

District Proposal for MOU with NEA-Jurupa
Regarding Inclusion
July 1, 2023
Memorandum of Understanding
Between
Jurupa Unified School District
And
National Education Association - Jurupa

This Memorandum of Understanding between the Jurupa Unified School District (“District”) and the National Education Association - Jurupa (“NEA-Jurupa”) (jointly, “Parties”) is entered into with regard to inclusion for students with IEPs. Unless otherwise outlined, all other provisions of the Collective Bargaining Agreement remain in effect.

Inclusive practices for all students, specifically including those with IEPs, are essential to the Parties’ shared mission of educating and serving JUSD students. Inclusion for students with IEPs for Specialized Academic Instruction (“SAI”) have increased throughout the District in recent school years, and the Parties recognize the impact of this increase on unit members’ work. Therefore, in order to best serve students and ensure that unit members are supported with implementation of these efforts, the Parties agree:

1. The District shall provide inclusion teams (including general education teachers, education specialists, and support team members, as applicable) with common time for planning and collaboration.
2. The District shall provide unit members assigned to inclusive classes with training and other professional development opportunities to support best practices for inclusion.
3. The District shall make efforts to avoid assigning more than a reasonable number of students with an IEP for SAI to an individual class.
4. The Parties will revisit this MOU and its provisions by May 1, 2024. Unless the Parties agree to extend the MOU at that time, this MOU shall expire on May 31, 2024.
