facebook, and Twitter. We also send messages using a phone tree messaging system. Please ensure that your phone numbers are up to date in the school office.

### **Lost and Found**

The lost and found clothes rack is located outside the MPR. Please label jackets, sweaters and lunch pails with your child's name on the inside for your child's safety and for easy recovery of lost articles.

### **Loss of, or Damage to, School Property**

Students are responsible for all Chromebooks (grades 2+), textbooks, and library books checked out to them. Payment is required if school property is lost, stolen, damaged or destroyed.

### **Major Emergency Procedure**

In case of a school emergency or natural disaster, such as an earthquake, you need to be aware of our school's plan for releasing your child. Our concern is for the safe and orderly dismissal of our students.

A detailed emergency plan has been developed for implementation during a major emergency situation. Drills are held regularly to make certain that students and staff understand emergency procedures.

**Your cooperation is asked in any emergency.** The school will retain your child until you or an adult listed on the emergency card is able to come get him/her.

These actions should be shared with everyone you listed on the Emergency Card so they are familiar with our procedures.

For this reason, it is imperative that you keep all information on your child's Emergency Card up-to-date at all times. Your child will be released only to those listed on the card. When

circumstances warrant, it is in the best interest of your child to place him/her in an alternate place of safety.

## **Academic Information**

### **Student Progress**

The initial student progress report is made in October, at which time the Student/Parent/Teacher Conferences are held at each school site. The first report card is given to parents at that time. Subsequent reports are made in February, and May. However, you are encouraged to make inquiries as to your child's progress whenever you have a concern by talking to your child's teacher or making an appointment to come see him or her.

### **Homework**

Regular homework is required by the school district. It is an important factor in helping students achieve academically and develop good work habits. It is a student's responsibility to complete and turn in all required assignments.

## **Student Activities**

### **Student Council**

Students are given the opportunity to participate in the democratic election process and develop leadership skills. Members work together to plan school-wide activities.

### **Recognition**

Special recognition will be given to individual students and classes which have performed especially well and have had good attendance during each trimester. Awards are given for perfect attendance, academic excellence, demonstrating improvement, and for excellent citizenship.

## **Special Services and Programs**

### **Dual Immersion**

This program promotes bilingual competency in both English and Spanish. Students learn to read, write,

and communicate with native-like fluency in both English and Spanish. In addition, a critical focus of the Dual Immersion program is multiculturalism. Students prepare to be competitive in a global world.

### **Resource Specialist Program**

This program is designed for youngsters who, after being assessed, have shown that they can profit from additional assistance. It provides assistance for students with learning disabilities who have a discrepancy between ability and achievement. Students served in this program have an average or better intelligence but require alternative learning strategies in addition to the regular classroom instruction. These services are provided by a Resource Specialist Program Teacher both in the classroom, working collaboratively with the regular teacher, and out of the classroom in small group instruction.

### **Special Day Class**

This class is part of a district program that provides special education services to students that have not benefited from a regular class situation. A smaller class size and an instructional aide are provided to lower the pupil-teacher ratio.

### **Language, Speech and Hearing Program**

An LSH teacher provides speech and language therapy for students with communication disorders. Students are screened upon the recommendation of their parents or teacher.

### **Counseling Services**

Teachers and parents may refer students for counseling. Additional counseling information and referral service can be obtained by calling 686-HELP (crisis advice, health care, child abuse, rape, alcoholism, or drug abuse).

### **Instrumental Music**

Instruction in the woodwind, brass, and percussion instrument families are offered to fourth, fifth and sixth grade students.

### **Library Services**

Each student visits the school library with his/her class once each week. Students have the opportunity to check out books and receive assistance on locating information for research projects.

### **School Improvement Program**

A school based coordinated program plan has been developed to focus on language arts and math. Technology is also integrated within the classroom setting. Staff development days during the school year provide in-services for the entire staff. They are designed to improve the quality of the instructional program school-wide.

