Statewide Testing Notification

California Assessment of Student Performance and Progress (CAASPP) this spring only.

District Tests that Replace the California Assessment of Student Performance and Progress (CAASPP) spring 2021:

- **iStation**

English language arts/literacy (ELA) and mathematics iStation tests are administered in grades three through five.

- **Reading Inventory**

English language arts/literacy (ELA) tests are administered in grades six through eight, and grade eleven.

- **Mathematics Diagnostic Testing Project (MDTP)**

MDTP mathematics tests are administered in grades six through eight and grade eleven.

- **California Alternate Assessments (CAAs)**

Only eligible students—students whose individualized education program (IEP) identifies the use of alternate assessments—may participate in the administration of the CAAs. Students in grades three through eight and grade eleven will take the CAA for ELA and mathematics.

- **The California Science Tests (CAST), CAA-Science, and optional California Spanish Assessment (CSA) for Reading/Language Arts will not be administered in spring 2021.**
