

The Advanced Placement Readiness (APR) program provides supplemental instructional support to current and potential AP students in the following courses:

- AP Biology
- AP Calculus AB
- AP Chemistry
- AP English Language
- AP English Literature
- AP Human Geography
- AP Physics
- AP US History
- AP World History

The APR program also provides high level professional development for current and potential teachers of AP courses in STEM and Humanities areas. AP teachers involved in APR will participate in course-specific professional learning that includes observing and interaction with master teachers and engaging in professional networking that promotes best practices and rigorous AP instruction.