### **Gifted and Talented Education**

The GATE program offers educationally challenging activities to students identified as having extraordinary intellectual ability or achievement.

### **Extended Day Programs**

An afterschool program is available to both upper and primary grades to help students achieve grade level standards in language arts and math.

### **Structured English Immersion**

A structured English immersion program is an instructional method that involves teaching in English to English Learners. Our goal for English Learners is for them to become language proficient, not just fluent in English. Language proficiency is the ability to use language for both academic purposes and basic communicative tasks. The classroom

environment is rich in visual and hands-on activities.

### **Title 1**

Title 1 provides supplemental funds to be used to narrow the educational gap between academic performances of At-Risk students. These funds provide for materials and services to assist identified students who need extra support to be successful in school.

## **Parent Involvement**

### **Title I School Site Council**

The School Site Council meets six times a year to advise the staff on educational decision-making. It is composed of elected parents and staff members.

### **English Learner Advisory Committee (ELAC)**

Schools that have more than twenty students who are identified as having limited proficiency in English are required by California State Law to establish a School English Learner Advisory Committee to allow parents to assist the professional staff in planning a program to better serve those students. Members will attend four meetings per school year. All parents are welcome to these meetings.

### **Parent Conferences**

Teachers schedule parent conferences during two days in October. The report card and your child's progress are discussed during this time.

### **Parent Volunteer Program**

Please contact your child's teacher, or call the school office, if you wish to volunteer at school or in the classroom.

Volunteers who will have regular or extended contact with students, not under the direct supervision of a District certificated employee as determined by the school principal or designee, must meet the following requirements:

1. Submit evidence from an examination within 60 days prior to beginning volunteering that s/he is free

of active tuberculosis.

2. Be fingerprinted and cleared by the Department of Justice criminal records check prior to beginning volunteering.

Examples of volunteers who must meet these requirements are coaches; athletic trainers; field trip chaperones, camp and fair chaperones; band, vocal music, and drama group helpers; and others who have unsupervised contact with students.

All Headstart and Preschool volunteers must meet these requirements unless they are a relative of a child in the program and are not used to replace or supplement staff in providing direct care to children (Health and Safety Code 1596.871 (b)). Each school shall arrange for volunteers to sign in and out in an office record book provided by the Principal. Workers' Compensation coverage will be extended only during the hours of actual service by approved volunteers who have signed in at the school office. The School District will not be responsible for loss or damage to the personal property of volunteers except as specific prior written authorization has been given by the principal.

### Student Visitors

Students from middle or high school must remain off campus during school hours and school events unless given specific permission to be on campus by office personnel.

### Parent Education

Parent workshops are held throughout the year by the school staff and consultants. Please check fliers, the marquee, or website for specific days and times.

## **Discipline Plan**

### Positive Behavior Intervention and Support (PBIS) Defined

PBIS is best described as an organizing structure rather than a program. Schools who implement PBIS make an intentional decision to restructure all learning environments for the purpose of

equipping students for behavioral success in school and in life. This is accomplished through direct instruction of agreed upon behavioral standards which are taught, acknowledged, and corrected by all staff within a safe and welcoming school culture.

### Key elements of PBIS

Evidence-based features of PBIS include:

- Commitment to prevention and intervention
- Emphasis on strong administrative leadership to build effective systems and practices
- Universally defined expectations/skills which are taught
- Acknowledgment and correction of pro-social behaviors
- Provision of fair and consistent consequences
- On-going collection and review of data for decision-making purposes
- Continuum of behavioral interventions – multi-tiered supports

### Definitions of Common Terms:

#### • **Discipline**

Discipline means *to instruct, to train in accordance with the rules, an activity or exercise to improve a skill*. Equipping students for behavioral and social success is a school-wide responsibility, which requires the commitment and efforts of all adults — not just a select few are perceived as “disciplinarians.”

#### • **Consequences**

A consequence is *the relation of a result to its cause*. It is also important to understand that “consequences” and “interventions” do not mean the same thing.

#### • **Intervention**

Behavior interventions are *specific actions taken for the purpose of changing the behavior of either an individual or a group of people*.

### Minor Offenses

A Minor Offense is the *failure to demonstrate a school-wide expectation, social skill, or procedure, i.e. failure to:*

- Be Safe, Responsible, Respectful
- Work with Others
- Follow Instructions
- Wait Your Turn
- Stay On Task
- Mind Your Own Business
- Get the Teacher's Attention
- Resist Peer Pressure
- Accept “No” for an Answer
- Accept Criticism
- Ask Permission
- Respect
- Disagree Appropriately
- Listen
- Use Appropriate Voice Tone
- Ask for Help
- Give Criticism

The district assures that lack of English language skills will not be a barrier to admission or participation in District programs. Complaints of unlawful discrimination, harassment, intimidation, or bullying are investigated through the Uniform Complaint Process. Such complaints must be filed no later than six months after knowledge of the alleged discrimination was first obtained.

The Director of Administrative Services, Ilsa Garza-González, is designated as the administrative officer in this area and should be contacted with any questions regarding the District's nondiscrimination policy at (951) 360-4140 or Administrative Services, 4850 Pedley Road, Jurupa Valley, CA 92509. ## **SUSPENSION APPEAL PROCEDURE**

**Note:** *During the appeal of suspension to the principal, the student shall remain suspended for the length of the appealed suspension. Because the appeal process is a challenge to student records, only the student's Educational Rights Holder may appeal a suspension.*

When a parent or guardian wishes to appeal the suspension (without recommendation for expulsion), the following procedure shall be followed:

1. The pupil's parent or guardian shall have the right to submit a written statement that shall be attached to the suspension notice.
2. The parent or guardian shall submit a written statement outlining the reasons for requesting an appeal ***within five (5) school days of the date the student was suspended*** to the principal or designee.
3. Upon receipt of a written appeal of a suspension, the principal or designee shall have five (5) school days to consider the appeal. After considering the appeal, the principal or designee will notify the parent or guardian of the decision.
4. If the principal or designee agrees to alter the suspension after considering the parent or guardian's appeal, and the parent or guardian agrees with the change, the appeal process shall end.
5. If the principal or his designee does not agree to change the suspension, or if the parent or guardian does not agree with the change offered by the principal, the parent or guardian may then appeal the suspension to the Superintendent's Designee.
6. The Superintendent's Designee shall hear appeals only after the appeal has been heard by the principal or designee.
7. The parent or guardian shall submit the written reason for appealing the suspension to the Superintendent's Designee within five (5) school days after being notified by the principal.
8. The Superintendent's Designee will contact the parent or guardian as soon as possible but ***within five (5) school days*** of receipt of the written request.
9. The Superintendent's Designee shall confer with the principal to determine if there is sufficient evidence to find that the alleged violation occurred, whether the penalty imposed is appropriate for the violation, and whether the pupil has been afforded due process of law.
10. The Superintendent's Designee shall make a finding of fact and shall render a decision.
11. The Superintendent's Designee will then inform the parent and the principal first verbally and then in writing, of the decision.

12. If the Superintendent's Designee determines that no violation occurred, all records regarding the suspension shall be immediately destroyed.
13. If the Superintendent's Designee determines that the penalty imposed was inappropriate for the violation, all records concerning the suspension shall be revised to indicate the penalty imposed by the Superintendent's designee.
14. If the Superintendent's Designee determines that the violation did occur and that the penalty was appropriate, the suspension shall stand.
15. In all cases, the decision rendered by the Superintendent's Designee shall be final and shall end the appeal process.
16. The appeal of suspension with a recommendation for expulsion is terminated with the Superintendent's Designee meeting. [EC 48911(g)]
